

American Ulysses A Life Of Ulysses S Grant

"[A]n astonishingly interesting interpretation. . . . Fox is wonderfully shrewd and often dazzling."—Jill Lepore, *New York Times Book Review* In a stunning feat of scholarship, insight, and engaging prose, *Lincoln's Body* explores how a president ungainly in body and downright "ugly" of aspect came to mean so much to us. The very roughness of Lincoln's appearance made him seem all the more common, one of us—as did his sense of humor about his own awkward physical nature. Nineteenth-century African Americans felt deep affection for their "liberator" as a "homely" man who did not hold himself apart. During Reconstruction, Southerners felt a nostalgia for the humility of Lincoln, whom they envisioned as a "conciliator." Later, teachers glorified Lincoln as a symbol of nationhood that would appeal to poor immigrants. Monument makers focused not only on the man's gigantic body but also on his nationalist efforts to save the Union, downplaying his emancipation of the slaves. Among both black and white liberals in the 1960s and 1970s, Lincoln was derided or fell out of fashion. More recently, Lincoln has once again been embodied (as both idealist and pragmatist, unafraid of conflict and transcending it) by outstanding historians, by self-identified Lincolnian president Barack Obama, and by actor Daniel Day-Lewis—all keeping Lincoln alive in a body of memory that speaks volumes about our nation.

The Pulitzer Prize-winning historian's "lively and absorbing" biography of Ulysses S. Grant and his leadership during the Civil War (*The New York Times Book Review*). This conclusion to Bruce Catton's acclaimed history of General Grant begins in the summer of 1863. After Grant's bold and

Read Online American Ulysses A Life Of Ulysses S Grant

decisive triumph over the Confederate Army at Vicksburg, President Lincoln promoted him to the head of the Army of the Potomac. The newly named general was virtually unknown to the Union's military high command, but he proved himself in the brutal closing year and a half of the War Between the States. Grant's strategic brilliance and unshakeable tenacity crushed the Confederacy in the battles of the Overland Campaign in Virginia and the Siege of Petersburg. In the spring of 1865, Grant finally forced Robert E. Lee's surrender at Appomattox Court House, thus ending the bloodiest conflict on American soil. Although tragedy struck only days later when Lincoln—whom Grant called “incontestably the greatest man I have ever known”—was assassinated, Grant's military triumphs would ensure that the president's principles of unity and freedom would endure. In *Grant Takes Command*, Catton offers readers an in-depth portrait of an extraordinary warrior and unparalleled military strategist whose brilliant battlefield leadership saved an endangered Union.

Grant was the most famous person in America, considered by most citizens to be equal in stature to George Washington and Abraham Lincoln. Yet today his monuments are rarely visited, his military reputation is overshadowed by that of Robert E. Lee, and his presidency is permanently mired at the bottom of historical rankings. In an insightful blend of biography and cultural history, Joan Waugh traces Grant's shifting national and international reputation, illuminating the role of memory in our understanding of American history. She captures a sense of what led nineteenth-century Americans to overlook Grant's obvious faults and hold him up as a critically important symbol of national reconciliation and unity. Waugh further shows that Grant's reputation and place in public memory closely parallel the rise and fall of the northern version of the Civil War story--in which the United States was

Read Online American Ulysses A Life Of Ulysses S Grant

the clear, morally superior victor and Grant was the symbol of that victory. After the failure of Reconstruction, the dominant Union myths about the war gave way to a southern version that emphasized a more sentimental remembrance of the honor and courage of both sides and ennobled the "lost Cause." By the 1920s, Grant's reputation had plummeted. Most Americans today are unaware of how revered Grant was in his lifetime. Joan Waugh uncovers the reasons behind the rise and fall of his renown, underscoring as well the fluctuating memory of the Civil War itself.

