Mykayla believed she was a normal human even if she lived in a world with supernatural beings. After moving to a new state and city for a fresh start with her younger sister she is into the supernatural world even more than before. After her new boss turns out to be her mate she finds she is the target of a revenge plot. However, what she doesn't know is that a much higher power is going to help her pack protect their luna. Soon family secrets are revealed and she finds out that she and her sister are the daughters of a god. Soon the pack has goddesses assisting to protect and the beta of the pack happens to be the mate of one of the goddesses. New allies join the pack and even more secrets and powers are revealed. While this alpha thought that he found his mate in an ordinary human woman, never did he in his wildest dreams know what surprises his mate had for him.

It takes all three alphas to train this naive omega. Ashley has spent the past six years trying to outrun a man who has torn her life apart over and over. Just as her stalker is nipping at her heels yet again, three alphas come out of nowhere to save her. Ashley wants nothing more than to trust the strangers, but she's been betrayed far too many times before. After a traumatic childhood, Torrin, Erik and Liam decided they'd rather be in charge of things, even if it meant turning into the bad guys. Determined to never be helpless again, they've done whatever was needed to gain power. When they find Ashley, a sweet and naïve omega who needs their help, the only way they can have her is if she never finds out the truth about who they really are. As Ashley's stalker draws nearer, the four of them realize their foe is more dangerous than any of them could have imagined. When their secrets come to light, when the

enemy finally finds them, can they rely on one another to survive, or will mistrust and betrayal destroy everything they've ever wanted?

MINE TO PROTECT. MINE TO PUNISH. MINE. I'm a lone wolf, and I like it that way.

Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her.

But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. But when I discover she's the hacker who nearly took down my company, I demand she submit to my punishment. And she will. Kylie belongs to me. A magnificent history of the American conquest of the West; "a story full of authority and color, truth and prophecy" (The New York Times Book Review). In the summer of 1846, the Army of the West marched through Santa Fe, en route to invade and occupy the Western territories claimed by Mexico. Fueled by the new ideology of "Manifest Destiny," this land grab would lead to a decades-long battle between the United States and the Navajos, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the center of this sweeping tale is Kit Carson, the trapper, scout, and soldier whose adventures made him a legend. Sides shows us how this illiterate mountain man understood and respected the Western tribes better than any other American, yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than three decades, this is an essential addition to our understanding of how the West was really won.

Carter Phillips has returned from multiple deployments, and he's brought a few demons home with him. War has left him scarred, inside and out, and he's counting on the peace and isolation of his family's farm to keep his head screwed on straight. What he doesn't bargain for is Amy Williams, the new horse trainer. She's kinder than he deserves, tougher than he expects, with a hidden core of vulnerability that triggers his need to possess and protect her. Amy has finally pieced her life back together, after being forced to give up everything and assume a new identity. Now she's safe, no longer the target of accusations and death threats—but she's also alone. The only danger to her secrets and her celibacy is Carter Phillips, smoking-hot former Marine—and her boss's brother. With each passing day, she finds it harder to lie to him about who she is—and who she wants. Neither of them wants to talk about the past, but the more time they spend together, the closer they become. When the truth comes out, will it set them free or tear them apart forever?

Eighteen-year Lyle of the Blood Moon pack was devastated when the man she loved more than her life left her for another woman. Her heart became numb with pain and she grew colder. She vowed never to fall in love. Until... She met her competitor and enemy, the ruthless, dark and mysterious Alpha Ryder of the Silver Moon pack. During the course of events, she has to stick with him in order to stay safe. On a mission of life and death, Ryder finds himself protecting the pup. With a heart made of steel, he resists her attraction. Will Lyle be able to give herself another chance? Will Alpha Ryder get attracted to the pup? With enemies around them, can they deny their natural instincts—or will they succumb to their fate? It takes three alphas to tame this wild omega. Left scarred and untrusting after an attack, Kara doesn't let people close—it only leads to heartache. When a job goes wrong, she's stuck

working with the three uptight and disapproving alphas who hired her, in order to clear her name. She has no problem sleeping with them, but that's as far as she can ever let it go. Cullen, Reese and Damon are used to dealing with criminals in their work as private investigators, but they've never met anyone like the wild omega, Kara. When working for them lands her in trouble, they have no choice but to finish their case with her. They've always wanted to settle down with a quiet, sweet omega who would listen and stay safe, and it's obvious Kara isn't any of those things. Each taste they have of her shows them how happy they could be...if only they could tame her. As Kara and the alphas delve deeper into the shadows to track the missing omega, the differences between them seem insurmountable. Even as danger surrounds them, Kara clings to her need for freedom while the alphas believe changing her is the only way to keep her safe. If they can't learn to trust one another in time, the secrets they chase will pull them all under.

