

Alexander The Great Philip Freeman

Robin Waterfield

Alexander the Great Philip Freeman, 2011-10-18 In the first authoritative biography of Alexander the Great written for a general audience in a generation, classicist and historian Philip Freeman tells the remarkable life of the great conqueror. The celebrated Macedonian king has been one of the most enduring figures in history. He was a general of such skill and renown that for two thousand years other great leaders studied his strategy and tactics, from Hannibal to Napoleon, with countless more in between. He flashed across the sky of history like a comet, glowing brightly and burning out quickly: crowned at age nineteen, dead by thirty-two. He established the greatest empire of the ancient world; Greek coins and statues are found as far east as Afghanistan. Our interest in him has never faded. Alexander was born into the royal family of Macedonia, the kingdom that would soon rule over Greece. Tutored as a boy by Aristotle, Alexander had an inquisitive mind that would serve him well when he faced formidable obstacles during his military campaigns. Shortly after taking command of the army, he launched an invasion of the Persian empire, and continued his conquests as far south as the deserts of Egypt and as far east as the mountains of present-day Pakistan and the plains of India. Alexander spent nearly all his adult life away from his homeland, and he and his men helped spread the Greek language throughout western Asia, where it would become the lingua franca of the ancient world. Within a short time after Alexander's death in Baghdad, his empire began to fracture. Best known among his successors are the Ptolemies of Egypt, whose empire lasted until Cleopatra. In his lively and authoritative biography of Alexander, classical scholar and historian Philip Freeman describes Alexander's astonishing achievements and provides insight into the mercurial character of the great conqueror. Alexander could be petty and magnanimous, cruel and merciful, impulsive and farsighted. Above all, he was ferociously, intensely competitive and could not tolerate losing—which he rarely did. As Freeman explains, without Alexander, the influence of Greece on the ancient world would surely not have been as great as it was, even if his motivation was not to spread Greek culture for beneficial purposes but instead to unify his empire. Only a handful of people have influenced history as Alexander did, which is why he continues to fascinate us.

Julius Caesar Philip Freeman, 2008 Retells the life and death of the famous Roman ruler, using contemporary documentation to present him as a skilled general, politician, and orator.

Hannibal Philip Freeman, 2022-02-01 Telling the story of a man who stood against the overwhelming power of the mighty Roman empire, Hannibal is the biography of a man who, against all odds, dared to change the course of history. Over

two thousand years ago one of the greatest military leaders in history almost destroyed Rome. Hannibal, a daring African general from the city of Carthage, led an army of warriors and battle elephants over the snowy Alps to invade the very heart of Rome's growing empire. But what kind of person would dare to face the most relentless imperial power of the ancient world? How could Hannibal, consistently outnumbered and always deep in enemy territory, win battle after battle until he held the very fate of Rome within his grasp? Hannibal appeals to many as the ultimate underdog—a Carthaginian David against the Goliath of Rome—but it wasn't just his genius on the battlefield that set him apart. As a boy and then a man, his self-discipline and determination were legendary. As a military leader, like Alexander the Great before him and Julius Caesar after, he understood the hearts of men and had an uncanny ability to read the unseen weaknesses of his enemy. As a commander in war, Hannibal has few equals in history and has long been held as a model of strategic and tactical genius. But Hannibal was much more than just a great general. He was a practiced statesman, a skilled diplomat, and a man deeply devoted to his family and country. Roman historians—on whom we rely for almost all our information on Hannibal—portray him as a cruel barbarian, but how does the story change if we look at Hannibal from the Carthaginian point of view? Can we search beneath the accounts of Roman writers who were eager to portray Hannibal as a monster and find a more human figure? Can we use the life of Hannibal to look at the Romans themselves in an unfamiliar way— not as the noble and benign defenders of civilization but as ruthless conquerors motivated by greed and conquest?

Alexander the Great Rob Shone, 2005-01-15 In graphic art format, presents the life of Alexander the Great, who became king of Macedonia in 336 B.C. and conquered the ancient world's largest empire.