"The former general in chief of the Union armies during the Civil War . . . the two-term president of the United States . . . the beloved ambassador of American goodwill around the globe . . . the respected New York financier—Ulysses S. Grant—was dying. The hardscrabble man who regularly smoked 20 cigars a day had developed terminal throat cancer. Thus began Grant's final battle—a race against his own failing health to complete his Personal Memoirs in an attempt to secure his family's financial security. But the project evolved into something far more: an effort to secure the very meaning of the Civil War itself and how it would be remembered. The news of Grant's illness came swift on the heels of his financial ruin. Business partners had swindled him and his family out of everything but the money he and his wife had in their pockets and the family cookie jar. Investors lost millions. The public ire that turned on Grant first suspected malfeasance, then incompetence, then unfortunate, naive neglect. In this maelstrom of woe, Grant refused to surrender. Putting pen to paper, the hero of Appomattox embarked on his final campaign: an effort to write his memoirs before he died. The Personal Memoirs of Ulysses S. Grant, would cement his place as not only one of America's greatest heroes but also as one of its most sublime literary voices. Filled with personal intrigues of its

own and supported by a cast of colorful characters that included Mark Twain, William Vanderbilt, and P. T. Barnum, Grant's Last Battle recounts a deeply personal story as dramatic for Grant as any of his battlefield exploits. Authors Chris Mackowski and Kristopher D. White have recounted Grant's battlefield exploits as historians at Fredericksburg and Spotsylvania National Military Park, and Mackowski, as an academic, has studied Grant's literary career. Their familiarity with the former president as a general and as a writer bring Grant's Last Battle to life with new insight, told with the engaging prose that has become the hallmark of the Emerging Civil War Series."

Traces the life and presidency of Ulysses S. Grant and discusses why he was undervalued as a president.

Author note: Ronald C. White, Jr. is Chaplain and Assistant Professor of Religion at Whitworth College in Spokane, Washington. >P>C. Howard Hopkins is Professor of History Emeritus at Rider College and Director of the John R. Mott Biography Project. He is the author of The Rise of the Social Gospel in American Protestantism.

met his destiny on the bloody fields of the Civil War. His daring and resolve as a general gained the attention of President Lincoln, then desperate for bold leadership. Lincoln appointed Grant as Lieutenant General of the Union Army in March 1864. Within a year, Grant's forces had seized Richmond and forced Robert E. Lee to surrender. Four years later, the reunified nation faced another leadership void after Lincoln's assassination and an unworthy successor completed his term. Again, Grant answered the call. At stake once more was the future of the Union, for though the Southern states had been defeated, it remained to be seen if the former Confederacy could be reintegrated into the country—and if the Union could ensure the rights and welfare of African Americans in the South. Grant met the challenge by boldly advancing an agenda of Reconstruction and aggressively countering the Ku Klux Klan. In his final weeks in the White House, however, Grant faced a crisis that threatened to undo his life's work. The contested presidential election of 1876 produced no clear victory for either Republican Rutherford B. Hayes or Democrat Samuel Tilden, who carried most of the former Confederacy. Soon Southern states vowed to revolt if Tilden was not declared the victor. Grant was determined to use his influence to preserve the Union, establishing an electoral commission to peaceably settle the issue. Grant brokered a grand bargain: the installation of Republican Hayes to the presidency, with concessions to the Democrats that effectively ended Reconstruction. This painful compromise saved the nation, but tragically condemned the South to another century of civil-rights oppression. Deep with contemporary resonance and brimming with fresh detail that takes readers from the battlefields of the Civil War to the corridors of power where men decided the fate of the nation in back rooms, *To Rescue the Republic* reveals Grant, for all his complexity, to be

among the first rank of American heroes.

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

American Ulysses A Life of Ulysses S. Grant Random House Trade Paperbacks

Many modern historians have painted Ulysses S. Grant as a butcher, a drunk, and a failure as president. Others have argued the exact opposite and portray him with saintlike levels of ethic and intellect. In *Ulysses S. Grant: Triumph over Adversity 1822-1865*, historian Brooks D. Simpson takes neither approach, recognizing Grant as a complex and human figure with human faults, strengths, and motivations. Simpson offers a balanced and complete study of Grant from birth to the end of the Civil War, with particular emphasis on his military career and family life and the struggles he overcame in his unlikely rise from unremarkable beginnings to his later fame as commander of the Union Army. Chosen as a *New York Times* Notable Book upon its original publication, *Ulysses S. Grant* is a readable, thoroughly researched portrait that sheds light on this controversial figure.