Eccentric billionaire Shira Brazille founded the super-exclusive Alpha Academy to nurture the next generation of exceptional dancers, writers, musicians, and inventors. Allie A. is as worthless as a five time markdown on the clearance shoe rack. But the real stain on her suede bootie? She still hasn't found her talent. And with girls leaving faster than you can say "Beta", will Allie A. be the next to go? If at first you don't succeed, you're not an alpha. In these pages, we present readers with a collection of writings on the alchemic art of finding alphas. It is written by WorldQuant's founder, directors, managers, in-house portfolio managers, and quantitative researchers. The key objectives of this collection are twofold - to present many viewpoints as to how to define an alpha, and how to find one. At WorldQuant, we believe that no viewpoint is the best and only answer, and that a variety of approaches is always superior to a single one. We also present our creation, WebSim®, an online financial markets simulation tool designed to let our registered users and consultants create, test, simulate and track alphas.

Alpha Academy: Where betas get booted. Eccentric billionaire Shira Brazille founded the super-exclusive Alpha Academy on exotic Alpha Island to nurture the next generation of exceptional dancers, writers, musicians, and inventors. It's a dream come true for one hundred lucky girls, but those not measuring up can be sent home at any time, for any reason. The one left standing will win worldwide fame. Who will it be? Skye Hamilton is stepping up her game as Shira sheds Alpha Academy girls faster than skin from a will-pumiced foot. There's just one thing standing in her way: island bad boy Taz Brazille. Can Skye keep a dancer's poise, or will Taz throw her off the music once and for all? Allie A. Abbott Finally knows who she really is, and nothing is going to bring her down. Not even AJ, who just can't let go of the past. But she can Bring. It. On. Allie's come too far to be sent home without a fight. Charlie Deery After bouncing like a dashboard hula doll between Allie and Darwin, Charlie finally has her BFF and

Brazille beau by her side. But as the competition on Alpha Island reaches its boiling point, will her drive to win make her lose what matters most? If at first you don't succeed, you're not an alpha.

MY CAPTIVE. MY MATE. MY PRIZE. I didn't order the capture of the beautiful American she-wolf. I didn't buy her from the traffickers. I didn't even plan to claim her. But no male shifter could have withstood the test of a full moon and a locked room with Sedona, naked and shackled to the bed. I lost control, not only claiming her, but also marking her, and leaving her pregnant with my wolfpup. I won't keep her prisoner, as much as I'd like to. I allow her to escape to the safety of her brother's pack. But once marked, no she-wolf is ever really free. I will follow her to the ends of the Earth, if I must. Sedona belongs to me. Publisher's Note: Alpha's Prize is a stand-alone book in the Bad Boy Alphas series. HEA guaranteed, no cheating. How to Date a Werewolf: #1 Never call him 'Good Doggie.' I've got a problem. A big, hairy problem. An enforcer from the Werewolves Motorcycle Club broke into my house. He thinks I know the Werewolves' secret, and the pack sent him to guard me. #2 During a full moon, be ready to get freaky By the time he decides I'm no threat, it's too late. His wolf has claimed me for his mate. Too bad we can't stand each other... # 3 Bad girls get eaten in the bedroom ...until instincts take over. Things get wild. Naked under the full moon, this wolfman has me howling for more. # 4 Break ups are hairy Not even a visit from the mob, my abusive ex, my crazy mother and a road trip across the state in a hippie VW bus can shake him. #5 Beware the mating bite Because there's no running from a wolf when he decides you're his mate.

Fireman Garrett Livingston could probably have any omega he wants. The problem is he isn't out of the closet yet. Anyone he beds has to promise to keep his secret. That works out just fine so long as he just wants to sleep around and have fun. But nothing is ever that easy, right? When Garrett meets Chip Sorenson, he falls hard and fast. The problem is, Chip isn't going to waste his time on an alpha that doesn't know what he wants. Chip is ready to settle down and have babies. But if Garrett can't admit to his family and friends who he really is, they have no future. As heartbreaking as it is, Chip breaks things off with Garrett. But just as he thinks maybe he's ready to move on and start a life with another alpha, he discovers he's pregnant with Garrett's baby.

