The Second Edition of Alfred's Group Piano for Adults Book 1, includes updates inspired by numerous recommendations from group piano teachers and students. This book includes a CD-ROM containing both Audio and General MIDI Files of the 500+ accompaniments included in the text, each with an interesting and engaging arrangement coupled with the piano part. Designed for collegiate non-keyboard music majors with little or no keyboard experience, the easy-to-use text contains 26 units, each intended to be covered in one week, thus fulfilling two semesters or three quarters of study. Theory, technique, sight-reading, repertoire, harmonization, improvisation, and ensemble activities are taught thoroughly and consistently throughout the text. The comb binding creates a lay-flat book that is perfect for study and performance. Book 1 is 360 pages. Selected sight-reading examples from this book are available in the Piano Maestro app that's downloadable at Piano Maestro. Learn more about JoyTunes, the maker of Piano Maestro at JoyTunes.

This volume brings together a massive body of much-needed research information on a problem of crucial importance to labor economists, policy makers, and society in general: unemployment among the young. The thirteen studies detail the ambiguity and inadequacy of our present standard statistics as applied to youth employment, point out the error in many commonly accepted views, and show that many critically important aspects of this problem are not adequately understood. These studies also supply a significant amount of raw data, furnish a platform for further research and theoretical work in labor economics, and direct attention to promising avenues for future programs.
