Slow Burn Historical Fantasy Novel Elise had about to change into the dress that was lying on the corner of her bed when she heard a knock lightly calling from her door. Curious, she turned the door knob only to have a tall man towering in front of her. "Master Ian!" She called. Ian smiled with the usual mischievous smirk that he always used. His crimson eyes trailing a little over her room and spotted the black dress over her bed and shifted his eyes over to the woman in front of him. He stepped forward and spoke. "Where did you acquire that dress?" "Mr. Harland gave it to me." Elise replied and strained her neck to see Ian's brows knitted in its elegance. "Do you know why a man would love to give a woman a dress?" He gave the riddle that she always had to think twice before replying. But this time, she found no answer and instead shook her head. "I don't know." His grin grew bewitching as though something had stirred deep inside the scarlet eyes that he had. He slowly slid his hand over the collar of her dress, sending a cold shiver that startled her for a moment due to its freezing temperature. After unbuttoning the first two buttons on her collar, he tilted his head down, whispering to her ears. "Because they want to be the one to undress the cloth." He paused and kissed her neck, turning the pale skin to red before retracting his move to fix his eyes on her and leisurely replied. "Unfortunately, you can't wear the dress over there with this." He chuckled and passed a box over to her hand. "And the fortunate news is I prepared a dress for you." Elise was a cursed little girl who could see ghosts. Her family hated her and threw her from one adoptive family to another. However, misfortune didn't act alone. When she was brought up by her aunt, she was sold as a slave. When she had thought she would become nothing but a sacrifice to the sorcerer, she was saved by a man whose identity was far different than a normal mythical being. *** This book is ORIGINAL and it is not Translation Join Author's discord: <https://discord.gg/YPKueb4>

Worldly and influential, Merrick William Hasting, Earl of Huntingdon, is the catch of the season. It is expected of him to propose the belle of the ton. On his way to his country estate, Merrick saves a youth name Chris from being beaten to death and takes him to his grand home. Suddenly, Merrick begins to feel an undercurrent of emotions toward Chris, emotions he has lost since the mysterious death of his wife. Not to mention an attraction of the sexual type so powerful, he thinks he has gone mad. The desire is entirely unnatural and against God's rule of nature, and he must at all cost annihilate his sinful craving. Shy and loyal to her boot, Christine Smith is disguising herself as a lad in order to protect herself and her family. After Merrick has saved her and fostered her in his home, her devotion and love for him knows no bound. She, however, is very confused and hurt when he starts pushing her away after the arrival of his guests. She knows those vile, scheming beautiful women are competing for his hand in marriage, and she uses her wits and tricks to protect him. Trying to convince the stubborn man so, however, is very hard indeed, especially where his heart is concern.

Highland Kiss is a contemporary romance with a Scottish, alpha male hero and a sassy, virgin heroine. They are flawed, passionate, and very relatable to readers who enjoy sensual contemporary romance. Ruby Williams-Chan is ecstatic when the man of her dream, Brian, invites her to his ancestor's home on her big overseas trip. Her plan of a romantic holiday, however, goes haywire when a hunky Scotsman abducts her to his Highland Manor. Ruby is outraged by this arrogant brute who sets her pulse racing and is determined to escape at all cost. Her attempts, however, are futile, and the only option available is to wait for Brian to rescue her while she plays cat and mouse with her captor. In order to help his sister, Susan, and her ex-fiancé, Brian, get back together, over protective brother Alec Hasting whisks the woman he convinced is standing in the way to his isolated country estate. Making the beauty stay put and out of trouble, however, is harder than Alec imagined. Worst of all, he finds her terribly desirable, her sweet innocence and strong spirit truly refreshing, and that he's falling in love with her.
