Sheila O'Flanagan's unputdownable bestseller THINGS WE NEVER SAY is a must-read for fans of Jamie Beck and Liane Moriarty. The things we never say: A daughter doesn't say how she feels about the past... A husband is afraid to say that selling the house his wife loves is the only option... A woman hasn't said that even though they live thousands of miles apart, this man is always on her mind... If those things were said, the results could be life-changing. As Abbey - and a whole family she knew nothing of - are about to find out in this warm-hearted, thought-provoking and touching novel.

*** From the acclaimed author of The Flight of Cornelia Blackwood *** Everyone can change their life. But what happens when it hides a secret that changes everything? In 1964, Maggie wakes to find herself in a mental asylum, with no idea who she is or how she got there. Remnants of memories swirl in her mind - a familiar song, a storm, a moment of violence. Slowly, she begins to piece together the past and the events which brought her to this point. In the present day, Jonathan is grieving after the loss of his father. A cold, distant man, he was not easy to love, but at least while he lived there was hope for reconciliation. Then a detective turns up on Jonathan's doorstep to question him about crimes he believes Jonathan's father may have committed long ago... As the two stories interweave, the devastating truth long kept hidden must emerge, and both Maggie and Jonathan are forced to come to terms with the consequences of the shocking and tragic events of over forty years ago. 'Passionate, intriguing and beautifully written ... deserves to stand on the shelf next to Maggie O'Farrell's books. A powerful and talented new voice' Rachel Hore, bestselling author of A Gathering Storm 'If you love Maggie O'Farrell, you will love this' Veronica Henry, bestselling author of The Long Weekend 'A brave and moving story about how much can be lost and what happens next' Alison Moore, author of Booker-shortlisted The Lighthouse

All The Things I Never Said is a collection of poetry and journal-like entries. Throughout the pages you will experience heartbreak, happiness, sadness, and be reminded of what it was like to be a teenager. {written by createspace}

Days before her wedding, Julia Walsh is knocked sideways twice: once by the sudden death of her estranged father...and again when he appears on her doorstep after his funeral, ready to make amends, right his past mistakes and prevent her from making new ones. Surprised to say the least, Julia reluctantly agrees to turn what should have been her honeymoon into a spontaneous road trip with her father to make up for lost time. But when an astonishing secret is revealed about a past relationship, their trip becomes a whirlwind journey of rediscovery that takes them from Montreal to Paris to Berlin and back home again, where Julia learns that even the smallest gestures she might have taken for granted have the power to change her life forever. From international bestselling author Marc Levy, the most widely read writer in France today, comes an unusual and charming love story that reunites a father and daughter, and past and present, in the most unexpected ways.

Beth Chambers' life is no fairytale, even if she feels like a damsel in distress. After four years in a destructive relationship, Beth has decided enough is enough and leaves her girlfriend, taking with her only her dog Dudley, her broken spirit, and a shattered view of life. At her lowest point, she meets Amy Fletcher, a woman who has it all-and whom she believes would never want more than friendship. But what Beth fails to realise is that there are definitely two sides to every story. Could Amy Fletcher be Beth's Princess Charming? Could her story end with a happily ever after?

The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals... They are always somewhat ahead of their time, and their contributions to the world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius": * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime. * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new

ways of thinking. * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas. * How to develop genius reflexes to handle any complex problem and come up with ingenious solution to have people look up to you, always wanting to hear what you have to say. * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want. * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more. All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as

she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

Not your typical letter book, this story uses the alphabet to express the hopes and desires we have for every young life. The words engage the reader and the rhythm entertains the young learner. The illustrations complement the story but also offer additional learning opportunities with the use of color, letters and animals. This story is more than just an alphabet book but a celebration of all the wonders of life.

Judith's marriage to Adam is failing fast. Despite her best efforts, his attention is entirely taken up by his law practice while her existence-if he remembers it-is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep-which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every character counts, "The Things That Fall Away" is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?

