Loneliness has reached epidemic proportions, according to many sources. In an age of mobility and fraying civic life, we are all susceptible to its power. But what if loneliness is a necessary part of the human condition? What if it is a current that leads us deeper into belonging--to ourselves, to each other, and to God? In *The Great Belonging*, writer and spiritual director Charlotte Donlon reframes loneliness and offers us a language for the disquiet within. Instead of turning away from the waters of loneliness for fear they will engulf us, she invites us to wade in and see what we find there. In vulnerable, thoughtful prose, Donlon helps us understand our own occasional or frequent loneliness and offers touchpoints for understanding alienation. We can live into the persistent questions of loneliness. We can notice God's presence even when we feel alone in our doubts. Ultimately, Donlon claims, we can find connection that emerges from honesty, and she offers tools, resources, and practices for transforming loneliness into true belonging.

With warmth, understanding, and pastoral skill, Fr. Timothy Gallagher provides here a hopeful invitation to all who struggle to overcome the greatest obstacle of all in the spiritual life — discouragement. Our enemy actively exploits our vulnerabilities, shrewdly leading us time and again into an overwhelming sense of disturbance. But Fr. Gallagher pulls the curtain back on the wiles of the devil, offering gentle reflections that are remarkably effective in lightening the burdens of your day-to-day spiritual life. You'll learn practical ways to find peace amid your spiritual struggles, and patience in the face of even the most intense trials. Best of all, you'll learn how to profit spiritually from the afflictions that beset you. Each reflection in these pages begins with a quotation by Venerable Bruno Lanteri, the holy founder of the Oblates of the Virgin Mary, whose wisdom has guided the uncommonly insightful spirituality of Fr. Gallagher. There is no shame in spiritual desolation. Fr. Gallagher reminds us that the greatest of saints suffered from this affliction. The key is to learn how to draw closer to God in life's darkest moments. Overcoming Spiritual Discouragement is a call to hope . . . a call to solace in time of suffering . . . and a call to stand tall in times of affliction. Read this book, and you'll learn how to enter into the sublime peace and joy that our Lord promises.

2019 Best Book Awards, Finalist: Religion—Christianity Far too many Catholics think of the saints as old, cold, and irrelevant to everyday life. Catechist and spiritual director Bob Burnham, however, experiences the saints as something quite different: beautiful examples of people who, though flawed like us, opened themselves to God's grace and can teach us to do the same. In Little Lessons from the Saints, Burnham skips the typical biographies of saints and offers instead brief but powerful spiritual lessons from 52 different saints, each followed by a short meditation. Chapters are grouped under five main themes: Surrender, Freedom, Pilgrimage, Hospitality, and Loving Knowledge. Burnham succeeds in offering simple ways to apply each saint's particular charism to our own lives. Inspiring and practical, Little Lessons from the Saints helps us realize that we, too, are called to be saints.

Pope Francis has often expressed his concern for the urgent pastoral needs of families in today's society. Underscoring that deep love and concern for the family, the Pope has spent many months speaking on this subject in his weekly Wednesday audience talks. This book is a collection of all of those talks about the family from Dec. 17, 2014 to Sept. 16, 2015. The Pope covers a wide variety of important subjects directly related to family life, speaking in his personal style that offers wisdom and practical insights for the modern family. His words are for families in general, and also directed to the important roles of all those specific persons who make up family life – husbands, wives, parents, children and grandparents. He emphasizes the deep crisis that the family and marriage are undergoing in the Western world, and says that the family is "a new mission field for the Church." He challenges families today to be witnesses to the world of love, fidelity, and service. Some of the specific topics his talks address include: the example of the Holy Family of Nazareth; transmitting the faith; educating the children; family prayer; complementarity of male and female; celebration in family life; mercy and forgiveness; dealing with illness and death; learning the value of work; poverty and economic struggles; evangelizing the culture, and much more. Throughout his addresses, the Holy Father especially emphasizes the primary role of God and faith in family life, and the crucial importance of regular family prayer to draw on God's grace for strength, love, joy and unity within the home. "The true joy which we experience in the family is not superficial; it does not come from material objects, from the fact that everything seems to be going well. . . . True joy comes from a profound harmony between persons, something which we all feel in our hearts." – Pope Francis

Adrienne von Speyr, a renowned mystic and spiritual writer from Switzerland, was received into the Catholic Church at the age of 38 on the Feast of All Saints, 1940, by one of the theological giants of the 20th century, Fr. Hans Urs von Balthasar. He became her spiritual director and confessor until her death in 1967 during which time Adrienne was favored with many gifts of authentic mystical prayer. Balthasar considered one of the central characteristics of Adrienne's prayer to be her transparency to the inspirations she received from God, along with a deep personal communion with the saints. Over a period of many years, Adrienne would see the saints (and other devout people) at prayer, and she would dictate what she saw to Fr.von Balthasar - while she was in a state of mystical prayer. Through a unique charism, she was able to put herself in the place of various individuals to see and describe their prayer, their whole attitude before God. Not all of her subjects are saints in the strict sense of the word, but all struggled, with varying degrees of success, to place their lives at the disposal of their Creator. This book presents these unique mystical insights into the prayer lives of many saints taken from Adrienne's direct visions of them in prayer. Among the long list of saints in this book are St. John the Apostle, St. Augustine, St. Francis, St. Thomas Aquinas, St. Ignatius of Loyola, St. Teresa of Avila, St. John of the Cross, St. John Bosco, St. Bernadette, St. Dominic, St. Edith Stein and many, many more. In this powerful spiritual work, the reader is able to participate in the devotional and spiritual life of the Church throughout the centuries by learning how numerous saints and devout people prayed, thus reflecting on the timelessness and beauty of the prayer of the Church.