Josh worships his older brother, Max. They look alike, they talk alike, and they both have the same interests, including their favorite massively multiplayer online role-playing game, Genesis Alpha. But Josh and Max have an even deeper connection. Because Josh was born for a reason. It was Josh's stem cells, harvested when Josh was newly born, that saved his dying older brother's life. Now that same beloved older brother is arrested, accused of the brutal murder of a teenage girl. Josh is bewildered. Is Max really a monster, or is all of this a terrible mistake? And if the worst is true and Max is guilty, does that mean Josh is guilty too? After all, Max wouldn't exist without him. But this is only the beginning. Before long, Josh will come to a number of searing revelations -- revelations that have dire implications not only for Max's future, but for Josh's as well. Rune Michaels explodes onto the teen literature scene with this gripping, chilling debut -- a compelling picture of the intersection where science, family, and

An epic account of the Navy SEALs of Alpha platoon, the startling accusations against

their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter “Meticulously assembled and brilliantly written . . . [a] remarkable and engrossing book.”—The New York Times By official accounts, the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul, following a vicious, bloody, and successful campaign to drive ISIS from the city. But within the platoon a different war raged. Even as Alpha's chief, Eddie Gallagher, was being honored by the Navy for his leadership, several of his men were preparing to report him for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. Many young SEALs regarded Gallagher as the ideal special operations commando. Trained as a sniper, a medic, and an explosives expert, he was considered a battle-tested leader. But in the heat of combat, some in his platoon saw a darker figure—a man who appeared to be coming unhinged after multiple deployments in America's forever wars. Their excitement to work with a tough, experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy. In riveting detail, Pulitzer Prize-winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible—should they uphold their oath and turn in their chief, or honor the SEALs' unwritten code of silence? It is also a larger story of how the SEAL Teams drifted off course after 9/11, and of the “pirate”

File Type PDF Alphas

subculture that festered within their ranks—a secret brotherhood that, in a time of endless war with few clear victories, made the act of killing itself the paramount goal. The investigation and trial following Alpha’s deployment—and Gallagher’s ultimate acquittal on the most serious charges—would pit SEAL against SEAL, set the Navy brass on a collision course with President Donald Trump, and turn Gallagher into a political litmus test in a hotly polarized America. A page-turning tale of battle, honor, and betrayal, Alpha is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting.

It’s a murder mystery on the moon in this humorous and suspenseful space adventure from the author of *Belly Up* and *Spy School* that *The New York Times Book Review* called “a delightful and brilliantly constructed middle grade thriller.” Like his fellow lunarnauts—otherwise known as Moonies—living on Moon Base Alpha, twelve-year-old Dashiell Gibson is famous the world over for being one of the first humans to live on the moon. And he’s bored out of his mind. Kids aren’t allowed on the lunar surface, meaning they’re trapped inside the tiny moon base with next to nothing to occupy their time—and the only other kid Dash’s age spends all his time hooked into virtual reality games. Then Moon Base Alpha’s top scientist turns up dead. Dash senses there’s foul play afoot, but no one believes him. Everyone agrees Dr. Holtz went onto the lunar surface without his helmet properly affixed, simple as that. But Dr. Holtz was on the verge of an important new discovery, Dash finds out, and it’s a secret that could

change everything for the Moonies—a secret someone just might kill to keep... Obey and submit. That seemed to be all he wanted from me. He expected so little, and yet, so much. Hervé: I rule this planet. I will settle for nothing less than absolute control. And my tastes are dark. She is my pet. My plaything. I will train her for my use. I want her to desire the pain I will inflict. She only exists for my pleasure. Until she gets taken from me. Without her, my world is shattered. But make no mistake. I'm coming for her. Kitty: I am a pet kitten. I have no name. From birth we are kept in captivity and prepared to be sold. My owner does whatever he wants with me. His rules? Obey and submit. When we are forced apart, I realize I need him. I crave his complete mastery. His pain. His pleasure. No one else can take the place of my owner. Publisher's Note: This is a dark, steamy sci-fi romance. It features total power exchange with some potentially triggering scenes, along with an HEA. If any of these offend you, please do not purchase.

