Are you prepared for what is about to happen? Giants, Fallen Angels and the Return of the Nephilim will discuss Biblical prophecies of giants on the earth, the Last Days demonic plot of engineering genetic hybrids, and what all of it has to do with Israel and the Middle East. In this book, you will receive answers to these questions and more... Have tribes of giants ever walked this Earth? Why are there massive and precise "prehistoric" megalithic structures throughout the world? Was early man a Neolithic Stone Age caveman or did he receive knowledge from other sources? Are aliens actually fallen angels? Who are the Nephilim, and are they returning to Earth? Discover how important these questions are, from both a personal and global perspective. Read this book and open your eyes to the dangers that await mankind, and humanity's only hope.

Brailean is a young boy who lives in the deep rural south. Born into a world of hate and lies, he must learn how to control the demon within. The Community has infiltrated the town of Eden in search of the prized boy. Brailean is protected by the Most High, as he endures a journey of pain and suffering. He is the salvation of the Dark One and his damned army

of camouflaged demons. In a world of evil, devils walk among men, and men walk as devils. Brailean is not your average boy. He possesses a very dark power, equipped with a kind heart. Will this fallen angel ever find his wings?

Mortal Sin As a fallen Angel of Death, Azrael is cursed to walk the earth alone in search of redemption. One night, as he wanders the streets of New Orleans, he discovers a woman surrounded by panther shifters. No longer able to contain the anger simmering within, Az summons his dark powers and attacks, determined to protect this innocent human from certain death. Only Jade Pierce is no delicate flower. She's spent years learning to survive and fight the evil forces sent by her ex-lover who refuses to let her go. But after seeing Az in action, she figures she could use a little supernatural help. And so she plans a course of seduction guaranteed to arouse his interest and his angelic passions. . . Immortalized by fire, a new prince will reign as Heaven trembles in fear. Struck from Heaven to Hell, even the infinite peace of suicide is stolen from Lucifer. His maker isn't done with him-not by a long shot. With the promise of soaring wings that could return him to his forbidden love, can Lucifer do the heinous task that is being demanded of him? Banned from glimpsing Lucifer, Gabriel has her own redemption to pay. But her penance is unconscionable, an order that goes against all that she has strived to uphold since Lucifer's banishment. A punishment that will turn Lucifer against her if he ever found out. Worlds apart, and with danger and betrayals on the horizon, can these forbidden lovers ever find their way back to one another, or will this finally be the end of their jilted love story? We've been off and on again since the dawn of time. Literally. Thousands of years ago Lucifer kicked me out of hell. He made Samael choose between working for him or being with me. Samael chose. Poorly. Nowadays, I have a life on earth, but that doesn't stop me from getting pulled into all the trouble that Heaven and Hell rain on us. And Samael needs my help. He's the only man - well, Fallen Angel - I've ever loved and being near him again stirs up every emotion I've buried. We're trying to stop the apocalypse, chasing after Antichrists and cursed silver all over the world and trying to uncover the evil behind it. We're physically closer than we have been in centuries. All that closeness? It has consequences. Or it will. In about nine months. It looks like our family is growing again ... if the world doesn't end first.

