Highly-respected for its impeccable scholarship and elegant writing style, provides students and instructors with a comprehensive account of the American past in which no single approach or theme predominates.

Connect students to the experience of history. Connect students to success in history. Alan Brinkley's American History demonstrates that history is a dynamic story rather than a static collection of names and dates. American History shows an ongoing narrative, exploring historical evidence that teaches us about the past while revealing connections to the present. Known for its clear, single, balanced voice and impeccable scholarship, American History, Alan Brinkley's best-selling survey text propels students to think critically about the many forces that continually create and re-create the history of the United States. In this wide-ranging narrative, Alan Brinkley shows the diversity and complexity of the nation and of our understanding of its history—an understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of Consider the Source essays, superior in-text learning tools, four new America in the World essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story. And now, the most exciting of all, Alan Brinkley's American History offers Connect History, an innovative online assignment and assessment platform, which combines a fully integrated eBook with powerful learning and teaching tools. Tools that make assessment easier, learning more engaging, and studying more efficient. For example within Connect History, a groundbreaking adaptive diagnostic, LearnSmart, provides a personalized study experience for each student ensuring the mastery of basic chapter content. Additionally with Connect History, engaging interactivities such as Critical Missions immerse students in pivotal historical events, asks them to explore these situations, and then, make recommendations based on their findings. Connect History sharpens students' analytical skills, increases historical understanding, and improves overall course success.

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's American History provides students and instructors with a reliable, comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, the book explores areas of history such as social, cultural, urban, racial and ethnic history, the history of the West and South, environmental history, the history of women and gender, and American history in a global context. The twelfth edition of this text includes the McGraw-Hill's hit Primary Source Investigator (PSI) cd-rom, with hundreds of sources and a program that walks students through how to write a paper using those sources as evidence.

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's American History provides students and instructors with a broad, comprehensive approach to the American past. It offers not only a scrupulous account of American political and diplomatic history, but also a deep exploration of the many other fields that are central to a critical understanding of the nation's past: social, cultural, economic, and urban history, including the histories of the South and the West, the environment, science and technology, race, ethnicity, gender, and the global context of the American experience.

Discusses the changes of the Progressive era, focusing on the Industrial Revolution and its effects on American society

Known for its clear narrative voice, impeccable scholarship, and affordability, Alan Brinkley's *The Unfinished Nation* offers a concise but comprehensive examination of American History. Balancing social and cultural history with traditional political and diplomatic themes, it tells the story of the diversity and complexity of the United States and the forces that have enabled it to survive and flourish despite division. This fifth edition of Volume 1 includes coverage of events and developments through the year 1877 and features two new essays.

American History: Connecting with the Past McGraw-Hill Humanities/Social Sciences/Languages

Collects essays contributed by historians describing thirty-one specific days which altered American history, including the Great Awakening of 1740, the Seneca Falls Convention, and San Francisco's "Human Be-in" gathering.

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

A profile of the media giant founder of such magazines as *Time*, *Life* and *Fortune* documents his childhood as the son of missionaries, university years and prescient beliefs that transformed the magazine industry. By the National Book Award-winning author of *Voices of Protest*.

Includes bibliographies and index.

At a time when liberalism is in disarray, this vastly illuminating book locates the origins of its crisis. Those origins, says Alan Brinkley, are paradoxically situated during the second term of Franklin Delano Roosevelt, whose New Deal had made liberalism a fixture of American politics and society. *The End of Reform* shows how the liberalism of the early New Deal—which set out to repair and, if necessary, restructure America's economy—gave way to its contemporary counterpart, which is less hostile to corporate capitalism and more solicitous of individual rights. Clearly and dramatically, Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular. It is both a major reinterpretation of the New Deal and a crucial map of the road to today's political landscape.

Kaplan's, 5-Steps, Crash Course and the others are great resources for reviewing in the last month before the exam, but Tamm's Textbook Tools workbooks accompany students all year long. This AP U.S. History companion is filled with vocab and assignments that follow the Brinkley book for all 32 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be done as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. When publishers started putting their content online, it opened a niche for traditional school assignments, a void filled by this series. Additionally, whether the textbook itself is written in ink or electrons, many students still like to write and keep notes for themselves, and portfolios still matter. These activities challenge students to apply the concepts, give examples, and diagram each chapter. Find TTT on FB.

Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling survey text invites students to think critically about the many forces that continually create the Unfinished Nation that is the United States. In a concise but wide-

ranging narrative, Brinkley shows the diversity and complexity of the nation and our understanding of its history--one that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This sixth edition features a new series of Patterns of Popular Culture essays, as well as expanded coverage of pre-Columbian America, new America in the World essays, and updated coverage of recent events and developments that demonstrates how a new generation continues to shape the American story.

The study of two great demagogues in American history--Huey P. Long, a first-term United States Senator from the red-clay, piney-woods country of northern Louisiana; and Charles E. Coughlin, a Catholic priest from an industrial suburb near Detroit. Award-winning historian Alan Brinkley describes their modest origins and their parallel rise together in the early years of the Great Depression to become the two most successful leaders of national political dissidence of their era. *Winner of the American Book Award for History*

Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling program for the U.S. survey course invites students to think critically about the many forces that continually create the Unfinished Nation that is the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and our understanding of its history--one that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This edition features a series of Patterns of Popular Culture essays, as well as expanded coverage of pre-Columbian America, new America in the World essays, and updated coverage of recent events and developments that demonstrates how a new generation continues to shape the American story.