I didn't know decisions in arranged marriage were made so quickly. When it comes to love marriage there are huge ifs and buts. That the lovers know and understand each other is never taken into consideration. But when it comes to arranged marriage, parents are ready to throw you to sleep with a complete stranger just because he has a secure job and therefore, a good future. They say getting to know each other automatically develops with time. What the ...!

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology." DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA! DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture. DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device. When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan's family. Will Dan save his family or will millions die?

Distilled through the occluded lens of weird fiction, Michael Kelly's third collection of strange tales is a timely and cogent examination of grief, love, identity, abandonment, homelessness, and illness. All cut through with a curious, quiet menace and uncanny melancholy. Advance Praise for All the Things We Never See "The stories in Michael Kelly's All the Things We Never See balance on the delicate knife edge of the weird, taking place at the moment of incision, just before the blood rushes to the cut. Full of quiet menace and strangeness, with characters bound into odd relationships both to the world and themselves, relationships they themselves often fail to understand, this is weird fiction at its finest." -- Brian Evenson, author of Song for the Unraveling of the World "Michael Kelly's sharp collection of uncanny stories will leave you questioning your relationships, your identity, and reality itself. These stories dig between your ribs and place a cold finger on your heart." -- Paul Tremblay, author of The Cabin at the End of the World, and A Head Full of Ghosts "After having nurtured a sterling reputation as a curator of weird fiction, Michael Kelly here reminds us that he's one of its best practitioners, too. ALL THE THINGS WE NEVER SEE is eerie and unsettling in the best ways, subverting reality and turning it back on itself, questioning the very earth under your feet. In the end, you're left not scared so much as uncertain, even vulnerable--your throat exposed to unseen forces." -- Nathan Ballingrud, author of Wounds, and North American Lake Monsters "Like a cottonmouth sleeping under a silk sheet, there's something unsettling under the surface of Michael Kelly's stories--and once these tales sink their fangs into you, as they did into me, you'll find the venom is strangely addictive." -- Craig Davidson, author of The Saturday Night Ghost Club Michael Kelly is the former Series Editor for the Year's Best Weird Fiction. He's a Shirley Jackson Award-winner, and a World Fantasy Award nominee. His fiction has appeared in a number of journals and anthologies, including Black Static, The Mammoth Book of Best New Horror 21 & 24, Supernatural Tales, Postscripts, Weird Fiction Review, and has been previously collected in Scratching the Surface, and Undertow & Other Laments.

Even as a reporter, Sheila Hamilton missed the signs as her husband Michael's mental illness unfolded before her. By the time she had pieced together the puzzle, it was too late. Her once brilliant, intense, and hilarious partner was dead within six weeks of a formal diagnosis of bipolar disorder, leaving his nine-year-old daughter and wife without so much as a note to explain his actions, a plan to help them recover from their profound grief, or a solution for the hundreds of thousands of dollars in debt that they would inherit from him. All the Things We Never Knew takes readers from Michael and Sheila's romance through the last three months of their life together and into the year after his death. It details their unsettling descent from ordinary life into the world of mental illness, and examines the fragile line between reality and madness. Now, a decade after Michael's death, Sheila and her daughter, Sophie, have learned the power of choosing life over retreat; let themselves love and trust again; and understand the importance

of forgiveness. Their story will resonate with all those who have loved someone who suffers from bipolar disease and mental illness.

The year is 4518 BCE. Halim, a Shakti warrior initiate, lives with his family in Harappa, a fortified city in the Indus River Valley. His father is injured, so the task falls to Halim to find a cure for his mother, who has fallen prey to a mysterious, debilitating disease. Sanjit, a seasoned Shakti, agrees to accompany Halim to the Kunlun Mountains in search of a sacred medicine from an ancient monastery. Halim's impulsive sister, Taja, insists on joining them too. When the three travellers confront the Ignogai, a barbaric tribe with a bloodthirsty shaman, they must flee across hazardous and unfamiliar terrain to avoid being captured and persecuted for their Shakti Prana. With a little bit of magic, determination, and some help from a few extraordinary people, the trio must fight for their lives to make it back home in time to save Halim's mother from certain demise.

If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey?

