Judith's marriage to Adam is failing fast. Despite her best efforts, his attention is entirely taken up by his law practice while her existence-if he remembers it-is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep-which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every

character counts, "The Things That Fall Away" is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

“Open Water is tender poetry, a love song to Black art and thought, an exploration of intimacy and vulnerability between two young artists learning to be soft with each other in a world that hardens against Black people.”—Yaa Gyasi, author of *HOMEGOING* In a crowded London pub, two young people meet. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists—he a photographer, she a dancer—and both are trying to make their mark in a world that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence, and over the course of a year they find their relationship tested by forces beyond their control. Narrated with deep intimacy, *Open Water* is at once an achingly beautiful love story and a potent insight into race and masculinity that asks what it means to be a person in a world that sees you only as a Black body; to be vulnerable when you are only respected for strength; to find safety in love, only to lose it. With gorgeous, soulful intensity, and blistering emotional intelligence, Caleb Azumah Nelson gives a profoundly sensitive portrait of romantic love in all its feverish waves and comforting beauty. This is one of the most essential debut novels of recent years, heralding the arrival of a stellar and prodigious young talent.
