If You'd Just Let Me Finish Jeremy Clarkson, 2018-10-18 Clarkson is back! Pre order his brand new book now.

_____ In November 2016 we woke up to the news that the forthright presenter of a popular television programme had become the most powerful man on the planet. His name, sadly, was not Jeremy Clarkson, but we might not have been any more surprised if it had been. Because the world seems to have taken a decidedly odd turn since Jeremy last reflected on the state of things between the covers of a book. But who better than JC to help us navigate our way through the mess? And while he's being trying to make sense of it all he's discovered one or two things along the way, including - The disabling effects of being vegan - How Blackpool might be improved by drilling a hole through it - The problem with meditation - A perfect location for rebuilding Palmyra - Why Tom Cruise can worship lizards if he wants to It's all been a bit unsettling. But don't worry. If You'd Just Let Me Finish is Clarkson at his best. He may be as bemused, exasperated, amused and surprised as the rest of us, but in a world gone crazy, thank God someone has still got his head screwed on ... Praise for Clarkson: 'Brilliant...laugh-out-loud' - Daily Telegraph 'Outrageously funny...will have you in stiches' - Time Out 'Very funny...I cracked up laughing on the tube' - Evening Standard

The Archer Paulo Coelho, 2020-11-10 From the #1 best-selling author of The Alchemist comes an inspiring story about a young man seeking wisdom from an elder, and the practical lessons imparted along the way. Includes stunning illustrations by Christoph Niemann. "A novelist who writes in a universal language." —The New York Times In The Archer we meet Tetsuya, a man once famous for his prodigious gift with a bow and arrow but who has since retired from public life, and the boy who comes searching for him. The boy has many questions, and in answering them Tetsuya illustrates the way of the bow and the tenets of a meaningful life. Paulo Coelho's story suggests that living without a connection between action and soul cannot fulfill, that a life constricted by fear of rejection or failure is not a life worth living. Instead one must take risks, build courage, and embrace the unexpected journey fate has to offer. With the wisdom, generosity, simplicity, and grace that have made him an international best seller, Paulo Coelho provides the framework for a rewarding life: hard work, passion, purpose, thoughtfulness, the willingness to fail, and the urge to make a difference.

The Darkness Taipei Frank Fasano, 2019-02-02 David a U.S. Military veteran rides a downward spiral into the Pallium (the world of the supernatural) torn between life and revenge in the underside of the city of Taipei. He is confronted by evil creatures and gangsters while searching for meaning in his personal loss. Introduction: Caveat Lector, I say this because some books are dangerous. Most works can be picked up and put down leaving you unchanged. I can make you no such promise. In my humble opinion, every truly fascinating manuscript will give you answers, even if the questions were unknown to you. Knowledge, true knowledge, is not a charming collection of factoids to be regurgitated on demand or request. I have come to believe that learning is a process that shakes you to the very foundation of your being. There are many secrets that give you a glimpse into the other worlds. But be warned - once you have opened your mind to the darker possibilities, it will never again be closed. This Pandora's Box has no lid, no hinges and no lock. The only way to see what is contained within is to smash it to bits. This is my attempt to document the events that transpired and it is my humble offering to you, the reader. So Caveat Lector - Reader Beware - or you may receive your own invitation to the dance. Call me Tòmas. This is my name, even though most people either forget to ask for it, or just forget it all together. The story, on the other hand, is not mine. Regardless, I have decided to tell it. My name may find mention before this tale reaches its conclusion; we'll just have to wait and see. As I write these words the dawn has broken, the sun is shining bright, and hope is easy to find in your heart. The blackest night has passed and the shadows of malevolence have grown thin. The evils of the world have retreated once again into the depths awaiting darkness's cold caress. Hope also springs new with the first light of morning; regrettably it is often slain with the setting of the sun. Our lives can be magnificent journeys if we remove the limitations of our own misconceptions. On the other hand, this is a very dangerous endeavor. Our misconceptions of the world are our anchor, and our shield. They hold us back from seeing what the world really contains; they also protect us from what we may not be prepared to confront. Confronting the unknown can be the most important part of this magnificent journey we know as life. In the immensity of time, a human life is as a journey of a drop of rain, plummeting to the earth. To eternity, our lives are but a moment, an hour, or a day; but then again, so much can happen in just a day... Quem deus vult perdere, dementat prius (Original Source Unknown) Whom the gods would destroy, they first drive mad. Excerpt from The G.H.A.S.T. (or Gideon's Handbook for the Accidental Supernatural Tourist) The G.H.A.S.T. was created to help you avoid becoming trapped in the darker worlds. However, the current management feels that the most recent increase in its popularity is due to people trying to find the breaches in the Pallium. Therefore, all entries have been re-edited with this in mind. PLEASE NOTE, if you wish to avoid the darkness, all you need do is apply a reversed logic to the stated techniques, i.e. if you stay near home and remain in familiar surroundings, the chances of seeing anything but the mundane is highly unlikely. Travel Tip Number One: The way to

find the darker worlds is look on the ordinary world in a new way. This is best accomplished in a place you have never before been. Finding that which is hidden is far from easy, unfortunately it is possible. The Pallium of the Dance is a sorry shroud for anyone looking with open eyes. It is very difficult to cross the Pallium, however for most of those who have, returning seems to be nearly impossible. You may wish to be very, very certain before you go looking for that which you do not understand.