Heroes of Olympus Philip Freeman, 2012-05-01 Accessible, fast-paced retellings of the most important classical Greek and Roman myths, adapted for middle graders. Ancient myths continue to have modern relevance—for thousands of years they have been the basis for plays, operas, paintings, and movies. And in these retellings from acclaimed writer and scholar Philip Freeman, classic tales from Greek and Roman mythology find new life and inspire aspiring writers, artists, and musicians. Adapted from the lengthier *Oh My Gods* and specially tailored to a younger audience, these irresistible stories of philandering gods, flawed heroes, and tragic lovers portray the fundamental aspects of humanity and are filled with entertaining drama and valuable insights. Sixty dramatic illustrations enliven the book.

Ireland and the Classical World Philip Freeman, 2001 Beyond Britain is Iuverna [Ireland], almost the same in area, but oblong with coasts of equal length on both sides. The climate is unfavorable for the ripening of grain, but yet it is so fertile for grass, not only abundant but sweet, that livestock eat their fill in a small part of the day. Unless they were restrained from this pasturage, they would burst from feeding too long. The inhabitants of this island are unrefined, ignorant of all the virtues more than any other people, and totally lack all sense of duty. -- POMPONIUS MELA (C. A.D. 44) On the boundary of what the ancient Greeks and Romans considered the habitable world, Ireland was land of myth and mystery in classical times.

Classical authors frequently portrayed its people as savages -- even as cannibals and devotees of incest -- and evinced occasional uncertainty as to the island's shape, size, and actual location. Unlike neighboring Britain, Ireland never knew Roman occupation, yet literary and archaeological evidence prove that Iuverna was more than simply terra incognita in classical antiquity. In this book, Philip Freeman explores the relations between ancient Ireland and the classical world through a comprehensive survey of all Greek and Latin literary sources that mention Ireland. He analyzes passages (given in both the original language and English) from over thirty authors, including Julius Caesar, Strabo, Tacitus, Ptolemy, and St. Jerome. To amplify the literary sources, he also briefly reviews the archaeological and linguistic evidence for contact between Ireland and the Mediterranean world. Freeman's analysis of all these sources reveals that Ireland was known to the Greeks and Romans for hundreds of years and that Mediterranean goods and even travelers found their way to Ireland, while the Irish at least occasionally visited, traded, and raided in Roman lands. Everyone interested in ancient Irish history or Classics, whether scholar or enthusiast, will learn much from this pioneering book.

The Life of Alexander the Great Plutarch, 2004-04-13 In 336 b.c. Philip of Macedonia was assassinated and his twenty-year-old son, Alexander, inherited his kingdom. Immediately quelling rebellion, Alexander extended his father's empire through-out the Middle East and into parts of Asia, fulfilling the soothsayer Aristander's prediction that the new king "should perform acts so important and glorious as would make the poets and musicians of future ages labour and sweat to describe and celebrate him." The Life of Alexander the Great is one of the first surviving attempts to memorialize the achievements of this legendary king, remembered today as the greatest military genius of all time. This exclusive Modern Library edition, excerpted from Plutarch's Lives, is a riveting tale of honor, power, scandal, and bravery written by the most eminent biographer of the ancient world.

Philip II of Macedonia Richard A. Gabriel, 2010 Philip II of Macedonia (382-336 BCE), unifier of Greece, author of Greece's first federal constitution, founder of the first territorial state with a centralized administrative structure in Europe, forger of the first Western national army, first great general of the Greek imperial age, strategic and tactical genius, and military reformer who revolutionized warfare in Greece and the West, was one of the greatest captains in the military history of the West. Philip prepared the ground, assembled the resources, conceived the strategic vision, and launched the first modern, tactically sophisticated and strategically capable army in Western military history, making the later victories of his son Alexander possible. Philip's death marked the passing of the classical age of Greek history and warfare and the beginning of its imperial age. To Philip belongs the title of the first great general of a new age of warfare in the West, an age that he initiated with his introduction of a new instrument of war, the Macedonian phalanx, and the tactical doctrines to ensure its success. As a practitioner of the political art, Philip also had no equal. In all these things, Philip exceeded Alexander's triumphs. This book establishes Philip's legitimate and deserved place in military history, which, until now, has been largely

minimized in favor of his son by the classicist writers who have dominated the field of ancient biography. Richard Gabriel, renowned military historian, has given us the first military biography of Philip II of Macedonia.