A TOUCH MORTAL - BOOK 1 Getting involved with an angel, especially a half-Fallen one, might not have been Eden's best idea. Still, she never thought a summer fling with Az would end up costing her mortality. Now, there's no way of telling what will happen when Eden's fingertips graze human skin. The power that builds inside her, Touch, strips away morals and logic. Some people only feel a high; others are overcome by their darkest thoughts. Worse, word's gotten around that her Touch can kill her own kind, a skill Luke and the Fallen are desperate to harness. The last thing Eden needs is the rumor to spread. Especially since it's true. With the Fallen closing in, and loyalties in doubt, Eden must rely on the guy who broke her heart to keep it beating. Working with the Upstairs, Az is determined to defeat Luke and win back more than just Eden's loyalty. But Eden will be damned, literally, before she lets him off the hook that easily. A TOUCH MORBID - BOOK 2 Eden saved Az. She went up against pure evil and won. But at what cost? With loyal friends suffering, and her chance at a future with Az disintegrating, new enemies are the last threat Eden needs. Especially with the Fallen after revenge. But when mortal paths start breaking apart, Eden knows the game has changed and all of humanity is now at stake. Kristen stayed out of the battle. She gave Eden the headstart she needed to save Az, and faced Gabriel's wrath when he found out. All because she couldn't chance her own secrets being exposed. Now, without intervention from Gabriel, madness slowly claims Kristen's mind. When desperation forces Kristen to consider a path she swore she'd put behind her, her only hope rests with a temptation too wicked to resist a second time. Because the only one who can save her sanity, may cost her soul. A TOUCH MENACING - BOOK 3 Angels want Eden dead. They're calling for the extermination of her kind, and she's at the top of the list. A strange plague is unraveling mortal paths and granted, it's the same plague that's turning Eden to ash, but Heaven isn't willing to wait. Eden's never been afraid to fight--for Az, for her friends, for her very life. But with the Fallen on her heels and all the powers of the Bound crushing down on her, is there anyone left she can truly trust? It's in the gray areas that heroes are made, in the spaces between life and death, good and evil. Heaven and Hell. What will Eden risk for the chance to be mortal again? What will she sacrifice for true love? Who will make it to the dramatic conclusion of Leah Clifford's epic trilogy alive?

New and Lengthened Oct 2018 Version Freedom comes at a price, a price Lucifer never wanted to pay. Banished to Earth, Lucifer will do anything to redeem himself of his sins and be granted his place back in Heaven among the other archangels. Losing Gabriel was the worst moment of his immortal life. The blackening of his glorious wings was second, only because it prevents his entry above where she remains locked away. After more than a millennium of lonely servitude, Lucifer is sure he Provides convincing evidence that angels, demons, and fallen angels were flesh-and-blood members of a giant race predating

humanity, spoken of in the Bible as the Nephilim. • Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. • By the author of Gateway to Atlantis. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed forbidden arts and sciences to humanity--transgressions that led to their destruction in the Great Flood. Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age. Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below. Humanity regarded these angels--described as tall, white-haired beings with viperlike faces and burning eyes--as gods and their realm the paradise wherein grew the tree of knowledge. Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril.

The Holy Bible, "the Book Nobody Knows," as described by one Bruce Barton, is a book of ancient stories, prophecies, and wisdom literatures. But the Bible does have other specific themes. It contains specific teachings, knowledge and instructions on the purposes of the Creator and His plan for human salvation. In the series, The Foundation of Biblical Faith, the foundational knowledge and teachings of the Scriptures are treated in-depth. In this volume 1, Repentance from Dead Works, you will learn about the meaning of Biblical repentance and your need for it; sin, its effects, how the Creator views it, and the need to turn from it; the law and its purposes; the Levitical and Melchizedek priesthoods, sacrifices and their meanings and purposes. You will also learn the place of true deliverance in repentance and its relationship with the law. The book defines Repentance, shows the place and functions of Biblical Laws in Repentance, and shows the difference between the Levitical sacrificial laws and the Laws in the first five Books of the Bible. It gives a Biblical example of true repentance, discusses obstacles to true repentance, and shows the need for true deliverance in repentance.

The Bible is a ready resource for guidance on topics and questions that often provoke and perplex believers. And yet few know where to look for the answers they need. Until now. Written in question-and-answer format for easy reading, this quick reference guide provides brief summaries of important biblical doctrines so Christians can confidently and honestly discuss their beliefs with family, friends, and neighbors.