BENDING HER TO THE BEAR'S WILL The human thinks I'm stalking her. Maybe I am. But I'm not the only one. There's something evil in these woods and it preys on single women. I'm not about to let the sexy scientist fall into its lair. Even if that means holding her prisoner in my cabin. Keeping her where I can see her at all times. Bending her to my bear's will. Just until the storm passes. Until her research is finished. Then I'll let her go. I swear. Publisher's Note: Alpha's Prey is a stand-alone book in the Bad Boy Alpha's series. It takes three alphas to break in this virgin omega. All Tiffany's attempts to find love have ended in disaster and led to her being a sexually frustrated nineteen-year-old virgin omega sick of overbearing alphas. Her latest failure lands her in legal trouble, and the only way out is to sign a contract with a man she barely knows. While she doesn't want to give up her freedom, a year of training at the hands of a handsome and dominant alpha is the best of her bad options. Kieran agrees to take on the wild omega as a favor, not wanting her to end up as property in the system. He never expects to fall for her, but when two other alphas, Kane and Marshall, show up to compete for her affection, he can't deny how he feels. These very different alphas have to put their jealousy aside when Tiffany is targeted by an unknown enemy, because it will take all three of them to keep her alive. Even as danger surrounds them, Kieran, Kane and Marshall discover that sharing the feisty omega is more appealing than they'd thought it

would be. Can they work together to protect her from the danger threatening her or will their competition drive away the omega they all crave?

FROM POPULAR ROMANCE AUTHOR JAYCE CARTER Book ten in The Omega's Alphas series A Dark and Deadly story Halloween is the perfect time for these three alphas to give their omega a treat... When Claire fell in love with Bryce, Joshua and Kaidan, she thought she'd found her happily ever after, but her life seems more trick than treat these days. A year after having their daughter, Claire barely recognizes her own mates. Between their new roles as parents, their exhaustion as they raise a child and Claire's fears about how her body has changed, they've become little more than roommates. Hoping to give them all a break, Claire throws a Halloween Party for the alphas and omegas of their group. The tension between Claire, Bryce, Joshua and Kaidan is on display, and their friends are willing to intervene for the good of the foursome, even if that means risqué clothing, a bag of toys and more than a little manipulation. Claire and her alphas finally get some time alone...but they'll have to risk taking off the masks they've been hiding behind if they hope to turn their scary story into a Halloween treat.

A werewolf, an owl shifter, and a scientist walk into a bar... Sam I was born in a lab, fostered out to humans, then tortured in a cage. Fate allowed me to escape,

and I know why. To balance the scales of justice. Right the misdeeds of the harvesters. Nothing matters but taking down the man who made me what I am: A monster driven by revenge, whatever the cost. Then I meet Layne. She thinks I'm a hero. But she doesn't understand—If I don't follow this darkness to its end, it will consume me. Layne I've spent my life in the lab, researching the cure for the disease that killed my mom. No late nights out, no dates, definitely no boyfriend. Then Sam breaks into my lab, steals my research, and kidnaps me. He's damaged. Crazy. And definitely not human. He and his friends are on a mission to stop the company that's been torturing shifters, and now I'm a part of it. Sam promises to protect me. And when he touches me, I feel reborn. But he's hellbent on revenge. He won't give it up. Not even for me.

I MARKED YOU. YOU BELONG TO ME. Nash I've survived suicide missions in war zones. Shifter prison labs. The worst torture imaginable. Nothing knocked me off my feet... until the beautiful lioness they threw in my cage. We shared one night before our captors ripped us apart. Now I'm free, and my lion is going insane. He'll destroy me from the inside out if I don't find my mate. I don't know who she is. I don't know where she lives. All I have is a video of her. But I'll die if I don't find her, and make her mine. I'm coming for you, Denali. Denali They took me from my home, they killed my pride, they locked me up and forced me to

breed. They took everything from me and still I survived. But one night with a lion shifter destroyed me. Nash took the one thing my captors couldn't touch—my heart. Somehow I escaped, and live in fear that they will come for me. It's killing my lioness, but I've got to hide--even from Nash. I've got to protect the one thing I have left to lose. Our cub.

It takes more than one alpha to bring an omega to her knees. Claire has sworn off alphas, but when her investigation into the murder of her friend puts her in the sights of not one but three of them, her resolve is tested. Even as she craves their touch, she refuses to fall for them. They can have her body, but she'll protect her heart at any cost. Bryce, Joshua and Kaidan don't want an omega of their own, but they can't resist the mystery woman who breaks into their office. Her scent, her curves and her taste lure them, but they want more than just her body. It will take all three of them to play her at her own game and convince her to give them a chance. As they navigate their complex relationship, Claire's search for the killer alpha puts them all in danger. Can they come together to face the threat, or will their secrets and fears destroy everything they've found? At OCD the losers are tormented. At Alpha Academy, they're sent home. Skye Hamilton has scored an invitation to the ultra-exclusive Alphas-only boarding school where beta is spelled LBR . What happens when the country's best,

brightest, and hawtest begin clawing and scratching their way to the top?

