[Around the World in 50 Ways](#) Lonely Planet, Dan Smith, 2018-02-01 Set off from London and travel across the globe. Then try to make it back! In Lonely Planet Kids' *Around the World in 50 Ways*, kids choose their favourite routes and transportation, from tuk-tuks and sleds, to steamboats and hot-air balloons. They'll visit famous cities and exotic, far-flung places - and learn amazing facts about each destination along the way. But they'll need to be careful: not every path will take

them where they want to go! Welcome to the Tower of London! That's the starting point of this amazing adventure. But what's the next leg of the journey? That depends on the transportation chosen. Once aboard, kids can discover all about these amazing machines and how they work. Then upon arriving at their next destination, they'll get to explore the local area and see what makes it so interesting and unique. With over 20 possible routes, who knows where they'll end up?
