

Amorc Rosicrucian Monographs

Western Esotericism in Scandinavia is a detailed encyclopaedic work covering all major esoteric currents in Denmark, Finland, Norway, and Sweden.

2014 Reprint of 1932 Sixth Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Originally published as part of the Rosicrucian library Volume 5, this work is divided into 12 sections, and offers timeless advice on ethics, morality, man's duty to himself, his family and his society and his place in the universe. The book is thought by some to have been written by the Egyptian Pharaoh Amenhotep IV during the years 1360 to 1350 B.C. More commonly known as Akenaton, the pharaoh is generally credited as being the founder of the world's earliest monotheistic religion. The language is poetic and the advice is timeless. Written in a style similar to the biblical Book of Proverbs, "Unto The I Grant" uses vivid sayings so its counsel will be easily remembered when needed. For example, when the author warns against seeking revenge for earthly slights, he writes: Revenge is painful in the intent, and it dangerous in the execution; seldom doth the axe fall where he who lifted it up intended; and lo, he remembereth not that it will recoil against him. It is noteworthy how true these discourses remain 3000 years after they were written. The sections on dealing with servants and subordinates are a text book modern managers could learn much from. Whether you are looking for a code of ethics, a manual for modern living or just good literature, Unto Thee I Grant would be a must for the library of any sincere seeker.

"The catastrophic problems we face today are speeding up the pace of evolution and calling forth the current expansion in human consciousness. With our world in crisis, our very survival depends on our ability to access higher sources of wisdom and guidance," says author Colleen Mauro, former founder / chief editor of the magazine Intuition The aim of this book is to help people access higher sources of wisdom and guidance. Written in a personal, easy-to-read style, it provides both theory and ancient techniques from the Ageless Wisdom Tradition linking mind and soul. Colleen covers a variety of spiritual traditions and also explains how the new science validates these ancient teachings. She shows that celebrated creative thinkers--those we call geniuses or visionaries--all have the ability to access the subtle world of the soul. But, with inspiring stories of "ordinary people," she also assures us that we can all gain access to the universal wellspring of creativity and inspiration.

This is a thorough presentation of the Rosicrucian system of initiation by Dr. Paul Foster Case. He explains that Rosicrucianism is based upon earthly organizations, but on personal unflodment, and clearly describes the distinctive marks of a Rosicrucian. The treatise is divided into two main parts by Dr. Case. The first is a careful examination and interpretation of the principle Rosicrucian manefestos, the Fama Fraternitatis and the Confessio Fraternitatis. The second part is an explanation of the Rosicrucian grade system, as applied to the diagram of the Tree of Life and tarot attributions. By participating in the outlined procedures, aspirants are put on the right track of preparing themselves for union with the Higher Self, which may or may not include group work with an outer order or fraternity. The first editions of 1927, 1928 and 1933 were of limited publication. The fourth and most complete expansion of the text by Paul Case was finished in 1937, revised by him in 1953 just before his death and published in by Weiser in 1985. It represents the full maturity of his thought on this subject.

The Holy Grail has become a popular field of study in recent years, however most books on the subject are written by authors who are not themselves initiated into the mystery school tradition of the Grail. Revelation of the Holy Grail is one of the first books on the subject which is written by an initiate within several of the Knighthood Orders associated with the Grail Tradition. This book provides many previously unpublished facts about the history and tradition of the Grail movement, which includes some of the most influential people in human history. The Quest of the Holy Grail has proved to really be about the quest for human civilization. It has spawned not only the greatest political movements in history, but also it has been the cornerstone of human technology. Alchemy, Hebrew Mysteries, Templar Secrets, ancient technologies, Gnostic traditions, and secret societies have all been involved in this exciting history which is the backbone of our modern day world.

Monographs on esoteric spirituality and Green politics:- Jehovah God of evil, Cosmos and black holes, Golden Ratio and Fibonacci series of numbers, Global warming, peak oil, resource depletion, unsustainable population, Earth as a living, conscious being. Also Dragon myths and legends from around the World, and Jungian Archetypes.

A compilation of important and banal inside information such as the secret recipe for Oysters Rockefeller and the phone company's own unlisted numbers

This book contains the most awesome secrets ever known to man—ready to be used by you to attain the riches, influence and joy you've always wanted! By using the staggering power of these age-old secrets—jealously guarded by the wealthiest and most influential people in history—you'll quickly discover how to release a flood of riches into your life... how to gain influence and control over others... bring new romance into your marriage or social life... gain the instant respect of everyone you meet... overcome any threat that face you now! Here is the ancient might of the Mystic Masters immediately ready to help you to the pinnacle of money, fame, and power!

This book analyses and provides insights into eight key parts of a meaningful life, which when mastered, will make big difference in your life. Due to the complexity of our biological make up, it's almost impossible to cover all relevant topics without losing focus on what's important. The aim is to give you a starting point so that you can ask yourself questions about who you really are and what you need to do to be the best you can be. Normally, that is only possible by understanding basic holistic principles of your being, such as interaction of your mind, body and consciousness for the creation of the perfection that you are. The main reason is that everything comes from within and everything you will ever need resides right within you and nowhere else. This means that if you want something, look no further than yourself. Because whatever you desire, you already have it within you and when you become consciously aware of it, the universe has no other choice but to abide by your desire. This book provides you with the starting point of your journey into self-awareness. Here is the brief summary of the topics covered: understanding your thoughts and dreams; the complex relationship of your thoughts and emotions; causes of stress; living in now; the power of self-belief; effective communication; relationships and understanding your body. Naturally, it will take many books and volumes to truly depict principles behind the mastery of life, but every journey starts with one small step and maybe this book represents that step; the step that will ultimately lead you to master your own life.