Love Unfinished Revised Edition (Nov 2012) Soul mates from the past leave their love unfinished when a tragic car accident ends their lives on their wedding day. Yet they are destined to meet again to fulfill that love in new incarnations, leading vastly different lives. Emma thought she chose the right path in life, but too late does she realize her mistake when her husband reveals the monster behind the smile. Their happily ever after - is a lie. Trapped in a broken marriage to a powerful, abusive man, Emma knows this is not the life she was meant to live. As her hope for real love withers, she meets James, her love from a lifetime ago. Emma cannot deny the connection pulling them together, but her courage to abandon her marriage wavers, and unknowingly puts her life at risk. Are Emma and James fated to fulfill their love, or will they once again, leave love unfinished?

16-year-old Mehreen Miah's anxiety and depression, or 'Chaos', as she calls it, has taken over her life, to the point where she can't bear it any more. So she joins MementoMori, a website that matches people with partners and allocates them a date and method of death, 'the pact'. Mehreen is paired with Cara Saunders and Olivia Castleton, two strangers dealing with their own serious issues. As they secretly meet over the coming days, Mehreen develops a strong bond with Cara and Olivia, the only people who seem to understand what she's going through. But ironically, the thing that brought them together to commit suicide has also created a mutually supportive friendship that makes them realise that, with the right help, life is worth living. It's not long before all three want out of the pact. But in a terrifying twist of fate, the website won't let them stop, and an increasingly sinister game begins, with MementoMori playing the girls off against each other. A pact is a pact, after all. In this powerful debut written in three points of view, Yasmin Rahman has created a moving, poignant novel celebrating life. ALL THE THINGS WE NEVER SAID is about friendship, strength and survival.

All the love she ever gave. Every secret she never told. Catherine was the love of Sean's life. But now she is gone. All that's left is a box full of envelopes, each containing a snapshot and a cassette tape. Through a series of recordings, Catherine shares their long love story, but will Sean recognise the story she tells? Catherine's words have been chosen with love, but are painfully honest--and sometimes simply painful. She reveals every unspoken thought and every secret she kept from her husband--revelations that will shake everything Sean thought he knew about their life together. But as disconcerting as the tapes turn out to be, Sean prays that they will ultimately confirm the one thing he never dared question. Does destiny exist? And were his and Catherine's love and life together always meant to be? Revised edition: This edition of Things We Never Said includes editorial revisions.

From the award-winning poet, Fanta Ballo "For All The Things I Never Got to Say" is a collection of poems that tackles topics ranging from family to love and relationships to social injustices. Fanta uses rhymes and metaphors to talk about deep issues as they pertain to her and her experiences. She gives the reader a look into her personal life and takes them on a journey as she is figuring herself out. This book highlights Fanta's journey to loving herself and the heartbreak, the pain and the healing.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

In this collection of poems and her life story Stephanie Ellis shares her personal story as a single mother and how she endured and surpassed the worst of life's hardships. Everything around her was falling apart but she remained resilient, and it was her hope that served as her shield. All of us are fighting a hard battle in life every single day. Hope is the one thing that keeps us going. It's like the candle that serves as our light in the dark. It's what fuels our body and soul to keep believing and keep trying to make things better. We need to learn that no matter what there is always hope. God always has a plan and creates a path for us out of our darkest hours Always remember when there is nothing else there is always HOPE

A marriage of convenience isn't exactly what she had in mind. After a rocky start, Rachel Peters finally has her life on track. Then a tragic accident takes away her sister and leaves her to raise her niece, Kendra, alone. About to lose custody of her last blood relative, Rachel is desperate to prove she can adequately care for her niece. On the verge of running away to keep Kendra, a new friend offers Rachel an opportunity she can't refuse. Brandon Barlow has long admired Rachel. When her world begins to fall apart, he feels led to help. A marriage of convenience would enable him to provide Rachel and Kendra with a stable place to live, proper health insurance, and a viable shot at staying together. Once Rachel gained full custody of her niece, the marriage could be annulled. His plan provides the perfect solution, until Brandon realizes he's fallen in love with Rachel. Through love and patience, can he help Rachel realize that, even when she experiences storms in her life, she's never alone?

