Following on from The Sacred Code of Tarot ~ The Rediscovery of the original nature of the Marseilles Tarot (2011, 2021), this much anticipated second book from the creator of the Tarot of Marseilles Millennium Edition ~ The regeneration of the traditional Marseilles Tarot, sheds unprecedented light on the metaphysics, philosophy, and symbolism of the mysterious Arcana of this multi secular initiatory Master-game. This book also presents an in-depth approach - considering the most recent discoveries - of the documented history of the playing cards and the Tarot, and provides new essential information that was previously unsuspected, dismissed, or simply overlooked, but which clarifies considerably the genesis, and the hitherto obscure history of the Tarot playing cards deck. The revolutionary approach to all aspects of the so-called "Marseilles" Tarot presented in this book, rich in new information and including magnificent illustrations - including Tarot playing cards never published before in full color - finally clarifies the true history, signification, and original philosophy, as well as the modalities of use - both visionary and playful - of this legendary "Book of Thoth-Hermes", "Game of Life", and "Game of the Government of the World", of which it is shown in this work that it effectively constitutes the realization, in the form of a deck of playing cards, of the fabulous Philosopher's Stone...