Ghost on the Throne James Romm, 2012-11-13 When Alexander the Great died at the age of thirty-two, his empire stretched from the Adriatic Sea in the west all the way to modern-day India in the east. In an unusual compromise, his two heirs—a mentally damaged half brother, Philip III, and an infant son, Alexander IV, born after his death—were jointly granted the kingship. But six of Alexander's Macedonian generals, spurred by their own thirst for power and the legend that Alexander bequeathed his rule "to the strongest," fought to gain supremacy. Perhaps their most fascinating and conniving adversary was Alexander's former Greek secretary, Eumenes, now a general himself, who would be the determining factor in the precarious fortunes of the royal family. James Romm, professor of classics at Bard College, brings to life the cutthroat competition and the struggle for control of the Greek world's greatest empire.

St. Patrick of Ireland Philip Freeman, 2005-03 An authoritative modern portrait of Ireland's patron saint and the letters that revealed intimate information about his belief system and life in Ireland.

Alexander The Great Henry Freeman, 2016-03-21 What does it mean to be great? There have been many that have come through the sands of time proclaiming their own greatness. We see it in the news every day; leaders, heroes, tyrants, and even reality star presidential candidates claim that they are great. But what about Alexander the Great? Inside you will read about... □ Alexander and the Happiness of Horses □ Aristotle and the First Day of School □ Philip's Family Drama □ Enemies and Friends □ The Real Battle Begins □ Changing Tides □ Signs and Wonders □ In Pursuit of Darius □ Historical Autopsy The young man from Macedonia that took the world by storm creating one of the world's first major empires? He singlehandedly changed the course of history within a decade. Read along with us to figure out just what made Alexander so great.

The Virtues of War Steven Pressfield, 2005-09-27 I have always been a soldier. I have known no other life. So begins Alexander's extraordinary confession on the eve of his greatest crisis of leadership. By turns heroic and calculating, compassionate and utterly merciless, Alexander recounts with a warrior's unflinching eye for detail the blood, the terror, and the tactics of his greatest battlefield victories. Whether surviving his father's brutal assassination, presiding over a massacre, or weeping at the death of a beloved comrade-in-arms, Alexander never denies the hard realities of the code by which he lives: the virtues of war. But as much as he was feared by his enemies, he was loved and revered by his friends, his generals, and the men who followed him into battle. Often outnumbered, never outfought, Alexander conquered every enemy the world stood against him—but the one he never saw coming. . . . BONUS: This edition contains an excerpt from Steven Pressfield's *The Profession*.

The Nature of Alexander Mary Renault, 2013-09-10 An "intriguing and invaluable" biography of Alexander the Great by the novelist whose fiction redefined Ancient Greece (The New York Times). Acclaimed writer Mary Renault is widely known

for her provocative historical novels of Alexander the Great and his lovers. But she also authored this nonfiction classic, a fresh, illuminating look at a man whose legend has remained larger than life for more than two thousand years. From his dysfunctional family dynamics to his molding under Aristotle, from his shocking rise to power at age twenty to the staggering violence of his military campaigns, Renault is clear-eyed about Alexander's accomplishments and his flaws. Infectious in its enthusiasm, this is a penetrating study of an unrivaled conqueror, enduring icon, and fascinating man. Hailed as both "a splendid achievement in nonfiction" (The Plain Dealer) and "the perfect companion to her Alexander novels" (The Wall Street Journal), Renault's engrossing and accessible biography stands alone in the pantheon of Alexander the Great literature. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Philip and Alexander Adrian Goldsworthy, 2020-10-13 This definitive biography of one of history's most influential father-son duos tells the story of two rulers who gripped the world -- and their rise and fall from power. Alexander the Great's conquests staggered the world. He led his army across thousands of miles, overthrowing the greatest empires of his time and building a new one in their place. He claimed to be the son of a god, but he was actually the son of Philip II of Macedon. Philip inherited a minor kingdom that was on the verge of dismemberment, but despite his youth and inexperience, he made Macedonia dominant throughout Greece. It was Philip who created the armies that Alexander led into war against Persia. In Philip and Alexander, classical historian Adrian Goldsworthy shows that without the work and influence of his father, Alexander could not have achieved so much. This is the groundbreaking biography of two men who together conquered the world.