My name is Darcy Anderson, and I am cursed with a dark power: Whenever my life is in danger, something inside me summons elemental fire to protect me. I cannot control this. One night, I was attacked in my home. The fire ... it raged out of control. I survived the inferno, but my house burned to the ground - with my parents inside. I was at a loss to explain to the courts what happened, and they sent me to prison for ten years for manslaughter. Now I'm out on parole, and all I want is to return to my home

town and rebuild my life; but the man who attacked me is back to finish the job he started. I can sense the power in me growing. If I can't control it, it will control me and destroy everything - and everyone - I love. - Fallen Angels - Book 1 - Angel Fire Book 2 - Angel's Breath Book 3 - Earth Angel Book 4 - Angel Tears Book 5 - Angel of Darkness The Complete Book of Fallen Angels Haunted by a military mission that ended in personal tragedy, Declan Byrne still bears a soldier's scars. As a park ranger on the secluded Mendocino coast, he guards his heart while standing ready for anything. Anything except a beautiful, ethereal woman with a mysterious past, falling from the cliffs to the rocks below. Angel, as Declan decides to call her, has no memory of what happened. But as her body heals, disturbing dreams emerge. In Declan's protective care, Angel feels safe to act on the undeniable passion between them, without the threats from old, unnameable demons. And, in time, she senses Declan needs her as desperately as she needs him. But when her past returns with a vengeance, Declan must decide just how much he's willing to risk in order to keep the woman he loves safe.

Lucifer was the brightest archangel of them all...until he fell in love. Before Earth there was Heaven, a place of immortality and subservience where angels existed to watch the world transform. Until one angel changed everything. Stripped of his essence, flesh replaced light, and the weight of Lucifer's new wings bore down on him like a burden...until he saw her. By his side since the dawn of time, Gabriel was Lucifer's closest companion in brilliant light. But seeing her in the flesh changed everything. With their new angelic bodies, Lucifer can't look away. And not because she's perfection personified. Beyond Gabriel's cascading hair, porcelain skin, and blushed lips, her silvery eyes are the windows to her very soul and her eternal hope--even for an unworthy angel like him. And Lucifer is unworthy. His thoughts of her alone are a sin. The intimate acts he imagines committing with her could cost him more than his place amongst the archangels. But he can't stop how he feels when she looks at him. When Gabriel's gentle hand lays flat over Lucifer's chest, his heart beats faster...for her. Controlling the forbidden desires that rule Lucifer will be the hardest thing he's ever had to endure, but giving in to them could cost him the one being he can't live without. “My favorite historical novel . . . a superb re-creation of the Battle of Gettysburg, but its real importance is its insight into what the war was about, and what it meant.”—James M. McPherson In the four most bloody and courageous days of our nation's history, two armies fought for two conflicting dreams. One dreamed of freedom, the other of a way of life. Far more than rifles and bullets were carried into battle. There were memories. There were promises. There was love. And

far more than men fell on those Pennsylvania fields. Bright futures, untested innocence, and pristine beauty were also the casualties of war. Michael Shaara's Pulitzer Prize-winning masterpiece is unique, sweeping, unforgettable—the dramatic story of the battleground for America's destiny.

After Eden (Fallen Angels, Book 1) Katherine Pine

Jessica's had the nightmares for as long as she can remember. Nightmares of being judged for people who have died, of being branded by the angels. Her friends and family think she's a crazy because of it all. Yet she carries the mark of the condemned, seared into the back of her neck, and hides it and herself away from the world. But when two men she can't ignore enter her life everything changes, including the nightmares. The two of them couldn't be more different. She will do anything to be with one of them. Even tell him the truth about angels, why she never sleeps, and the scar on the back of her neck. But one of the two has set events into motion what will pull her toward her own judgment and turn her into the object of her greatest fear.

Dark and sinfully delicious, Michele Hauf's new series explores the passionate world of angels and demons.... All her life Eden Campbell had dreamed of angels....but none that she painted was like the fallen angel who attacked her. A muse, Eden was now to bear her attacker's offspring—one who promised the apocalypse and foretold her death. Where else could she turn but into the arms of a mesmerizingly handsome angel slayer? But Ashur's protection came with a price. The dark, dangerous and oh-so-sexy slayer tormented her, made her remember how long it'd been since she'd had a man. But Ashur was no man, and no angel. He was a demon. Called from Beneath to slay her attacker, he could commit every sin but couldn't fall in love. And that was the one thing Eden wanted from him. How could she choose between a death sentence or a life without Ashur? Originally published in 2010

Seventeen-year-old Richie Perry, just out of his Harlem high school, enlists in the Army in the summer of 1967 and spends a devastating year on active duty in Vietnam.