Ulysses S Grant The list of American war heroes who went on to become presidents includes men as little remembered as Zachary Taylor and as famous as Dwight D. Eisenhower. While venerable though these men are and significant their place in American history, they cannot equal the status of

Ulysses S. Grant, the Civil War general who rose through the ranks from virtual obscurity to command. Inside you will read about... - The Undistinguished Hiram Ulysses Grant - The Mexican War and Marriage - The Failure - War to the Rescue - The Triumphant General Grant - The War Hero President - Government: The Next Battlefield - The Last Battle He was a modest man with a series of failures behind him, but when success came to him on the battlefield, it brought a nation back to wholeness. Grant faced financial ruin, alcoholism, family trials, and cancer with the same steady courage that he employed in battle. He is one of the most famous, yet also one of the least well-known, of America's heroes, well worth an introduction.

A lavishly illustrated edition of Michael Korda's acclaimed biography of the man who ended the Civil War, served two terms as president, and wrote one of the most successful military memoirs in American literature Ulysses S. Grant was the first officer since George Washington to become a four-star general in the United States Army, and the only president between Andrew Jackson and Woodrow Wilson to serve eight consecutive years in the White House. In this succinct and vivid biography, newly conceived with twenty-four pages of full-color art and many black-and-white illustrations throughout, Michael Korda offers a dramatic reconsideration of the man, his life, and his presidency. Ulysses S. Grant is an evenhanded and stirring portrait of a flawed leader who nevertheless ably guided the United States through a pivotal juncture in its history.

The moving story of Ulysses S. Grant's final battle, and the definitive account of the national memorial honoring him as one of America's most enduring heroes The final resting place of Ulysses S. Grant, the victorious general in the Civil War and the

eighteenth president of the United States, is a colossal neoclassical tomb located in the most dynamic city in the country. It is larger than the final resting place of any other president or any other person in America. Since its creation, the popularity and condition of this monument, built to honor the man and what he represented to a grateful nation at the time of his death, a mere twenty years after the end of the Civil War, have reflected not only Grant's legacy in the public mind but also the state of New York City and of the Union. In this fascinating, deeply researched book, presidential historian Louis L. Picone recounts the full story. He begins with Grant's heroic final battle during the last year of his life, to complete his memoirs in order to secure his family's financial future while contending with painful, incurable cancer. Grant accomplished this just days before his death, and his memoirs, published by Mark Twain, became a bestseller. Accompanying his account with numerous period photographs, Picone narrates the national response to Grant's passing and how his tomb came to be: the intense competition to be the resting place for Grant's remains, the origins of the memorial and its design, the struggle to finance and build it over the course of twelve years, and the vicissitudes of its afterlife in the history of the nation up to recent times.

“An intimate character portrait and fascinating inquiry into the basis of Lincoln’s energetic, curious mind.”—The Wall Street Journal From the New York Times bestselling author of *A. Lincoln* and *American Ulysses*, a revelatory glimpse into the intellectual journey of our sixteenth president through his private notes to himself, explored together here for the first time A deeply private man, shut off even to those who worked closely with him, Abraham Lincoln often captured “his best thoughts,” as he called them, in short notes to himself. He would work out his personal stances on the biggest issues of the day, never expecting anyone to see these frank, unpolished pieces of writing, which he’d then keep close at hand, in desk drawers and even in his top hat. The profound importance of these notes has been overlooked, because the originals are scattered across several different archives and have never before been brought together and examined as a coherent whole. Now, renowned Lincoln historian Ronald C. White walks readers through twelve of Lincoln’s most important private notes, showcasing our greatest president’s brilliance and empathy, but also his very human anxieties and ambitions. We look over Lincoln’s shoulder as he grapples with the problem of slavery, attempting to find convincing rebuttals to those who supported the evil institution (“As I would not be a slave, so I would not be a master. This expresses my idea of

Read Online American Ulysses A Life Of Ulysses S Grant

democracy.”); prepares for his historic debates with Stephen Douglas; expresses his private feelings after a defeated bid for a Senate seat (“With me, the race of ambition has been a failure—a flat failure”); voices his concerns about the new Republican Party’s long-term prospects; develops an argument for national unity amidst a secession crisis that would ultimately rend the nation in two; and, for a president many have viewed as not religious, develops a sophisticated theological reflection in the midst of the Civil War (“it is quite possible that God’s purpose is something different from the purpose of either party”). Additionally, in a historic first, all 111 Lincoln notes are transcribed in the appendix, a gift to scholars and Lincoln buffs alike. These are notes Lincoln never expected anyone to read, put into context by a writer who has spent his career studying Lincoln’s life and words. The result is a rare glimpse into the mind and soul of one of our nation’s most important figures.