Alexander (From Plutarch.) Plutarch, 2025-02-15 Reprint of the original, first published in 1883.

The Gospel of Mary Philip Freeman, 2017-09-05 A young Irish nun finds herself the guardian of a mysterious manuscript claiming to be the lost gospel of Mary, when she realizes that church authorities are willing to kill to get their hands on it . . . An old and dying nun has turned up at Deirdre's monastery in Ireland with an ancient manuscript on a papyrus roll. When Deirdre reads the first line, she realizes it claims to be a previously unknown gospel written by Mary, the mother of Jesus. The church authorities in Rome have been seeking to destroy this gospel for centuries, claiming it is a forgery that threatens the very foundations of the faith. Deirdre begins to translate the gospel, but when a delegate of the pope arrives in Kildare searching for the text, she must set out across Ireland seeking safety as the church and its henchmen are hot on her trail. What does the gospel say? And why is the church so afraid of it?

The Persian Boy Mary Renault, 2013-09-10 A New York Times-bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls "a shining light." The Persian Boy centers on the most tempestuous years of Alexander the Great's life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he

is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king's life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. The Persian Boy is the second volume of the Novels of Alexander the Great trilogy, which also includes *Fire from Heaven* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

Celtic Mythology Philip Freeman, 2017-02-01 Most people have heard of the Celts--the elusive, ancient tribal people who resided in present-day England, Ireland, Scotland and France. Paradoxically characterized as both barbaric and innocent, the Celts appeal to the modern world as a symbol of a bygone era, a world destroyed by the ambition of empire and the spread of Christianity throughout Western Europe. Despite the pervasive cultural and literary influence of the Celts, shockingly little is known of their way of life and beliefs, because very few records of their stories exist. In this book, for the first time, Philip Freeman brings together the best stories of Celtic mythology. Everyone today knows about the gods and heroes of the ancient Greeks, such as Zeus, Hera, and Hercules, but how many people have heard of the Gaulish god Lugus or the magical Welsh queen Rhiannon or the great Irish warrior Cú Chulainn? We still thrill to the story of the Trojan War, but the epic battles of the Irish Táin Bó Cuailgne are known only to a few. And yet those who have read the stories of Celtic myth and legend--among them writers like J. R. R. Tolkien and C. S. Lewis--have been deeply moved and influenced by these amazing tales, for there is nothing in the world quite like them. In these stories a mysterious and invisible realm of gods and spirits exists alongside and sometimes crosses over into our own human world; fierce women warriors battle with kings and heroes, and even the rules of time and space can be suspended. Captured in vivid prose these shadowy figures--gods, goddesses, and heroes--come to life for the modern reader.

Dividing the Spoils Robin Waterfield, 2012-10-11 A gripping account of one of the great forgotten wars of history, revealing how Alexander the Great's vast empire was torn asunder in the years after his death

Alexander The Great Philip Freeman Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Alexander The Great Philip Freeman**, a literary

masterpiece that delves deep to the significance of words and their impact on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall impact on readers.

Alexander The Great Philip Freeman Introduction

Alexander The Great Philip Freeman Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Alexander The Great Philip Freeman Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Alexander The Great Philip Freeman : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Alexander The Great Philip Freeman

: Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Alexander The Great Philip Freeman Offers a diverse range of free eBooks across various genres. Alexander The Great Philip Freeman Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Alexander The Great Philip Freeman Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Alexander The Great Philip Freeman , especially related to Alexander The Great Philip Freeman , might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Alexander The Great Philip Freeman , Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Alexander The Great Philip Freeman

books or magazines might include. Look for these in online stores or libraries. Remember that while Alexander The Great Philip Freeman , sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Alexander The Great Philip Freeman eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Alexander The Great Philip Freeman full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Alexander The Great Philip

Freeman eBooks, including some popular titles.

FAQs About Alexander The Great Philip Freeman Books

1. Where can I buy Alexander The Great Philip Freeman books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Alexander The

Great Philip Freeman book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).

Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.

Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Alexander The Great Philip Freeman books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and

Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Alexander The Great Philip Freeman audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms

like Goodreads have virtual book clubs and discussion groups.

10. Can I read Alexander The Great Philip Freeman books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