Alan Brinkley's American History sets the standard for balance of perspective and the exploration of ongoing historical questions. In this AP edition, we are pleased to announce a number of firsts for American History: a new primary-source feature that makes connections between the present and the past; a new pedagogy program that helps students to comprehend and think critically about content; and a groundbreaking set of digital tools, powered by Connect; that create a unique learning environment. The result is greater course success. Connect to the stories, connect to the experience, connect to success in history. - Back cover. Examines the urge for progress and reform from 1890 to 1940, describes the motives of the reformers and the opposition they faced

Few American historians of his generation have had as much influence in both the academic and popular realms as Alan Brinkley. His debut work, the National Book Award-winning *Voices of Protest*, launched a storied career that considered the full spectrum of American political life. His books give serious and original treatments of populist dissent, the role of mass media, the struggles of liberalism and conservatism, and the powers and limits of the presidency. A longtime professor at Harvard University and Columbia University, Brinkley has shaped the field of U.S. history for generations of students through his textbooks and his mentorship of some of today's foremost historians. *Alan Brinkley: A Life in History* brings together essays on his major works and ideas, as well as personal reminiscences from leading historians and thinkers beyond the academy whom Brinkley collaborated

with, befriended, and influenced. Among the luminaries in this volume are the critic Frank Rich, the journalists Jonathan Alter and Nicholas Lemann, the biographer A. Scott Berg, and the historians Eric Foner and Lizabeth Cohen. Together, the seventeen essays that form this book chronicle the life and thought of a working historian, the development of historical scholarship in our time, and the role that history plays in our public life. At a moment when Americans are pondering the plight of their democracy, this volume offers a timely overview of a consummate student—and teacher—of the American political tradition.

Highly-respected for its impeccable scholarship and elegant writing style, American History: A Survey provides students and instructors with a comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, however, the book explores areas of history such as social, cultural, urban, racial and ethnic history, more history of the West and South, environmental history, and the history of women and gender. In addition, American history has not evolved in a vacuum, but as part of a larger global world. The eleventh edition of this text places American history into that global context, making connections for students who live in an ever-expanding world themselves.

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Known for its balanced voice and approachable scholarship, Alan Brinkley's best-selling *The Unfinished Nation* offers a concise, yet thorough survey of American History appropriate for students at all levels. The 8th edition features new scholarship and updated discussions, most significantly on the topics of War, American Imperialism, and Globalization. Brinkley's accessible narrative is available as a digital SmartBook™, a personalized eBook that enhances understanding by asking students to demonstrate comprehension as they read. It is also supported by engaging digital tools, such as interactive maps, that encourage critical thinking and retention of key course concepts.

The new AP* Edition of Alan Brinkley's American History © 2015 fully addresses the newly enhanced AP United States History Curriculum, providing students with guidance and support to master key concepts and themes, develop historical thinking skills, and succeed on the new AP U.S. History Exam. --

Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling program for the U.S. survey course invites students to think critically about the many forces that continually create the Unfinished Nation that is the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and our understanding of its history--one that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives

on the past. This edition features a series of Patterns of Popular Culture essays, as well as expanded coverage of pre-Columbian America, new America in the World essays, and updated coverage of recent events and developments that demonstrates how a new generation continues to shape the American story. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Professor Brinkley looks at the time in American history when the idea of the American dream first emerged -- the Great Depression. To illustrate the variety of ways in which the American people have defined the dream, Brinkley discusses four interpretations of the Great Depression, described as persistence, empathy, rebellion, and community.

Known for its balanced voice and approachable scholarship, Alan Brinkley's best-selling *The Unfinished Nation* offers a concise, yet thorough survey of American History appropriate for students at all levels. With new authors and new scholarship added to the team for the 9th edition, the panorama of history will be covered even more thoroughly. The 9th edition will feature new scholarship on treatment of Native Americans, the effects of the Revolutionary War, the Civil Rights Movement, and the effects of modern warfare on American History.

Discusses the impact of Franklin Roosevelt, Robert Penn Warren, T. Harry Williams, Huey Long, Allard Lowenstein, and Oral Roberts upon American political culture

Study guide to the first volume of a survey of the history of the USA. Balancing the social and cultural issues with the political and diplomatic, the book includes historiographical debates, new attention to native American history and revised sections on women's history.

"No president since the founders has done more to shape the character of American government," notes Alan Brinkley in this magnificent biography of America's thirty-second president. "And no president since Lincoln has served through darker or more difficult times. Roosevelt thrived in crisis. It brought out his greatness, and his guile. It triggered his almost uncanny ability to communicate effectively with people of all kinds. And at times, it helped him excoriate his enemies, and to revel in doing so." This brilliant, compact biography chronicles Franklin Delano Roosevelt's rise from a childhood of privilege to a presidency that forever changed the face of international diplomacy, the American party system, and the government's role in global and domestic policy. Brinkley, the National Book Award-winning New Deal historian, provides a clear, concise introduction to Roosevelt's sphinx-like character and remarkable achievements. In a vivid narrative packed with telling anecdotes, the book moves swiftly from Roosevelt's youth in upstate New York--characterized by an aristocratic lifestyle of trips to Europe and private tutoring--to his schooling at Harvard, his brief law career, and his initial entry into politics. From there, Brinkley chronicles Roosevelt's rise to the presidency, a position in which FDR remained until death, through an unparalleled three-plus terms in office. Throughout the book, Brinkley elegantly blends FDR's personal life with his professional one, providing a lens into the President's struggles with polio and his somewhat distant relationship with the first lady. Franklin Delano Roosevelt led the United States through the worst economic crisis in the nation's history and through the greatest and most terrible war ever recorded. His extraordinary legacy remains alive in our own troubled new century as a reminder of what bravery and strong leadership can accomplish.

Put the work of a Pulitzer prize-winning author in your students' hands every day *The American Vision* boasts an exceptional author team