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: "Timeless...provocative." "Characters so real you'd swear this was a true account." "A brilliant read!" Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: Alone Among People (Paperback) A Compelling and Heart Warming Story, September 25, 2012 "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

Love is a gamble. It's not always full of sunshine. Sometimes it involves dark pain that we try so desperately to dodge. When the love we know comes to a screeching halt, there is a grieving process that we all must endure. This is it how it feels for me to watch eleven years vanish into thin air.

The world is infected and humanity is reduced to creatures of vicious insanity. Doctor Thorn's rescue by a group of young survivors is just the beginning of their nightmarish journey to survive. In this apocalyptic landscape, humankind has one final hope that rests on the strength and determination of 10 young men and women.

Casper Quinn has a secret. Brant Mitchell has two. Hickory Ditch, Arkansas – July 2012 Popular fried chicken chain Wings of Glory is under attack from homosexual activists, and Harvest Mission Pentecostal Church is ready to fight back. Caught in the crossfire of a culture war in which they never enlisted, Casper and Brant will each have to find his own answer to the age-old question: Am I really what I eat? Because if they could find the courage to tell each other their truths, they might discover there really is life after the Ditch. CHICKEN is a Southern Gothic YA novel with an infusion of magical realism. It's a raw, honest, sometimes funny, sometimes poignant look at falling in love in a place where angels and demons are believed in without question, but the human heart is always subject to suspicion.

After all the trials and tribulations Brellea had to endure alone, has she finally found a way to keep her head high and her mind focused on the things that matter? Now facing the biggest heartache of possibly losing her mother and the disappearance of her brother, Bryce, she still manages to keep it together. With her no-good ex now out of the way Ethan, the cold-hearted street gangster is slowly but surely making his way into her heart. It's possible things will work out in her favor, after all. Maybe she will get the love she deserves, maybe not. Will Ethan be able to open his heart and promise to be with sweet and loving Bellea after vowing to never fall in love, or will she be just another lady on his hit list? Meanwhile Raven may have finally got the peace of mind she deserves with her horrific past slowly making its way behind her. Rae is finally seeing a better light in her path, maybe even a better future. Possibly falling in love herself, things are looking up for her, maybe she can live happily ever after or will some of her actions come back to haunt her? Continue on this rocky journey with Brellea and Raven to see if love conquers all or will more unforeseen events tear what they've worked so hard to build, apart. Will these two best friends finally get the the life they really deserve? A love that endures and forsakes all? Will they finally live happily ever after and see what it means to Deserve a Better Love. "Masterfully bounces and slams two hearts up and down a shrouded court of first love and revelations. A hard-to-put-down backboard-breaker."—Rita Williams-Garcia, National Book Award Finalist and New York Times–bestselling author From the moment Carli and Rex first locked eyes on a Texas high school basketball court, they both knew it was destiny. But can you truly love someone else if you don't love yourself? Acclaimed author Liara Tamani's luminous second novel explores love, family, heartbreak, betrayal, and the power of healing, in gorgeous prose that will appeal to readers of Nicola Yoon and Jacqueline Woodson. A glance was all it took. That kind of connection, the immediate and raw understanding of another person, just doesn't come along very often. And as rising stars on their Texas high schools' respective basketball teams, destined for bright futures in college and beyond, it seems like a match made in heaven. But

Carli and Rex have secrets. As do their families. Liara Tamani, the author of the acclaimed *Calling My Name*, follows two Black teenagers as they discover how first love, heartbreak, betrayal, and family can shape you—for better or for worse. A novel full of pain, joy, healing, and hope for fans of Elizabeth Acevedo, Jacqueline Woodson, and Jenny Han. “A beautifully poignant love letter: to a first love, to basketball, and to that enigmatic bunch we think we know best, only to discover we don’t know at all—family. Tamani’s latest is a bright shining star.”—David Arnold, *New York Times*—bestselling author of *Mosquitoland* “Readers will be easily swept away by this tale exploring the hearts and souls of two emotionally vulnerable athletes.” (Publishers Weekly, “An Anti-Racist Children’s and YA Reading List”)
