

Advanced Placement Macroeconomics Teacher Resource Manual

Advanced Placement Economics - Macroeconomics Teacher Resource Manual Joint Council on Economic Education

REA's AP Macroeconomics Crash Course is the first book of its kind for the last-minute studier or any AP student who wants a quick refresher on the course. /Written by an AP Macroeconomics teacher, the targeted review chapters prepare students for the test by only focusing on the important topics tested on the AP Macroeconomics exam. /The easy-to-read review chapters in outline format cover everything AP students need to know for the exam: basic economic concepts, economic performance, inflation, price determination, unemployment, economic growth, and international trade and finance, and more. The author also includes must-know key terms all AP students should know before test day. / With our Crash Course, students can study the subject faster, learn the crucial material, and boost their AP score all in less time. The author provides key strategies for answering the multiple-choice questions, so students can build their point scores and get a 5!

The Teacher resource manual provides unit overviews, lesson plans, objectives, Teacher alerts, Bell Ringer activities to jump-start each class, visuals, and answers to the student activities. The manual is designed to provide a basic framework around which teachers can design an AP microeconomics course that best meets the needs of their students.--P. xiii.

Advanced Placement Macroeconomics is the go-to guide for helping high school teachers to prepare their students for the AP Macroeconomics Exam administered by the College Board. It is designed to provide a basic framework around which you can design an AP Macroeconomics course that best meets the needs of your students. The Teacher Resource Manual provides unit overviews, lesson plan objectives, Teacher Alerts, Bell Ringer activities to jump-start each class, visuals, and answers to the student activities. The lessons include instructional activities that are not in the Student Resource Manual. By dividing the Macroeconomics and Microeconomics Teacher Resource Manuals in two and compartmentalizing various elements such as student activities solutions and sample multiple-choice question answer keys, the materials provide a more intuitive structure and easier navigation of content.

AP® Economics courses are hard. Krugman's Economics for the AP® Course, third edition was created to help you solve the economics puzzle. Assembled by AP® experts and divided into short modules, the organization, language, and emphasis perfectly mirrors College Board's curriculum framework. This dedication to the AP® courses keeps teachers and students on track to realize success on the AP® exams.

Advanced Placement Classroom: A Midsummer Night's Dream takes students inside Shakespeare's well-loved comedy by providing teachers and students with a detailed overview of the play, along with interesting and challenging activities geared for the advanced language arts student. Students will examine Shakespeare's inventive language by collecting words and phrases to use later in a "Sweet-Talk Challenge," akin to a modern-day poetry slam; discover the history behind the play by researching and giving presentations on Elizabethan occupations; and recognize the challenge of performance by reenacting scenes. Prufrock's new line of innovative teaching guides for the Advanced Placement classroom is designed to engage students with creative learning activities that ensure Advanced Placement success. The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative, hands-on activities including debates, role-plays, experiments, projects, and more, all based on Advanced Placement and college-level standards for learning. Grades 7-12

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.

This report focuses on how human development can be ensured for everyone, now and in future. It starts with an account of the hopes and challenges of today's world, envisioning where humanity wants to go. This vision draws from and builds on the 2030 Agenda and the Sustainable Development Goals. It explores who has been left behind in human development progress and why. It argues that to ensure that human development reaches everyone, some aspects of the human development framework and assessment perspectives have to be brought to the fore. The Report also identifies the national policies and key strategies to ensure that will enable every human being achieve at least basic human development and to sustain and protect the gains.

These online exams can be easily accessed by smartphone, tablet, or computer.

Advanced Placement Classroom: Macbeth is a teacher-friendly resource for using one of Shakespeare's greatest tragedies in the Advanced Placement classroom. Students will examine the play critically and analytically to understand aspects such as the nature of villainy and the history of the events that inspired the play. An extended section provides teachers with information on societal implications that impacted the play's creation, including witchcraft and The Gunpowder Plot. Teachers also will be able to implement exciting hands-on projects such as putting Macbeth on trial for the murder of Banquo and developing a soundtrack for the play. Grades 7-12

[D]esigned to assist high school teachers in teaching undergraduate principles of economics courses to high school students as part of the Advanced Placement (AP) Program of the College Board.

Principles of Microeconomics for AP(R) Courses covers scope and sequence requirements for an Advanced Placement(R) microeconomics course and is listed on the College Board's AP(R) example textbook list. The text includes many current examples, which are presented in a politically equitable way. The outcome is a balanced approach to the theory and application of economics concepts. The images in this textbook are grayscale. Advanced Placement(R) and AP(R) are trademarks registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

Principles of Economics covers the scope and sequence for a two-semester principles of economics course. The text has been developed to meet the scope and sequence of most introductory courses.

The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative, hands-on activities, including debates, role-plays, experiments, projects, and more, all based on Advanced Placement and college-level standards for learning. Julius Caesar allows teachers to take a fresh approach to one of Shakespeare's most famous plays by moving beyond basic history and memorization of quotes. Students will engage in performance approaches to the text, recreate the story's events in a news show format, participate in collaborative literature workshop activities, and debate whether Caesar could have prevented his assassination. The author also provides easy-to-use discussions of Shakespeare's language and how Julius Caesar can be studied from different critical perspectives. Grades 7-12