A detailed analysis of Grant's eight years in the White House, the book examines his policies and actions in numerous areas such as Reconstruction, economic policy, civil service reform, and foreign affairs.

"Combines scholarly exactness with evocative passages....Biography at its best."—Marcus Cunliffe, *The New York Times Book Review*; Winner of the Pulitzer Prize. The seminal biography of one of

Read Online American Ulysses A Life Of Ulysses S Grant

America's towering, enigmatic figures. From his boyhood in Ohio to the battlefields of the Civil War and his presidency during the crucial years of Reconstruction, this Pulitzer Prize-winning biography traces the entire arc of Grant's life (1822-1885). "A moving and convincing portrait....profound understanding of the man as well as his period and his country."—C. Vann Woodward, *New York Review of Books* "Clearsightedness, along with McFeely's unfailing intelligence and his existential sympathy...informs his entire biography."—Justin Kaplan, *The New Republic*

In this first book devoted to the genesis, failure, and lasting legacy of Ulysses S. Grant's comprehensive American Indian policy, Mary Stockwell shows Grant as an essential bridge between Andrew Jackson's pushing Indians out of the American experience and Franklin D. Roosevelt's welcoming them back in. Situating Grant at the center of Indian policy development after the Civil War, *Interrupted Odyssey: Ulysses S. Grant and the American Indians* reveals the bravery and foresight of the eighteenth president in saying that Indians must be saved and woven into the fabric of American life. In the late 1860s, before becoming president, Grant collaborated with Ely Parker, a Seneca Indian who became his first commissioner of Indian affairs, on a plan to rescue the tribes from certain destruction. Grant hoped to save the Indians from extermination

Read Online American Ulysses A Life Of Ulysses S Grant

by moving them to reservations, where they would be guarded by the U.S. Army, and welcoming them into the nation as American citizens. By so doing, he would restore the executive branch's traditional authority over Indian policy that had been upended by Jackson. In *Interrupted Odyssey*, Stockwell rejects the common claim in previous Grant scholarship that he handed the reservations over to Christian missionaries as part of his original policy. In part because Grant's plan ended political patronage, Congress overturned his policy by disallowing Army officers from serving in civil posts, abandoning the treaty system, and making the new Board of Indian Commissioners the supervisors of the Indian service. Only after Congress banned Army officers from the Indian service did Grant place missionaries in charge of the reservations, and only after the board falsely accused Parker of fraud before Congress did Grant lose faith in his original policy. Stockwell explores in depth the ousting of Parker, revealing the deep-seated prejudices that fueled opposition to him, and details Grant's stunned disappointment when the Modoc murdered his peace commissioners and several tribes—the Comanche, Kiowa, Cheyenne, and Sioux—rose up against his plans for them. Though his dreams were interrupted through the opposition of Congress, reformers, and the tribes themselves, Grant set his country firmly toward making Indians full participants

Read Online American Ulysses A Life Of Ulysses S Grant

in the national experience. In setting Grant's contributions against the wider story of the American Indians, Stockwell's bold, thoughtful reappraisal reverses the general dismissal of Grant's approach to the Indians as a complete failure and highlights the courage of his policies during a time of great prejudice.

An analysis of Ulysses Grant's pivotal contributions during the Civil War and his presidency covers his defense of black civil rights, his willingness to sacrifice troops to win the war, and the criticism over his Reconstruction policies.

In the tradition of Wills's "Lincoln at Gettysburg, Lincoln's Greatest Speech" combines impeccable scholarship and lively, engaging writing to reveal the full meaning of one of the greatest speeches in the nation's history.

An excellent and diligently researched biography of Julia Boggs Dent Grant (1826-1902), the wife of the 18th President of the United States, Ulysses S. Grant, and First Lady of the United States from 1869 to 1877. An active participant in presidential matters, The First Lady was widely regarded to possess tremendous strength of character, sharing in the mixed fortunes of her husband, promoting his welfare, loved and cared for her family, and fulfilled her patriotic duty as First Lady. She reveled in her role as hostess to the nation, and by all accounts brought warmth and a home-like atmosphere to the White House. Includes over 15 B&W illustrations. The fact that Abraham Lincoln is now universally

