Prathana: Prayers of Bhakti Marga – Complete with Translations and Vedic Chants BoD – Books on Demand
Srimad-Bhagavatam, an epic philosophical and literary classic, holds a prominent position in India's voluminous written wisdom. The timeless wisdom of India is expressed in the Vedas, ancient Sanskrit texts that touches upon all fields of human knowledge. Originally preserved through oral tradition, the Vedas were first put into writing by Srila Vyasadeva, the "literary incarnation of God." After compiling the Vedas, Srila Vyasadeva was inspired by his spiritual master to present their profound essence in the form of Srimad-Bhagavatam. Known as "the ripened fruit of the tree of Vedic literature," Srimad-Bhagavatam is the most complete and authoritative exposition of Vedic knowledge. After writing the Bhagavatam, Vyasa taught it to his son, Shukadeva Goswami, who later spoke the Bhagavatam to Maharaja Parikshit in an assembly of sages on the bank of the sacred Ganges River. Although Maharaja Parikshit was a great rajarshi (saintly king) and the emperor of the world, when he received notice of his death seven days in advance, he renounced his entire kingdom and retired to the bank of the Ganges to seek spiritual enlightenment. The questions of King Parikshit and Shukadeva Goswami's illuminating answers, concerning everything from the nature of the self to the origin of the universe, are the basis of Srimad-Bhagavatam. This edition of Bhagavatam is the only complete English translation with an elaborate and scholarly commentary, and it is the first edition widely available to the English-reading public. This work is the product of the scholarly and devotional effort of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, the world's most distinguished teacher of Indian religious and philosophical thought. His Sanskrit scholarship and intimate familiarity with Vedic culture combine to reveal to the West a magnificent exposition of this important classic.

Collective biographies and Vaishnava pilgrims in Vrindavan.

About five hundred years ago, Sri Caitanya Mahaprabhu predicted that His name would be chanted in every town and village of the world. Traveling on foot for almost six years, He inundated the Indian subcontinent with the mahamantra and established the superiority of kṛṣṇa-bhakti. Gaurāṅga traveled only in India, and to accomplish the phenomenal task of spreading the "great mantra for deliverance" to every nook and cranny of the planet, He sent His empowered senapati-bhakta – commander-in-chief and pure devotee – Sri Prabhupada.

Among the priceless books contributed by Srila Sanatana Gosvami to the literary heritage of the Gaudiya Vaishnavas, his Sri Krsna-lila-stava is the shortest and simplest. An offering of praise in 432 verses, it gives a personal meditation of Krishna's Vrindavana pastimes as told by Sukadeva in Srimad-Bhagavatam. This is an authentic spiritual work that has inspired Gaudiya Vaishnavas for centuries. Able to touch both heart and mind, it steps forward from a living tradition to bear witness to the working of the spirit. This edition of the Sri Krsna-lila-stava is especially praiseworthy because it gives a scholarly but easily understandable translation of the Sanskrit text interspersed with helpful and sensitive commentaries. In Sri Krsna-lila-stava, Sanatana evokes remembrances of Krishna's childhood pastimes by summarizing Sukadeva's narration in simple verses. These verses give us a taste of Krishna's Vrindavana pastimes, one after another, thus immersing us in the nectar of the Bhagavatam.

Mispronunciation is nothing to feel ashamed of. Learning a foreign grammar is difficult, and learning to pronounce a foreign language is even more difficult. This is because our tongues are conditioned by our native language.

Packed with realistic advice on how to practice Krishna consciousness in a complex world. With many valuable philosophical insights and perspectives of guru-disciple interactions in the age of the internet From the Preface: "Patropadesa (patra—letter; upadesa—instruction, advice) consists of selected correspondence with disciples and other devotees. Circa 1997, I considered that some of the content of my letters to individuals might be useful for others also, and thus I started to collect relevant texts with the intention of later publishing them as an anthology. Now, some fifteen years later, this volume is the result. This compilation is intended primarily for my direct disciples and others who are familiar and comfortable with my stringent approach to Krishna consciousness. Many of the letters featured herein deal with grave and sensitive topics and therefore offer insights into the practical application of the teachings of Krishna consciousness in today's highly disturbed world. However, I have chosen not to include most of the polemic missives that I have written over the years regarding various contentious issues within ISKCON, as I feel that such matters require comprehensive analyses rather than decontextualized and incomplete perspectives. Nonetheless, this book is evidence that gurus in ISKCON must contend with many weighty topics and do not, as some persons seem to believe, merely bask in adulation." - Bhakti Vikasa Swami

