

American Government 11th Edition

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Now in its Seventh Edition, Constitutional Law and Politics remains the authoritative casebook for the study of Supreme Court decisions in political science courses.

This updated edition of American Public Policy by B. Guy Peters provides a comprehensive yet accessible overview of the policy-making process from procedural approaches and policy instruments to in-depth analysis of specific policy issues. The Eleventh Edition considers how policy has been impacted by recent economic and political developments. Not shying away from the complexity of governmental procedure, Peters ensures that the mechanisms of the policy process are understandable through insightful discussions of topical policy areas.

Examine Texas politics in historical, economic, and demographic contexts Government and Politics in the Lone Star State guides students through the historical, economic, demographic, and political environment that has made Texas government and political culture what it is. Drawing on their experiences in political science, journalism, and consulting, Tucker Gibson, Clay Robison, and new coauthor Joanne Connor Green explain Texas's governmental institutions, the players who influence them, and how these factors compare to those in other states. The 2014 Elections and Updates Edition has been revised to meet the outcomes instituted by the Texas education commission board, and includes updated content on the major issues in today's headlines to help students become informed voters and participants in Texas's dynamic policymaking process.

"An introductory American government textbook should do more than simply tell students that politics is relevant today, that it will affect their lives in meaningful ways. Students are best prepared to recognize this basic fact when they understand the bigger picture of how the system works, how it got that way, and what are the possibilities for change. Cal Jillson's American Government: Political Development and Institutional Change shows students how the nation's past is present in all aspects of contemporary politics, using the dynamics of change as a tool to understand how politics works and how institutions, systems, avenues of participation, and policies have evolved over time to produce today's political environment in the United States. Going one step further, Jillson identifies the critical question of how American democracy might evolve further, focusing in every chapter on reform and change into the future"--

Known for shedding light on the link among the courts, public policy, and the political environment, Judicial Process in America provides a comprehensive overview of the American judiciary. In this Tenth Edition, authors Robert A. Carp, Ronald Stidham, Kenneth L. Manning, and Lisa M. Holmes examine the recent Supreme Court rulings on same-sex marriage and health care subsidies, the effect of three women justices on the Court's patterns of decision, and the policy-making role of state tribunals. Original data on the decision-making behavior of the Obama trial judges—which are unavailable anywhere else—ensure this text's position as a standard bearer in the field.

In today's climate of hyper-partisanship, blurred lines between political news, analysis, and entertainment, and outrageous comments from the chattering classes, who better than Tom Patterson to provide students with the tools and context to make informed judgments and become skilled political thinkers? Patterson's The American Democracy has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 11th edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources. With expertise in the areas of public opinion, the media, and elections among other areas, Tom Patterson is a voice you can trust to help develop your students critical thinking skills when it comes to politics and political science. As Patterson notes, "Political thinking takes place within the context of a person's political interests and values, which can lead equally thoughtful individuals to reach opposing opinions on the same issue." If you are looking for learning materials to help ensure your students leave your course among those "thoughtful individuals" that will carry the debate forward in measured and informed ways, The American Democracy is the right choice for you. For many, American politics and government have never been more interesting--or more important. A new four-color design, up-to-date political news and analysis and an affordable price make AMERICAN GOVERNMENT AND POLITICS TODAY, Brief Edition, 2018-2019, an ideal resource to engage today's learners. Authors Schmidt, Shelley and Bardes help students understand America's complex and fascinating political system--and show them how they can participate in the political process. Praised for its balanced coverage, clarity and readability, the text examines all the key concepts of American Government while providing interesting features that focus on active citizenship. The tenth edition gives ample space to the rise of Donald Trump, his populist campaign and use of the media as well as to other current topics such as security leaks, government surveillance and voting restrictions. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition,

American Government: Roots and Reform provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Updated in a new 11th edition, American and Texas Government: Policy and Politics introduces the essentials of American government in a way that any student can understand. Known for its extremely student-friendly, jargon-free style, public policy is emphasized throughout to show students the impact that government has on their lives.

This best-selling book in American government puts readers directly in touch with the great authors and political leaders who have shaped—and are shaping—American government. American Government: Readings and Cases has been the bestselling American government reader for over 40 years. This anthology continues to provide a strong, balanced blend of classic selections that illustrate and amplify important concepts in American government, along with current readings and cases drawn from today's headlines.

This popular brief edition text maintains the framework of the Wilson, Dilulio, and Bose complete text, emphasizing the historical development of the American political system, who governs, and to what ends. Completely up to date, AMERICAN GOVERNMENT: BRIEF VERSION, Eleventh Edition offers new coverage of such key and emerging issues as the 2012 campaigns and elections; leadership of President Obama and the 112th Congress; the economic downturn and ensuing policies; healthcare reform; foreign relations with North Korea and Iran; the war in Afghanistan; and more. The best text for teaching students to think analytically about American politics.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

Greenberg, Edward S. and Page, Benjamin I., Struggle for Democracy, The: CourseCompass Edition, 5th Edition * This edition seamlessly integrates the online course management capabilities and web activities of Greenberg's CourseCompass website with the book. The Greenberg CourseCompass website features pre-loaded, text-specific content, including two types of highly engaging web activities: Web Explorations and LongmanParticipate.com exercises. Icons in the margins of the textbook direct readers to these activities on the Greenberg CourseCompass website, tying the book and the website together. For those interested in American Government.

"Mass Media and American Politics is the most comprehensive and best book for political communication. This text has made it easy for my students to learn about research and theory related to political journalism and the political communication system in America. It has great utility and insight while being comprehensive but not overwhelming for students." —Jason Martin, DePaul University Known for its readable introduction to the literature and theory of the field, Mass Media and American Politics is a trusted, comprehensive look at media's impact on attitudes, behavior, elections, politics, and policymaking. This Tenth Edition is thoroughly updated to reflect major structural changes that have shaken the world of political news and examines the impact of the changing media landscape. It includes timely examples from the 2016 election cycle to illustrate the significance of these changes. This classic text balances comprehensive coverage and cutting-edge theory, shows students how the media influence governmental institutions and the communication strategies of political elites, and illustrates how the government shapes the way the media disseminate information. Written by Doris A. Graber—a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics—and Johanna Dunaway, this book sets the standard. Additional time is required for outside content and/or packaging with other components.

The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

In 356 engaging pages, with new engaging features and a great low price as part of the Wadsworth Advantage Series, this brief version of the best selling book for American Government, AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION 2005-2006 helps students experience the excitement that comes from active, informed citizenship. Praised for its balanced and up-to-the-minute coverage, this book focuses on the fundamentals?the constitutional, governmental, political, social, and economic structures and processes that are the core of American government. Coverage of policy and analysis as well as appendices is also included in this brief text.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors and policies; and who governs in the United States and to what end. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, suggested Web links for research, and How Things Work boxes that summarize important facts. The greatly enhanced media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Government does more than any other text to get students to think analytically about American politics and government. The successful Five Principles of Politics framework integrated throughout the full and core versions helps students make sense of the material they encounter in the course, and the political information they encounter in their daily lives. In this 2008 Election Update Edition, sections have been thoroughly updated to reflect recent developments in American politics and a new election chapter provides an analysis of the pivotal 2008 electoral races.

AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION, 2016-2017, shows you how easily and effectively you can participate in the political process. New features, up-to-date political news and analysis, and a great price make this text a top seller. Praised for its succinct format, balanced coverage, clarity, and readability, this book examines all the key concepts of American government, while providing interesting student-oriented features that further convey what active citizenship means.