Read Online American Ulysses A Life Of Ulysses S Grant

recognized as America's greatest political orator would have surprised many of the citizens who voted him into office. Ungainly in stature and awkward in manner, the newly elected Lincoln was considered a Western stump speaker and debater devoid of rhetorical polish. Then, after the outbreak of the Civil War, he stood before the nation to deliver his Message to Congress in Special Session on July 4, 1861, and, as a contemporary editor put it, "some of us who doubted were wrong." In *The Eloquent President*, historian Ronald White examines Lincoln's astonishing oratory and explores his growth as a leader, a communicator, and a man of deepening spiritual conviction. Examining a different speech, address, or public letter in each chapter, White tracks the evolution of Lincoln's rhetoric from the measured, lawyerly tones of the First Inaugural, to the imaginative daring of the 1862 Annual Message to Congress, to the haunting, immortal poetry of the Gettysburg Address. As a speaker who appealed not to intellect alone, but also to the hearts and souls of citizens, Lincoln persuaded the nation to follow him during the darkest years of the Civil War. Through the speeches and what surrounded them—the great battles and political crises, the president's private anguish and despair, the impact of his words on the public, the press, and the nation at war—we see the full sweep and meaning of the Lincoln presidency. As he weighs the biblical cadences and vigorous parallel structures that make Lincoln's rhetoric soar, White identifies a passionate religious strain that most historians have overlooked. It is White's contention that as president Lincoln not only grew into an inspiring

Read Online American Ulysses A Life Of Ulysses S Grant

leader and determined commander in chief, but also embarked on a spiritual odyssey that led to a profound understanding of the relationship between human action and divine will. Brilliantly written, boldly original in conception, *The Eloquent President* blends history, biography, and a deep intuitive appreciation for the quality of Lincoln's extraordinary mind. With grace and insight, White captures the essence of the four most critical years of Lincoln's life and makes the great words live for our time in all their power and beauty.

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

In the spring of 1884 Ulysses S. Grant heeded the advice of Mark Twain and finally agreed to write his memoirs. Little did Grant or Twain realize that this seemingly straightforward decision would profoundly alter not only both their lives but the course of American literature. Over the next fifteen months, as the two men became close friends and intimate collaborators, Grant raced against the spread of cancer to compose a triumphant account of his life and times—while Twain struggled to complete and publish his greatest novel, *Adventures of Huckleberry Finn*. In this deeply moving and meticulously researched book, veteran writer Mark Perry reconstructs the heady months when Grant and Twain inspired and cajoled each other to create two quintessentially American masterpieces. In a bold and colorful narrative, Perry recounts the early careers of

Read Online American Ulysses A Life Of Ulysses S Grant

these two giants, traces their quest for fame and elusive fortunes, and then follows the series of events that brought them together as friends. The reason Grant let Twain talk him into writing his memoirs was simple: He was bankrupt and needed the money. Twain promised Grant princely returns in exchange for the right to edit and publish the book—and though the writer’s own finances were tottering, he kept his word to the general and his family. Mortally ill and battling debts, magazine editors, and a constant crush of reporters, Grant fought bravely to get the story of his life and his Civil War victories down on paper. Twain, meanwhile, staked all his hopes, both financial and literary, on the tale of a ragged boy and a runaway slave that he had been unable to finish for decades. As Perry delves into the story of the men’s deepening friendship and mutual influence, he arrives at the startling discovery of the true model for the character of Huckleberry Finn. With a cast of fascinating characters, including General William T. Sherman, William Dean Howells, William Henry Vanderbilt, and Abraham Lincoln, Perry’s narrative takes in the whole sweep of a glittering, unscrupulous age. A story of friendship and history, inspiration and desperation, genius and ruin, Grant and Twain captures a pivotal moment in the lives of two towering Americans and the age they epitomized.

A dual biography and a fresh approach to the always compelling subject of these two iconic leaders—how they fashioned a distinctly American war, and a lasting peace, that fundamentally changed our nation

Book Review 10 Best Books of 2017 “Eminently readable but thick with import . . . Grant hits like a Mack truck of knowledge.” —Ta-Nehisi Coates, *The Atlantic*

Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our most compelling generals and presidents, Ulysses S. Grant. Ulysses S. Grant's life has typically been misunderstood. All too often he is caricatured as a chronic loser and an inept businessman, or as the triumphant but brutal Union general of the Civil War. But these stereotypes don't come close to capturing him, as Chernow shows in his masterful biography, the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency. Before the Civil War, Grant was flailing. His business ventures had ended dismally, and despite distinguished service in the Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness. But in war, Grant began to realize his remarkable potential, soaring through the ranks of the Union army, prevailing at the battle of Shiloh and in the Vicksburg campaign, and ultimately defeating the legendary Confederate general Robert E. Lee. Along the way, Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort. Grant's military fame translated into a two-term presidency, but one plagued by corruption scandals involving his closest staff members. More important, he sought freedom and justice for black Americans, working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass, who called

