

Alphabet Brighter Child Flash Cards

Scholastic Early Learners: Interactive board books for hands-on learning! Get ready for Pre-K with these giant-shaped flashcards that introduce first concepts and help develop pre-reading skills! Pre-K flashcards contains 26 giant shaped flashcards designed to help children learn a variety of first concepts in preparation for entering Pre-K. One side of the flashcards has a picture, while the other side has the written word. By sharing the flashcards with an adult, children are encouraged to sound out the simple words, developing their awareness of letter sounds, increasing their vocabulary, and promoting their reading skills. With fun, colorful images and clear word labels, children will be introduced to first words from key first-concept topics, including colors, shapes, animals, and vehicles. The flashcards are perfect for little hands to hold, and are shaped to allow clear distinctions for adults and children between the different first-concept topics.

Flashcards 123 helps children learn their numbers in a bright and interactive way. The set contains 26 flashcards, and comes in a sturdy box for easy storage. One side of each flashcard provides practice in forming each number, while the other side presents a fun visual representation of that number, providing practice with numbers with real objects, and helping build the child's counting skills. Scholastic Early Learners: Interactive books for hands-on learning. Perfect for babies, toddlers, preschoolers, kindergarteners, and first graders, too!

Featuring 54 cards with full-color illustrations that help build meaning as well as help children make comparisons; these cards cover basic fraction facts from 1/1 to 9/9. Bonus cards that teach basic mathematical symbols (+, -, =) and a special card featuring creative games designed to reinforce learning are also included.

Explore the alphabet with these lovely flash cards by artist Lorena Siminovich, creator of the delightful Petit Collage line.
