A breathless criminal investigation against the bloody canvas of the French Revolution The Paris Commune's "bloody week" sees the climax of the savagery of the clashes between the Communards and the French Armed Forces loyal to Versailles. Amid the shrapnel and the chaos, while the entire west side of Paris is a field of ruins, a photographer fascinated by the suffering of young women takes "suggestive" photos to sell to a particular clientele. Young women begin disappearing, and when Caroline, a seamstress who volunteers at a first aid station, is counted among the missing, her fiancé Nicolas, a member of the Commune's National Guard, and Communal security officer Antoine, sets off independently in search of her. Their race against the clock to find her takes them through the shell-shocked streets of Paris, and introduces them to a cast of fascinating characters.

Merini, like Dante, represents the story of the Exodus of the Israelites from Egypt, in its literal and allegorical senses. The forty poems of *The Holy Land* recall Moses at Mount Sinai, the Israelites' forty years in the desert, and Jesus' fast in the wilderness. For Merini, it seems, the Holy Land is not the Promised Land of Canaan, but the forty years spent getting there, coming to terms with the terrifying atrocities of hell, the mystical ecstasies of paradise, and the "intense pain...of plunging back into the banality of daily living." Merini's wandering may be understood as the poet's search for the obscure laws which govern her visions, metamorphoses, and creations.

Originally published in 1889, this work's protagonist Andrea Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women.

In November 2003, Verso will publish a devastating critique of America's military occupation of Iraq, by one of the leaders of the global antiwar movement, Tariq Ali. Eschewing the liberal option of hand-wringing and the fashionable lurch to the right by some former leftists, *Bush in Babylon* will stand apart from the morass of sycophantic books now being presented as serious analysis by mainstream publishers. Detailing the longstanding imperial ambitions of key figures in the Bush administration and how war profiteers close to Bush are cashing in, *Bush in Babylon* is unique in moving beyond the corporate looting by the US military government to offer the reader an expert and in-depth analysis of the extent of resistance to the US occupation in Iraq. The sum is a characteristically revealing blend of politics, history, and culture proposing that the US war on Iraq marks a historical shift in imperial occupation and resistance that will mark the whole of the twenty-first century. On 15 February, eight million people marched on the streets of five continents against a war that had not yet begun. A historically unprecedented number of people rejected official justifications for war that the secular Ba'ath Party of Iraq was connected to al-Qaeda or that "weapons of mass destruction" existed in the region, outside of Israel. More people than ever are convinced that the greatest threat to peace comes from the center of the American empire and its satrapies, with Blair and Sharon as lieutenants to the Commander-in-Chief. Examining how countries from Japan to France eventually rushed to support US aims, as well as the futile UN resistance, Tariq Ali proposes a re-founding of Mark Twain's mammoth American Anti-Imperialist League (which

included William James, W.E.B. DuBois, William Dean Howells, and John Dewey) to carry forward the antiwar movement. Meanwhile, as Iraqis show unexpected hostility and independence, rather than gratitude, for "liberation," Ali is unique in uncovering the depth of the resistance now occurring inside occupied Iraq.

The Flame (1900) is a novel by Gabriele D'Annunzio. Inspired by the author's interpretation of the work of Friedrich Nietzsche and Walter Pater, The Flame is a semi-autobiographical account of the end of D'Annunzio's relationship with famed actress Eleonora Dusa. Considered a central text of Italian Decadentism, the novel has earned comparisons to the work of Oscar Wilde and Joris-Karl Huysmans. "With an all-comprehensive glance, she looked around at all the beauty of this last twilight of September. In the dark wells of her eyes were reflected the circles of light made by the oar as it flashed in the water, which was illuminated by the glittering angels that shone from afar on the campaniles of San Marco and San Giorgio Maggiore." Venice, a symbol of the Renaissance, is changing. The churches and canals of old remain, but an era of cultural achievement is coming to a close. As the public anticipates the death of legendary composer Richard Wagner, who has taken to his deathbed at the palace of Ca' Vendramin Calergi, Stelio Effrena dreams of establishing his reputation as one of Italy's greatest poets. Filled with theories of art and philosophies of life, possessing an undeniable mastery of language, he nevertheless feels uninspired by his muse, the aging actress La Foscarina. Meditative and introspective, The Flame has attracted praise for its portrayal of nineteenth century Venice, a city seemingly lost in time. With a beautifully designed cover and professionally typeset manuscript, this edition of Gabriele D'Annunzio's The Flame is a classic work of Italian literature reimagined for modern readers.

