SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize–winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

\*A New York Times Notable Book and Editors' Choice\* A "haunting and elegant" (The Wall Street Journal) story about love, faith, the search for utopia—and the often devastating cost of idealism. It's the late 1960s, and two lovers converge on an arid patch of earth in South India. John Walker is the handsome scion of a powerful East Coast American family. Diane Maes is a beautiful hippie from Belgium. They have come to build a new world—Auroville, an international utopian community for thousands of people. Their faith is strong, the future bright. So how do John and Diane end up dying two decades later, on the same day, on a cracked concrete floor in a thatch hut by a remote canyon? This is the mystery Akash Kapur sets out to solve in *Better to Have Gone*, and it carries deep personal resonance: Diane and John were the parents of Akash's wife, Auralice. Akash and Auralice grew up in Auroville; like the rest of their community, they never really understood those deaths. In 2004, Akash and Auralice return to Auroville from New York, where they have been living with John's family. As they reestablish themselves in the community, along with their two sons, they must confront the ghosts of those distant deaths. Slowly, they come to understand how the tragic individual fates of John and Diane intersected with the collective history of their town. "A riveting account of human aspiration and folly taken to extremes" (The Boston Globe), *Better to Have Gone* probes the underexplored yet universal idea of utopia and portrays in vivid detail the daily life of one such community. Richly atmospheric and filled with remarkable characters, spread across time and continents, this is narrative writing of the highest order—a "gripping...compelling...[and] heartbreaking story, deeply researched and lucidly told" (The New York Times Book Review).

Eleanor Estes's *The Hundred Dresses* won a Newbery Honor in 1945 and has never been out of print since. At the heart of the story is Wanda Petronski, a Polish girl in a Connecticut school who is ridiculed by her classmates for wearing the same faded blue dress every day. Wanda claims she has one hundred dresses at home, but everyone knows she doesn't and bullies her mercilessly. The class feels terrible when Wanda is pulled out of the school, but by that time it's too late for apologies. Maddie, one of Wanda's classmates, ultimately decides that she is "never going to stand by and say nothing again."