Read Online American Ulysses A Life Of Ulysses S Grant

him “the vigilant, firm, impartial, and wise protector of my race.” After his presidency, he was again brought low by a dashing young swindler on Wall Street, only to resuscitate his image by working with Mark Twain to publish his memoirs, which are recognized as a masterpiece of the genre. With lucidity, breadth, and meticulousness, Chernow finds the threads that bind these disparate stories together, shedding new light on the man whom Walt Whitman described as “nothing heroic... and yet the greatest hero.” Chernow’s probing portrait of Grant’s lifelong struggle with alcoholism transforms our understanding of the man at the deepest level. This is America’s greatest biographer, bringing movingly to life one of our finest but most underappreciated presidents. The definitive biography, Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all sides of Grant’s life, explaining how this simple Midwesterner could at once be so ordinary and so extraordinary. Named one of the best books of the year by Goodreads • Amazon • The New York Times • Newsday • BookPage • Barnes and Noble • Wall Street Journal

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce

Read Online American Ulysses A Life Of Ulysses S Grant

pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Lehrman Military History Book Prize In his time, Ulysses S. Grant was routinely grouped with George Washington and Abraham Lincoln in the “Trinity of Great American Leaders.” But the battlefield commander—turned—commander-in-chief fell out of favor in the twentieth century. In *American Ulysses*, Ronald C. White argues that we need to once more revise our estimates of him in the twenty-first. Based on seven years of research with primary documents—some of them never examined by previous Grant scholars—this is destined to become the Grant biography of our time. White, a biographer exceptionally skilled at writing momentous history from the inside out, shows Grant to be a generous, curious, introspective man and leader—a willing delegator with a natural gift for managing the rampaging egos of his fellow officers. His wife, Julia Dent Grant, long marginalized in the historic record, emerges in her own right as a spirited and influential partner. Grant was not only a brilliant general but also a passionate defender of equal rights in post-Civil War America. After winning election to the White House in 1868, he used the power of the federal government to battle the Ku Klux Klan. He was the first president to state that the government’s policy toward American Indians was immoral, and the first ex-president to embark on a world tour, and he cemented his reputation for courage by racing against death to complete his *Personal Memoirs*. Published by Mark Twain, it is widely considered to be the greatest autobiography by an American leader, but its place in Grant’s life story has never been fully explored—until now. One of those rare

Read Online American Ulysses A Life Of Ulysses S Grant

books that successfully recast our impression of an iconic historical figure, *American Ulysses* gives us a finely honed, three-dimensional portrait of Grant the man—husband, father, leader, writer—that should set the standard by which all future biographies of him will be measured. Praise for *American Ulysses* “[Ronald C. White] portrays a deeply introspective man of ideals, a man of measured thought and careful action who found himself in the crosshairs of American history at its most crucial moment.”—USA Today “White delineates Grant’s virtues better than any author before. . . . By the end, readers will see how fortunate the nation was that Grant went into the world—to save the Union, to lead it and, on his deathbed, to write one of the finest memoirs in all of American letters.”—The New York Times Book Review “Ronald White has restored Ulysses S. Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly. Like Grant himself, this book will have staying power.”—The Wall Street Journal “Magisterial . . . Grant’s esteem in the eyes of historians has increased significantly in the last generation. . . . [American Ulysses] is the newest heavyweight champion in this movement.”—The Boston Globe “Superb . . . illuminating, inspiring and deeply moving.”—Chicago Tribune “In this sympathetic, rigorously sourced biography, White . . . conveys the essence of Grant the man and Grant the warrior.”—Newsday

Ulysses S. Grant is often accused of being a cold-hearted butcher of his troops. In *Ulysses S. Grant: A Victor, Not a Butcher*, historian Edward H. Bonekemper III proves that Grant’s casualty rates actually compared favorably with

those of other Civil War generals. His perseverance, decisiveness, moral courage, and political acumen place him among the greatest generals of the Civil War—indeed, of all military history. Bonekemper proves that it was no historical accident that Grant accepted the surrender of three entire Confederate armies and won the Civil War. Bonekemper ably silences Grant’s critics and restores Grant to the heroic reputation he so richly deserves.

