

Adventure Bible Handbook A Wild Ride Through The Bible

A facsimile edition of the tattered notebooks of the Unknown Adventurer, this love letter to the wild details everything you need to know about how to live and thrive in nature, from the principles of treehouse building to wilderness first aid. If you are reading this, it means my notebooks have been found. I am leaving them here at camp for safekeeping along with a few other belongings that I won't be taking with me. The notebooks are a lifetime's worth of knowledge, which I'm passing on to you. So reads an excerpt from the weatherworn letter discovered by nature enthusiast Teddy Keen on a recent trip to the Amazon, along with sketchbooks filled with details of extraordinary adventures and escapades, expedition advice, and survival methods, annotated with captivating colored-pencil drawings. It is thought that the sketchbooks were created for two young relatives of the author. Drawing on Teddy's knowledge of the outdoors, the pages of the sketchbooks have been carefully transcribed for young readers, as they were originally intended. You'll be transported by riveting adventure tales from around the globe, like being dragged off by a hyena in Botswana, surviving a Saharan dust storm, being woken by an intrepid emperor penguin in Antarctica, and coming face-to-face with a venomous bushmaster (one of the most dangerous snakes on the planet)—all told in lyrical prose and illustrations that wonder at the mysterious beauty of the wild. Having inspired the adventurous spirit in you, the Unknown Adventurer encourages you to set out on your own adventure with information on wild camping, rafting, exploration, and shelters and dens, plus tips on first aid and tying knots. Expert instructions on wilderness basics, like building a fire, what to do if you get lost, and how to build various types of shelters are accompanied by more specific skills culled from many years of experience, like baking campfire bread, creating a toothbrush from a twig, making a suture from soldier ants, and even how to pan for gold. Find your way back to your primal self with the immersive text and glorious color artwork of this one-of-a-kind adventure book. REMEMBER: be good, be adventurous...and look after your parents.

A vibrant new voice . . . a modern classic. For generations, the Beaumont family has harbored a magical secret. They each possess a "savvy"—a special supernatural power that strikes when they turn thirteen. Grandpa Bomba moves mountains, her older brothers create hurricanes and spark electricity . . . and now it's the eve of Mibs's big day. As if waiting weren't hard enough, the family gets scary news two days before Mibs's birthday: Poppa has been in a terrible accident. Mibs develops the singular mission to get to the hospital and prove that her new power can save her dad. So she sneaks onto a salesman's bus . . . only to find the bus heading in the opposite direction. Suddenly Mibs finds herself on an unforgettable odyssey that will force her to make sense of growing up—and of other people, who might also have a few secrets hidden just beneath the skin.

"We walked toward the part of the library where the air smelled as if it had been interred for years. . . . Finally, we got to the hallway where the wooden floor was the creakiest, and we sensed a strange whiff of excitement and fear. It smelled like a creature from a bygone time. It smelled like a dragon." Thirteen-year-old Juan's favorite things in the world are koalas, eating roast chicken, and the summer-time. This summer, though, is off to a terrible start. First, Juan's parents separate and his dad goes to Paris. Then, as if that wasn't horrible enough, Juan is sent away to his strange Uncle Tito's house for the entire break! Uncle Tito is really odd: he has zigzag eyebrows; drinks ten cups of smoky tea a day; and lives inside a huge, mysterious library. One day, while Juan is exploring the library, he notices something inexplicable and rushes to tell Uncle Tito. "The books moved!" His uncle drinks all his tea in one gulp and, sputtering, lets his nephew in on a secret: Juan is a Princeps Reader—which means books respond magically to him—and he's the only person capable of finding the elusive, never-before-read Wild Book. Juan teams up with his new friend Catalina and his little sister, and together they delve through books that scuttle from one shelf to the next, topple over unexpectedly, or even disappear altogether to find The Wild Book and discover its secret. But will they find it before the wicked, story-stealing Pirate Book does?

Most of us have no idea where we're going most of the time. Perfect. "Celtic Christians had a name for the Holy Spirit—An Geadh-Glas, or 'the Wild Goose.' The name hints at mystery. Much like a wild goose, the Spirit of God cannot be tracked or tamed. An element of danger, an air of unpredictability surround Him. And while the name may sound a little sacrilegious, I cannot think of a better description of what it's like to follow the Spirit through life. I think the Celtic Christians were on to something.... Most of us will have no idea where we are going most of the time. And I know that is unsettling. But circumstantial uncertainty also goes by another name: Adventure." --from the introduction

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk.

Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.
