Each of these poetic forms has its own chapter featuring five poems with applications for both reading and writing classrooms. Reading connections present skills and strategies to move students forward as readers, helping them to build fluency, vocabulary, comprehension, phonemic awareness, and phonics. Writing connections help students and teachers discover their own voices and grow as poets and wordsmiths as they try out many poetic forms. Poems help students at all grade levels learn to better address complex reading texts, offering them a chance to dig deeper and use higher-order thinking skills. Additionally, Your Turn writing lessons provide a scaffold for seamlessly moving from modeling to the shared or guided experience and the transfer to independent work. A thoroughly researched and deeply insightful exploration of Jesus' teachings from the Gospels. Over a third of the Gospels by Matthew, Mark, and Luke contain Jesus' parables. In the Book of Matthew, we learn that this style of teaching fulfilled G-d's prophecy: "I will open my mouth in parables, I will utter what has been hidden since the foundation of the world." But how do we best interpret these vital lessons? The Parables of Jesus Explained offers a close reading of fifty two parables from the Bible. Author Stephen Tvedten explains that a parable is a word-picture which uses an earthly image or story to illustrate a spiritual truth or lesson. It creates a mini-drama that helps define the unknown and unseen by using both the visible and the known. This volume includes close readings of some of the best-known parables,

such as The Parable of the Good Samaritan and The Parable of the Prodigal Son, as well as lesser-known stories, such as The Parable of the Unforgiving Servant.

Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.