This is the first complete annotated edition of Grant’s memoirs, fully representing the great military leader’s thoughts on his life and times through the end of the Civil War—including the antebellum era and the Mexican War—and his invaluable perspective on battlefield decision making. An introduction contextualizes Grant’s life and significance. With kaleidoscopic, trenchant, path-breaking insights, Elizabeth D. Samet has produced the most ambitious edition of Ulysses Grant’s Memoirs yet published. One hundred and thirty-three years after its 1885 publication by Mark Twain, Elizabeth Samet has annotated this lavish edition of Grant’s landmark memoir, and expands the Civil War backdrop against which this monumental American life is typically read. No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet, an English professor obsessed with Grant for decades, brings to the table. Whether exploring novels Grant read at West Point or presenting majestic images culled from archives, Samet curates a richly annotated, highly collectible edition that will fascinate Civil War buffs. The edition also breaks new ground in its attack on the “Lost Cause” revisionism that still distorts our national conversation about the legacy of the Civil War. Never has Grant’s transformation from tanner’s son to military leader been more insightfully and passionately explained than in this timely edition, appearing on the 150th anniversary of Grant’s 1868 presidential election.

The Civil War's greatest general as you've never seen him before, in a revealing collection of letters to his wife Julia introduced by Ron Chernow. Ulysses S. Grant is justly celebrated as the author of one of the finest military autobiographies ever written, yet many readers of his Personal Memoirs are unaware that during his army years Grant wrote hundreds of intimate and revealing letters to his wife, Julia Dent Grant. Presented with an introduction by acclaimed biographer Ron Chernow, *My Dearest Julia* collects more than eighty of these letters, beginning with their engagement in 1844 and ending with the Union victory in 1865. They record Grant's first experience under fire in Mexico ("There is no great sport in having bullets flying about one in every direction but I find they have less horror when among them than when in anticipation"), the aching homesickness that led him to resign from the peacetime army, and his rapid rise to high command during the Civil War. Often written in haste, sometimes within the sound of gunfire, his wartime letters vividly capture the immediacy and uncertainty of the conflict. Grant initially hoped for an early conclusion to the fighting, but then came to accept that the war would have no easy end. "The world has never seen so bloody or so protracted a battle as the one being fought," he wrote from Spotsylvania in 1864, "and I hope never will again."

"If you read one book about Lincoln, make it A. Lincoln."—USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Philadelphia Inquirer • The Christian Science Monitor • St. Louis Post-Dispatch. NEW YORK TIMES BESTSELLER WINNER OF THE CHRISTOPHER AWARD Everyone wants to define the man who signed his name "A. Lincoln." In his lifetime and ever since, friend and foe have taken it upon themselves to characterize Lincoln according to their own label or libel. In

this magnificent book, Ronald C. White, Jr., offers a fresh and compelling definition of Lincoln as a man of integrity—what today’s commentators would call “authenticity”—whose moral compass holds the key to understanding his life. Through meticulous research of the newly completed Lincoln Legal Papers, as well as of recently discovered letters and photographs, White provides a portrait of Lincoln’s personal, political, and moral evolution. White shows us Lincoln as a man who would leave a trail of thoughts in his wake, jotting ideas on scraps of paper and filing them in his top hat or the bottom drawer of his desk; a country lawyer who asked questions in order to figure out his own thinking on an issue, as much as to argue the case; a hands-on commander in chief who, as soldiers and sailors watched in amazement, commandeered a boat and ordered an attack on Confederate shore batteries at the tip of the Virginia peninsula; a man who struggled with the immorality of slavery and as president acted publicly and privately to outlaw it forever; and finally, a president involved in a religious odyssey who wrote, for his own eyes only, a profound meditation on “the will of God” in the Civil War that would become the basis of his finest address. Most enlightening, the Abraham Lincoln who comes into focus in this stellar narrative is a person of intellectual curiosity, comfortable with ambiguity, unafraid to “think anew and act anew.” A transcendent, sweeping, passionately written biography that greatly expands our knowledge and understanding of its subject, A. Lincoln will engage a whole new generation of Americans. It is poised to shed a profound light on our greatest president just as America commemorates the bicentennial of his birth.
