"A gorgeous debut" (Lauren Groff) from Dantiel W. A livewire debut from Dantiel W. Moniz, one of the most exciting discoveries in today's literary landscape, Milk Blood Heat depicts the sultry lives of Floridians in intergenerational tales that contemplate human connection, race, womanhood, inheritance, and the elemental darkness in us all. Set among the cities and suburbs of Florida, each story delves into the ordinary worlds of young girls, women, and men who find themselves confronted by extraordinary moments of violent personal reckoning. These intimate portraits of people and relationships scour and soothe and blast a light on the nature of family, faith, forgiveness, consumption, and what we may, or may not, owe one another. A thirteen-year-old meditates on her sadness and the difference between herself and her white best friend when an unexpected tragedy occurs; a woman recovering from a miscarriage finds herself unable to let go of her daughter—whose body parts she sees throughout her daily life; a teenager resists her family's church and is accused of courting the devil; servers at a supper club cater to the insatiable cravings of their wealthy clientele; and two estranged siblings take a road-trip with their father's ashes and are forced to face the troubling reality of how he continues to shape them. Wise and subversive, spiritual and seductive, Milk Blood Heat forms an ouroboros of stories that bewitch with their truth, announcing the arrival of a bright new literary star.

A pioneering canine behaviorist draws on cutting-edge research to show that a single, simple trait—the capacity to love—is what makes dogs such perfect companions for humans, and explains how we can better reciprocate their affection. “Lively and fascinating . . . The reader comes away cheered, better informed, and with a new and deeper appreciation for our amazing canine companions and their enormous capacity for love.” —Cat Warren, New York Times best-selling author of *What the Dog Knows Does your dog love you?* Every dog lover knows the feeling. The nuzzle of a dog's nose, the warmth of them lying at our feet, even their whining when they want to get up on the bed. It really seems like our dogs love us, too. But for years, scientists have resisted that conclusion, warning against anthropomorphizing our pets. Enter Clive Wynne, a pioneering canine behaviorist whose research is helping to usher in a new era: one in which love, not intelligence or submissiveness, is at the heart of the human-canine relationship. Drawing on cutting-edge studies from his lab and others around the world, Wynne shows that affection is the very essence of dogs, from their faces and tails to their brains, hormones, even DNA. This scientific revolution is revealing more about dogs' unique origins, behavior, needs, and hidden depths than we ever imagined possible. A humane, illuminating book, *Dog Is Love* is essential reading for anyone who has ever loved a dog—and experienced the wonder of being loved back. Fifty-two encouraging devotional readings complemented by fifty-two unique coloring images on quality stock will comfort and delight your soul through beautiful design and refreshing insights."

"God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world." —John Piper John Piper makes a compelling claim in these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God's Word, so that God's purpose on earth will advance through Bible-saturated, Christ-exalting, God-centered preaching—in other words, expository exultation.

The cracks between the natural and supernatural begin to widen, and tensions rise. Before the town crumbles, Ellsworth must pull himself from the brink of suicide, overcome his demons, and face the truth of who he was born to be by leading the town into the woods to face the evil threatening Bellhaven.