God is a lie. It is the Angels who rule Heaven in his name and have done so ever since their rebellion. Their power should be absolute but Lucifer's betrayal and the Fall devastated their numbers. Their reign is weak and in their desperation many have committed unforgivable acts. Sariel is a powerless Arch Angel all but imprisoned in Heaven. She lives a bored, lonely existence pining for something more. little does she realise that she is a pawn in Heaven's power struggles, but her discovery of its secrets will reignite an ancient war. The Gods' power has been broken, they are either dead or imprisoned. But when Sariel frees two goddesses they remind the Angels and the world what they should not have forgotten. But beneath the power struggles of Heaven and Earth lies Hell and all its dark, forgotten secrets. It is within its tormented embrace that Sariel is drawn to her destiny. But can she survive Hell long enough to reach Lucifer

and if she does the Beast will be waiting.

Our Lord's over all plan for us and his work for us in the next age. This is a book for the religious, those who wish to find another meaning in their Bible and for those interested in the hollow earth theory, the Pyramid of Giza, and astrology. In some ways this book is a sequel to *The Pillars of Tubal Cain* by Nigel Jackson and Michael Howard, in another way it is a prequel in the sense that it expands on the material and themes specifically contributed by the author to that book. However it also stands on its own as a concise, popular and reader-friendly introduction to this mysterious, and sometimes obscure and sinister, subject.

The holy champion chosen to save the world is enslaved to a sadistic fallen angel and losing the battle for his sanity. The guy chosen to save the holy champion is his binge-drinking redneck brother. So, basically, the world is screwed. Meet the Whitney boys: Colt—a mentally unstable holy soldier with a rapidly deteriorating hold on reality. His last plan to rid the world of evil either failed horribly or went off without a hitch. With the constant torture and brainwashing, it's getting hard to be sure of anything but the sick attachment he's developing to his beautiful tormentor. Tough—a smart-mouthed honky-tonk hero trying to drown his problems in music, women, and good times. He hasn't spoken to Colt in five years—not since their disagreement over a nymphomaniac vampire turned into a drunken slugfest—but they're still brothers. Tough knows he can't leave Colt fighting for his life and his sanity alone. The question is whether Tough can fight off his personal demons long enough to save Colt from the literal ones. *Halo Bound* is the first book in the Redneck Apocalypse series. A shifter cop and a sexy angel must stop a killer in this paranormal romance by the New York Times—bestselling author of *Angel in Chains*. With a messed-up family background and a tendency to grow claws and fangs, Tanner Chance isn't exactly the boy next door. But he's a decent cop, and he keeps himself on the side of the good guys. Convenient, because when he rescues a survivor of a horrific shifter attack, he finds himself instantly smitten—with an honest-to-goodness angel, as innocent as she is irresistible. Marna may be angelic, but she's not stupid or weak. She can take care of herself. Tanner is more temptation than protection anyway. Or so she thinks, until someone wearing her face starts taking out some of New Orleans's more unsavory paranormals. With police and predators both gunning for her blood, Marna has no choice but to trust Tanner . . . even though what's sparking between them is hotter than anything holy. Praise for *Avenging Angel* “Red hot . . . Eden delivers a satisfying tale full of pulse-pounding action and passion.” —Publishers Weekly “Marna goes through a metamorphosis, beginning the book as an angel who's vulnerable and scared, tortured by memories of losing her wings, and finishing with strength, power, and conviction . . . [Marna and Tanner] have a steamy relationship and will quickly become a favorite in the Fallen series.” —RT Book Reviews, 4 1/2 Stars“/B>