Swami Tapasyanandaji Maharaj the Author of the book 'Vishnu Sahasranama' (literally: "the thousand names of Vishnu") has presented with text in Devanagari transliteration and translation to the reader, a list of 1000 names for Vishnu, one of the main forms of God in Hinduism and the Supreme Person for Vaishnavas (followers of Vishnu). More particularly the Vishnu Sahasranama is one of the most sacred and chanted stotras in Hinduism. It is recited often with a preface as a prayer by many Vaishnavas and other Hindus.

The hero's quest for the extraordinary – an ever-recurring theme in literature – reflects the urge of every heart at its noblest to discover the full possibilities of life. Anyone dissatisfied with the scant potential of mundane existence is naturally stimulated by the prospect of finding, even vicariously, a world of greater liberty. There should be some better place for the soul. Why should happiness be so elusive, and why should confusion and resentment always shroud the mind's eye, making it unable to see clearly what is in front of it? Srila Sanatana Gosvami's Brhad-bhagavatamrta, written in Sanskrit nearly five hundred years ago, is a gemlike example of the quest genre, but different from the sort commonly encountered in fable and fiction. Narada and Gopa-kumara, the respective heroes of this book's two parts, are searching for a key to fulfillment much subtler than wealth, influence, mundane love, the Fountain of Youth, or even the Holy Grail. Narada has vast experience of the cosmos; Gopa-kumara is illiterate and naive; yet they share the same vision of what is most valuable. What both want is not to conquer or exploit on any level, but to explore the mystery of selfless service. As Narada already knows, and Gopa-kumara will gradually learn, the superior mode of life they seek is personal and defined by the interplay of those who take part in it, rather than by material laws of nature. In Volume One of Sri Brhad-Bhagavatamrta, the great sage Narada, a pure devotee of Krishna, travels from earth to heaven and the spiritual world in search of the greatest recipient of Krishna's mercy. As he proceeds on his journey, Narada meets many pure devotees of Krishna and gives evidence to show how that devotee has been favored by Krishna. Each devotee, embarrassed to hear himself praised, recommends that Narada visit another devotee. Narada sees greater and greater manifestations of Krishna's mercy, until he finds those pure souls who embody the complete manifestation of Krishna's mercy – the exalted gopis of Vraja. Join Narada on his quest and discover his awe, love, and deepest appreciation as he grasps the gopis' position as Krishna's best devotees.

Ecstatic Dancing of Lord Chaitanya

On the nature of mind, Brahma, etc., according to the philosophy of Ramakrishna, 1836-1886; originally written in verse in the form of a dialog between the master and his devotee.

Sri Chaitanya-charitamrta is the main work on the life and teachings of Sri Chaitanya Mahaprabhu, the incarnation of Krishna who appeared in India five hundred years ago. Lord Chaitanya introduced the chanting of the holy names of God as the prescribed method of God-realization for our time. He began what is today called the Hare Krishna movement, since the movement's founder, Srila Prabhupada, comes in the Chaitanya line of spiritual masters. Lord Chaitanya transformed the face of India in four respects: philosophically, by encountering, defeating and converting the greatest philosophers and thinkers of His day; religiously, by organizing the largest, most widespread theistic movement in India's history; socially, by His strong challenges to the religious inequities of the caste system; politically, by His organization of a massive civil disobedience movement in Bengal, more than four centuries before Gandhi. This English translation with commentary, by His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, reveals his consummate Bengali and Sanskrit scholarship, his intimate familiarity with the precepts of Sri Chaitanya, and his pure devotion to God.