“YOU BROKE THE RULES, LITTLE HUMAN. I OWN YOU NOW.” I am an alpha wolf, one of the youngest in the States. I can pick any she-wolf in the pack for a mate. So why am I sniffing around the sexy human attorney next door? The minute I catch Amber’s sweet scent, my wolf wants to claim her. Hanging around is a bad idea, but I don’t play by the rules. Amber acts all prim and proper, but she has a secret, too. She may not want her psychic abilities, but they’re a gift. I should let her go, but the way she fights me only makes me want her more.

When she learns what I am, there’s no escape for her. She’s in my world, whether she likes it or not. I need her to use her gifts to help recover my missing sister—and I won’t take no for an answer. She’s mine now. Publisher’s Note:

determination, my backbone of steel define me. As a Reaper who does Death's bidding, weakness is a word I don't understand. Until a stunning librarian stirs emotions deep within me I've never felt before. Her soft curves blunt the sharp edges of my soul, crushing my defenses - yet make me stronger. But underneath those wide eyes and fierce femininity, she has a weapon, one she won't hesitate to use. And when the Dark begin their deadly descent, we'll need each other's love and protection...or risk fracturing apart.

One skinless I could handle. A pack of them? Not so much. Still, I dive in to help when Luke inherits the role of alpha. Drawn into the werewolf world of backstabbing aggression, my goal is to keep my hands clean while hunting down the previous alpha's murderer. Instead, I end up at the center of a so-called game turned deadly serious. The Alpha's Hunt will determine who calls the shots and how the pack is shaped in the future. My role? I'm the bait. The second book in USA Today bestselling author Aimee Easterling's newest series will immerse you in a world of magic, danger, and romance.

She ruined my life, got me thrown out of the pack. The only revenge I crave is her. Trey I never thought I'd have a girl like Sheridan. A pack princess—beautiful, smart, one of the elite. She picked me. She gave me her heart, her innocence. Hurting her was my biggest regret. But then she betrayed us all. Now she's back—sent to spy on our pack. She wants revenge. But my wolf...he just wants her. Sheridan He crushed my heart and broke my trust. I ruined his life. Now we have to work together, and it's killing me. I want to hate him. But more than that...I want his mark. Alpha's Bane is a stand-alone second-chance shifter romance. No cheating or cliff-hangers.

It'll take all three alphas to see to this omega's needs. After getting free from her abusive mate,

Tracy wants nothing to do with another alpha. For omegas like her, getting involved with alphas isn't worth the risk. However, when an old business associate of her mate threatens her, she has no choice but to turn to Sam. The detective is handsome and charming, but Tracy won't let herself fall for that again. Five years have passed since Sam fell out of contact with his best friends, Mason and Dylan, but with Tracy in danger, he has to call in both alphas, despite the bad blood between them. Some rifts are hard to mend, and the three face more fractures when they find themselves drawn by the same omega yet again. Tracy has no idea how to deal with the three alphas, and even as the life they offer tempts her, she resists. They all bear the scars of romance-gone-bad, and the risk of giving in seems too costly. As Tracy and the alphas struggle to stay one step ahead of the men after her and the alphas work to put a broken friendship back together, they all have to fight to move forward. Can they put the past to rest or will it bury them all?

To hell and back . . . Though he has vampire, demon, and Viking blood rushing through his veins, Ivar Kjeidsen's soul-crushing trip to hell broke him in ways he can barely fathom. One vow keeps the deadly immortal standing: To rescue the vampire brother who had sacrificed freedom for him. To do that, Ivar needs the help of a brilliant physicist with wary brown eyes, fierce brilliance, and skin that's way too soft. Dr. Promise Williams understands the underpinnings of the universe but has never figured out the human beings inhabiting it. Her function is to think—and not feel—until she's touched by a vampire who's nowhere near human. The primal hunger in his eyes awakens feelings in her that defy calculation. As she shows him the way to step between worlds, he brands her with a pleasure that could last more than a lifetime . . . “Spicy romantic interplay; highly recommended.” —Library Journal on Vampire's