Winner of the ITW Thriller Award for Best First Novel From a remarkable voice in Southern fiction comes a multigenerational saga of crime, family, and vengeance. Clayton Burroughs comes from a long line of outlaws. For generations, the Burroughs clan has made its home on Bull Mountain in North Georgia, running shine, pot, and meth over six state lines, virtually untouched by the rule of law. To distance himself from his family's criminal empire, Clayton took the job of sheriff in a neighboring community to keep what peace he can. But when a federal agent with the Bureau of Alcohol, Tobacco, and Firearms shows up at Clayton's office with a plan to shut down the mountain, his hidden agenda will pit brother against brother, test loyalties, and could lead Clayton down a path to self-destruction. In a sweeping narrative spanning decades and told from alternating points of view, the novel brilliantly evokes the atmosphere of the mountain and its inhabitants: forbidding, loyal, gritty, and ruthless. A story of family—the lengths men will go to protect it, honor it, or in some cases destroy it—Bull Mountain is an incredibly assured debut that heralds a major new talent in fiction. "Panowich stamps words on the page as if they've been blasted from the barrel of a shotgun, and as with a shotgun blast, no one is safe from the scattered fragments of history that impale the people of Bull Mountain."—Wiley Cash, New York Times bestselling author of This Dark Road to Mercy

From that long investigation of mine the conclusions that I summarize and explain in this book arose and which, I will say immediately, are the following: It is true that the poetry of the "Fedeli d'Amore", especially that of Dante and his most immediate predecessors, of the his contemporaries and his successors, is written in a secret jargon for which at least thirty words (Rossetti had already pointed out some, deceiving himself about others) constantly have, in addition to the apparent meaning concerning love matter, a second and sometimes also a third conventional meaning, concerning the ideas of an initiatory doctrine and the life of a group of initiates. These words are precisely those that with exasperating monotony fill the lines of these "Faithful", very often presenting nonsense in the literal plane, namely: love, madonna, death, life, women, madness and madness, cold, gaiety, gravity, boredom, nature, weep, stone, rose, flower, source, greeting, wild, shame and others of less frequent use. It is true that all the women of the dolce stil novo are in reality one woman and that is the holy Wisdom, which in the special use of the dolce stil novo conventionally takes a different name for each different lover and is called Beatrice for Dante, Giovanna for Guido Cavalcanti, Lagia for Lapo Gianni, Selvaggia for Cino and so on. And since, as I said above, the doctrine cultivated by a sect and the sect itself are confused under the same designation, these women also serve to designate the sect of the "Fedeli d'Amore". Dante's Vita Nuova is all written in this jargon: it is all symbolic from the first to the last word and concerns the initiatory life of Dante and his relations not with the wife of Simone de' Bardi, but with the Holy Wisdom and with the group that cultivated it. Therefore the Beatrice of the New Life does not differ substantially from the one who appears triumphant on the chariot of the Church in the apocalyptic vision of the Divine Comedy. The darkest poems of the "Fedeli d'Amore" and especially Dante's obscure songs, over which those who were ignorant of the jargon have struggled in vain, read according to the jargon, melt their clarity, coherence, unsuspected depth. Not only that, but with the knowledge of the secret meaning of these few words of jargon, they clear up in our eyes and completely transform into their spirit, other very obscure works by Dante's contemporaries, such as the Documents of love by Francesco da Barberino, the Intelligence by Dino Compagni, the Acerba by Cecco d'Ascoli, works which, while differing outwardly from the love poetry of the sweet styl novo are informed by the same profound mystical spirit, by the same secret doctrine, they come out, in other words, from the bosom of the same sect. These poems, once translated into their real meaning with the key of jargon, in place of that vague, stylized, monotonous, cold, artificial love, which they almost always show according to the letter, reveal to us an intense and deep life of love. For a mystical idea, considered the true essence of Catholic revelation, of a struggle for it, against the carnal and corrupt Church, conventionally called "Death" or "the Stone" and which is depicted as an opponent of the sect of the "Fedeli d'Amore" and as a concealer of that holy Wisdom that the "Fedeli d'Amore" pursue under the figure of the woman; they reveal to us a series of mystical kidnappings, of cries invoking help against the persecutions and threats of adversaries, of excitements with which the followers comfort each other to remain faithful to the holy idea, and other very high and very deep things, before which the fictitious love poem, which is on the surface, falls, and almost always without our regret, like a very insignificant rind, leaving us astonished that we could have believed that all this was really love poetry.

Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaal island of Capri, where Neruda "took refuge" in the

arms of his lover Matilde Urrutia, Love Poems embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Twentieth-century Italian poetry is haunted by countless ghosts and shadows from opera. Echoes of Opera in Modern Italian Poetry reveals their presence and sheds light on their role in shaping that great poetic tradition. This is the first work in English to analyze the influence of opera on modern Italian poetry, uncovering a fundamental but neglected relationship between the two art forms. A group of Italian poets, from Gabriele D'Annunzio to Giorgio Caproni, by way of Umberto Saba and Eugenio Montale, made opera a cornerstone of their artistic craft. More than an occasional stylistic influence, opera is rather analyzed as a fundamental facet of these poets' intellectual quest to overcome the expressive limitations of lyrical poetry. This book reframes modern Italian poetry in a truly interdisciplinary perspective, broadening our understanding of its prominence within the humanities, in the twentieth century and beyond.

Towards the end of her life, the French philosopher and mystic Simone Weil (1909-43) was working on a tragedy, Venice Saved. Appearing here in English for the first time, this play explores the realisation of Weil's own thoughts on tragedy. A figure of affliction, a central theme in Weil's religious metaphysics, the central character offers a unique insight into Weil's broader philosophical interest in truth and justice, and provides a fresh perspective on the wider conception of tragedy itself. The play depicts the plot by a group of Spanish mercenaries to sack Venice in 1618 and how it fails when one conspirator, Jaffier, betrays them to the Venetian authorities, because he feels compassion for the city's beauty. The edition includes notes on the play by the translators as well as introductory material on: the life of Weil; the genesis and purport of the play; Weil and the tragic; the issues raised by translating Venice Saved. With additional suggestions for further reading, the volume opens up an area of interest and research: the literary Weil.

Shantaram introduced millions of readers to a cast of unforgettable characters in the hidden heart of Bombay through Lin, an Australian fugitive, working as a passport forger for a branch of the Bombay mafia. In The Mountain Shadow, the long awaited sequel, Lin must find his way in a Bombay run by a different generation of mafia dons, playing by a different set of rules. It has been two years since the events in Shantaram, and since Lin lost two people he had come to love: his father figure, Khaderbhai, and his soul mate, Karla, married to a handsome Indian media tycoon. Lin returns from a smuggling trip to a city that seems to have changed too much, too soon. Many of his old friends are long gone, the new mafia leadership has become entangled in increasingly violent and dangerous intrigues, and a fabled holy man challenges everything that Lin thought he'd learned about love and life. But Lin can't leave the Island City: Karla, and a fatal promise, won't let him go.

Against the backdrop of Isla Negra - the sea and wind, the white sand with its scattering of delicate wild flowers, the hot sun and salty smells of the Pacific - Nobel laureate Pablo Neruda sets these joyfully sensual poems in celebration of his love.

Postfazione di Flavio Felice. Nel corso della storia, pur cambiando i sistemi, la vita politica è divenuta sempre più complessa. Con Machiavelli si è liberata dalla retorica e dal moralismo e ha rinunciato a darsi una direzione etica per divenire una scienza autonoma. La lettura gramsciana del Principe nelle fasi postbellica, post '89 e ancora oggi ha dato spessore culturale alla "conquista e al mantenimento del potere", ma in mancanza di una bussola di orientamento i diversi leader e i partiti nei sistemi democratici hanno finito con l'assecondare rivendicazioni e desideri dei cittadini. Ha prevalso l'esaltazione del consenso ad ogni costo e di conseguenza il conflitto tra le parti e la decomposizione del tessuto solidale. L'opposizione del "popolo" alla "casta" ha favorito neopopulismo e sovranismo e sollecitato la trasformazione della democrazia rappresentativa nell'utopia della democrazia diretta, in cui il popolo detta le scelte attraverso i social in assenza di principi regolativi condivisi.

La passione scorre come il fuoco ed alla sua ombra di espande il mio lato oscuro che avvolge, sazia e distrugge. Scrittore atipico che alterna il sonetto allo stile libero moderno. Sempre presente una vena erotica di tipo molto istintivo e passionale, che esplose a momenti in frasi forti che non lasciano indifferente il lettore. Scrive d'impeto e col cuore... carpisce l'attenzione e irretisce i sensi - cit. Emma Fiore
