From acclaimed musician Alicia Keys comes a revealing songbook of collected poems and lyrics that document her growth as a person, a woman, and an artist. "All my life, I've written these words with no thought or intention of sharing them. Not even with my confidants. These are my most delicate thoughts. The ones that I wrote down just so I could understand what in the world these things I was thinking meant..." When she burst onto the music scene with her multi-million bestselling, Grammy® Award-winning first album, Songs in A Minor, Alicia Keys became a superstar. Two decades later, her career has expanded into producing, acting, and passionate activism—winning her worldwide acclaim, numerous awards, and a spot on Time's list of "The 100 Most Influential People." Though Alicia has been very vocal through her career, there were always "delicate thoughts" that she never before imagined she'd share with anyone else—until now. In Tears for Water, Alicia Keys opens the journals and notebooks that she has kept throughout her life and reveals her heart to her fans in return for all the love they have shown to her and her music. Hello morning now I see you cause I am awake What was once so sweet and secure has turned out to be fake Girl, you can't be scared gotta stand up tall and let 'em see what shines in you Push aside the part lying in your heart like the ocean is deep, dark and blue —from Golden Child

I have gone through some ruff and crazy times in my life. I have traveled the word and experienced different things in my life. From being raised by a pimp and drug dealer to having a great job and losing it to not having a place of my own to lay my head. But through perseverance I have made it through the fire and came out blessed by God! At a young age, I guess some would call it a gift, but I have always had the gift of poetry. And thank God, he found something in me to be able to share with the world. And from some awesome minister's in my life from the late Rev Wooten, Rev King, Bishop Andrew Ford and last but not least Pastor Niki Hampton and my BMF Pastor Mark Hampton I have been able to stay the course and maintain the spiritual foundation from some of the pastors mention above. So now I would just like to share some of the poems and thoughts in this book with the world. I feel that poetry has helped me throughout my life with some things that should have had me laying on a leather couch talking to a doctor. But God is great, and he is my psychiatrist, and my writing helps me through when I need an outlet. So, I hope that when reading this book, it might help you one day, and you can pass it on to someone. Some of the poems are just what I like to think are good reads but others I hope are therapy for others. God Bless you and please pass on the words of encouragement in the book. Thank You!

An intimate, revealing look at one artist's journey from self-censorship to full expression As one of the most celebrated musicians in the world, Alicia Keys has enraptured the globe with her heartfelt lyrics, extraordinary vocal range, and soul-stirring piano compositions. Yet away from the spotlight, Alicia has grappled with private heartache—over the challenging and complex relationship with her father, the people-pleasing nature that characterized her early career, the loss of privacy surrounding her romantic relationships, and the oppressive expectations of female perfection. Since Alicia rose to fame, her public persona has belied a deep personal truth: she has spent years not fully recognizing or honoring her own worth. After withholding parts of herself for so long, she is at last exploring the questions that live at the heart of her story: Who am I, really? And once I discover that truth, how can I become brave enough to embrace it? More Myself is part autobiography, part narrative documentary. Alicia's journey is revealed not only through her own candid recounting, but also through vivid recollections from those who have walked alongside her. The result is a 360-degree perspective on Alicia's path, from her girlhood in Hell's Kitchen and Harlem to the process of growth and self-discovery that we all must navigate. In More Myself, Alicia shares her quest for truth—about herself, her past, and her shift from sacrificing her spirit to celebrating her worth. With the raw honesty that epitomizes Alicia's artistry, More Myself is at once a riveting account and a clarion call to readers: to define themselves in a world that rarely encourages a true and unique identity.