"A wickedly unique voice in paranormal romance!" --Larissa Ione A Little Bit Of Angel Lust Sammael--call him Sam--was an angel once. An angel of Death. But the dispassionate, watch-from-above thing just wasn't working for him when it meant watching evil torture innocent souls day in and day out. It might have cost him his wings, but these days he gets to apply the direct method on the bad guys. Problem is, what's making his life difficult is a bad girl. . . Seline O'Shaw needs protection, and with the hounds of hell on her tail, she's not going to quibble too hard about where she gets it. Sam's virtue is questionable, but he's smoking hot, massively powerful, and owes her a favor. So what if she's getting a little case of angel lust? There are some damn deadly sins after her hide. . . A new and transforming approach to the Book of Revelation. Margaret Barker bases her study on a fresh reading of the primary sources. As an Old Testament scholar, she can read Revelation as Hebrew prophecy - ancient temple oracles which inspired Jesus and his own prophecies, and influenced the whole Jerusalem Church. Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee. This expectation fuelled the revolt against Rome. Josephus, who deserted to Rome, was the false prophet. John, who escaped to Patmos, compiled Revelation as a record of the first generation. In the future, he taught, the Lord would return to his people in the Eucharist. This work illuminates the formative years of Christianity, in the social, religious and political situation of mid-first-century Palestine, in a quite remarkable way. It will have profound implications for the understanding of Christian origins and the development of Christian liturgy.

Compilation of little-known and never-before-published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little-known apocryphal texts, most of which have never before been translated into any modern language. An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha. The body of the book comprises thirty texts that have been carefully introduced, copiously annotated, and translated into English by eminent scholars. With dates of composition ranging from the second century CE to early in the second millennium, these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer.

A modern take on one of the oldest stories, what happened to Adam and Eve after they left the Garden of Eden? They are alone on an uninhabited planet with no survival skills. Supernatural forces torment their every move. Their relationship has been destroyed. They are Adam and Eve, and the fate of the human race not only depends on them surviving, but falling in love. The war in Heaven is over and everything is back to normal. Except for a third of the angels, now banished from Heaven... And Lysander has no clue what to do. With the creation of Earth, the arrival of Adam and Eve, and the construction of the Garden of Eden completed, he now has more responsibilities than ever before. But his focus is divided as he desperately wants to save the

fallen angels. But when human lives are lost in his quest, he realizes that he has to make the ultimate decision - to neglect his heavenly duties, or give up on the fallen altogether. He soon formulates a plan to end the bloodshed once and for all, but how can it work without jeopardizing the future of Heaven and generations of humanity to come?

It starts with a whisper: "It's time for you to know who you are..." On her 17th birthday, everything will change for Violet Eden. The boy she loves will betray her. Her enemy will save her. She will have to decide just how much she's willing to sacrifice. A centuries old war between fallen angels and the protectors of humanity chooses a new fighter. It's a battle Violet doesn't want, but she lives her life by two rules: don't run and don't quit. If angels seek vengeance and humans are the warriors, you could do a lot worse than betting on Violet Eden. LINCOLN: He's been Violet's one anchor, her running partner and kickboxing trainer. Only he never told her he's Grigori-part human, part angel-and that he was training her for an ancient battle between Angels and Exiles. PHOENIX: No one knows where his loyalties lie, yet he's the only one there to pick up the pieces and protect her after Lincoln's lies. In a world of dark and light, he is all shades of gray. Two sides: Angel or Exile. Two guys: Lincoln or Phoenix. The wrong choice could cost not only her life, but her eternity... The Embrace Series: Embrace (Book 1) Entice (Book 2) Emblaze (Book 3) Endless (Book 4) Empower (Book 5) Praise for Embrace: In her YA paranormal romance debut, Jessica Shirvington combines "the badass-action of Vampire Academy, the complex love triangles of Twilight, and the angel mythology of Fallen, taken one step further." -Book Couture "Shirvington's debut is smart, edgy and addictive-and sure to leave readers clamoring for the rest of the series." - Kirkus Reviews, STARRED "One of the best YA novels we've seen in a while. Get ready for a confident, kick-butt, well-defined heroine." - RT Book Reviews
