This book constitutes the thoroughly refereed proceedings of the 16th International Conference on Knowledge-Based Intelligent Information and Engineering Systems, KES 2012, held in San Sebastian, Spain, in September 2012. The 21 revised papers were carefully reviewed and selected from 254 submissions. Topics of interest include the exploitation of AI techniques, most recent research in information technologies and dynamic ontologies.

Get control over those difficult areas of English grammar Practice Makes Perfect: Advanced English Grammar for ESL Learners is focused on those grammar topics that might pose special problems for you, especially if English is not your first language. Because it targets advanced topics, you will quickly zero in on what holds you back from fluency. And like with all of the bestselling Practice Makes Perfect books, you can practice through exercises and reinforce your knowledge. The book includes: 775 exercises Expertise from Mark Lester, an ESL expert in grammar who founded the highly respected ESL department at the University of Hawaii. He authored the most popular college classroom grammar in the country Topics include: Noun plurals, Possessive nouns and personal pronouns, Articles and quantifiers, Adjectives, Verb forms and tenses, Talking about present time, Talking about past time, Talking about future time, Causative verbs, The passive, The structure of adjective clauses, Restrictive and nonrestrictive adjective clauses, Gerunds, Infinitives, Noun clauses

The Gramming Guide to English Grammar is a resource book on the grammar of Standard British English. It is intended for intermediate to advanced students of English as a second or foreign language who have already studied the basic grammar of English. It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above. The book starts with a pretest that helps you identify the areas you need to work on. The pretest is followed by eleven chapters, broken down to a number of subchapters that each deal with a specific grammar point. The related explanations are accompanied by real-life sample sentences, timeline diagrams, tables, and quotes. If a similar point or the same point is discussed in a different part of the book, you will find cross-references to that point. Where appropriate, chapters begin with guiding questions and end with revision questions. Most of the chapters are followed by exercises, including multiple choice, sentence transformation, error correction, gap filling and matching exercises, as well as communicative tasks that can be done in language lessons. At the end of the book, there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules; a list of the quotes that appear in the book; and a glossary that defines grammatical terms frequently used in the explanations. The chapters in this book are not arranged in order of difficulty. This way, the book can be used for quick reference on specific points of interest, as well as for systematic study, either as a self-study grammar book or as additional material in an ESL/EFL course. No matter which way you use the book, it is recommended that you follow the cross-references, which will lead you to further information on a given item. The exercises, which come with suggested answers, are best done using pen and paper. These exercises will not only help you to practise grammar but also to tie grammatical forms to real-world meaning.

Advanced English in a Nutshell is a short, detail free book that sheds light on the highlights and major grammatical points in a clear and effective manner. Getting lost in the endless variations of grammatical rules can be extremely distracting and most of the time disappointing. For this purpose, the book is not designed to dig deep into the limitless details of grammatical rules rather it is a kind of a review to the most necessary forms and structures that students need to use in academic tests in order to get high scores. In all tests candidates' performance is assessed according to the type of grammatical structures they are using while they are speaking or writing. The candidate who sticks to present simple and continuous forms, for instance, is not expected to get a high score in terms of structure because of the use of simple grammatical forms. Thus, it does make sense for candidates to use a variety of complex and simple structures to give the impression that they have a good mastery and command of the language.

This Exercise book has been compiled for upper intermediate to advanced students of English as a foreign language. In this book you will learn: How to Increase your vocabulary by adding prefixes and suffixes to root words. Practise paraphrasing which is a must for anyone who has an upcoming English exam. Become more familiar with prepositional phrases. Many non natives continue to use verbs + prepositions erroneously for the whole of their learning lives. Not sure about whether to say 'it depends from' or 'it depends on?' Not knowing which preposition to use can seriously hinder your accuracy in English and possibly lead to misunderstandings. When students reach a higher level of English, then they should begin to focus more on accuracy.

Refresh your memory on the use of the narrative tenses which are important for expressing differences in time shifts. Exercises are included with notes on the tenses used and why. Increase your vocabulary on specific subjects. The book is rich in exercises and the most common grammar points are clearly explained for those of you who may have forgotten. Easily accessible

answers follow each exercise.

The Best Grammar Workbook Ever! is a comprehensive instructional guide for ages 10-110. It covers grammar basics, common grammar problems, punctuation, capitalization, and word usage. In addition to a Pretest and Final Test, there are more than 100 practice exercises and tests at the end of each chapter. A complete list of answers is included in one of the appendixes. Other appendixes include commonly misspelled words, commonly mispronounced words, Greek and Latin word roots, and writing tips. The book is written in a friendly and easy-to-use tone. There are helpful hints throughout and a complete index.

The book is specifically targeted for non native English language learners who may have an upcoming CAE exam. In part four of the certificate of advanced English, you are expected to be able to paraphrase, that is, express the same idea in two different ways. This part of the exam is to test your use of English and your grammar. Students should prepare themselves for being tested on hypothetical language, which includes modal verbs of deduction in the past tense, conditionals, modal auxiliary verbs and semi-modals, comparatives, superlatives, noun to adjective or verb and vice versa, idiomatic language including phrasal verb transformation to single verbs and vice versa, verbs + their corresponding prepositions, gerunds and infinitives, passive to active/active to passive, linking words among others. PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Take your self-study English language learning and confidence to the top level with the fourth practice book in the visual learning series English for Everyone. Practice Book: Level 4 Advanced will help you to solidify the skills you learn from the Course Book: Level 4 Advanced or from your other courses or studies. Strengthen your language for topics such as family life, business, and news, and the media. Grab your pen and work your way through the exercises as you cover each topic. Activities include filling in the blanks, true or false decision-making, matching the pairs, and much more. Audio material is provided at every stage through the English For Everyone website and Android/iOS apps to provide vital experience of spoken English and make even tricky phrases easy to understand. English for Everyone is aligned to the CEFR, the international standard for language learning, and ideal for preparation for major English-language exams including IELTS, TOEIC, and TOEFL. Whether you want to improve your English for work, study, or travel, the Practice Book: Level 4 Advanced is your perfect learning companion. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkefe.com to find out more.

With more than 50 years of teaching experience between them, Ilse Depraetere and Chad Langford present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the complex specifics. Now fully updated and revised throughout, the second edition of this book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar. After introducing form and function, the authors cover verbs, nouns, aspect and tense, modality and discourse. Readers are led through the underlying principles of language use, with the book presupposing only a basic grasp of linguistic terminology and focusing on the critical issues. Full of challenging exercises and supported by a companion website featuring an extensive answer key, a glossary and further exercises for study, this is the reference grammar of choice for both native and non-native English speakers.