In October 1994, fifty-three members of the Order of the Solar Temple in Switzerland and Québec were murdered or committed suicide. This incident and two later group suicides in subsequent years played a pivotal role in inflaming the cult controversy in Europe, influencing the public to support harsher actions against non-traditional religions. Despite the importance of the Order of the Solar Temple, there are relatively few studies published in English. This book brings together the best scholarship on the Solar Temple including newly commissioned pieces from leading scholars, a selection of Solar Temple documents, and important previously published articles newly edited for inclusion within this book. This is the first book-length study of the Order of the Solar Temple to be published in English.

Provides a history of spiritualism in America and discusses the development of theosophy

The Ancient and Mystic Order of Rosae Crucis bills itself as a nonsectarian group whose members study the mysteries of the universe. Through weekly monographs, AMORC dispenses lessons in telepathy, telekinesis, and other supernatural activities. Spiritual seekers might believe that AMORC can deliver on its promise to help them achieve cosmic consciousness. Skeptics might dismiss it as harmless nonsense. Both would be wrong. A former AMORC member, Pierre S. Freeman reveals the cult's hidden agenda, along with the advanced hypnotic techniques it employs to slowly gain control over the people who join. If you are thinking about becoming involved with the order, or you want to free yourself from its grasp, you will find the insider knowledge within "AMORC Unmasked" invaluable. About the Author Pierre S. Freeman was exposed to AMORC's mind-control techniques for twenty-four years. In his first book, "The Prisoner of San Jose," he describes his experiences with the order, and how he finally deprogrammed himself. Freeman is currently a successful analyst for several large financial institutions in the Minneapolis area. This Is A New Release Of The Original 1918 Edition.

Vols. for 1980- issued in three parts: Series, Authors, and Titles.

2012 Reprint of 1930 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Founder of the Ancient and Mystic Order Rosae Crucis (AMORC), a modern revival Rosicrucian order headquartered at San Jose, California. Lewis was born in Frenchtown, New Jersey, November 25, 1883, of Welsh ancestry. In 1904 Lewis founded and served as president of the New York Institute for Psychical Research. The institute specialized in occult studies with emphasis on Rosicrucian teachings. The AMORC was organized in several stages over the next years, and by 1917 held its first national convention in Pittsburgh, at which Lewis established his plan to develop correspondence courses. AMORC taught philosophical and mystical practices in order to develop the latent faculties of man, and it sold literature by mail order. Lewis himself authored the basic set of correspondence lessons and a number of the books published by AMORC. This is the authors and the orders view on the subject of the soul and reincarnation

This encyclopedia provides an overview of the main religions of Latin America and the Caribbean, both its centralized transnational expressions and its local variants and schisms. These main religions include (but are not limited to) the major expressions of Christianity (Roman Catholicism, Protestantism, Pentecostalism, Mormonism, and Jehovah's Witnesses), indigenous religions (Native American, Maya religion), syncretic Christianity (including Afro-Brazilian religions like Umbanda and Candomblé and Afro-Caribbean religions like Vodun and Santería), other world religions (Buddhism, Hinduism, Judaism, Islam), transnational New Religious Movements (Scientology, Unification Church, Hare Krishna, New Age, etc.), and new local religions (Brazil's Igreja Universal, La Luz del Mundo from Mexico, etc.).

An overview of Western esoteric currents since late antiquity, with an emphasis on the last six centuries. Widely received in France, this brief, comprehensive introduction to Western esotericism by the founder of the field is at last available in English. A historical and pedagogical guide, the book is written primarily for students and novices. In clear, precise language, author Antoine Faivre provides an overview of Western esoteric currents since late antiquity. The bulk of the book is laid out chronologically, from ancient and medieval sources (Alexandrian Hermetism, Gnosticism, Neoplatonism), through the Renaissance up to the present time. Its coverage includes spiritual alchemy, Jewish and Christian Kabbalah, Christian theosophy, Rosicrucianism, Illuminism, "mystical" Freemasonry, the "occultist" current, Theosophical and Anthroposophical Societies, the Traditionalist School, and "esotericism" in contemporary initiatic societies and in New Religious Movements. Faivre explores how these currents are connected, and refers to where they appear in art and literature. The book concludes with an annotated bibliography, which makes it an essential resource for beginners and scholars alike. "A characteristically erudite, sweeping brief survey of the field of Western esotericism, at once accessible and bristling with details. This is a valuable overview, from the inimitable perspective of the field's founder, for those who wish to delve into this fascinating and thriving area of contemporary scholarship." — Arthur Versluis, author of *Restoring Paradise*, *Wisdom's Children*, and *Magic and Mysticism* "The classic survey of Western esotericism by the most knowledgeable and influential scholar of his generation is now finally accessible to English readers, in an updated edition that takes account of current developments. This small but precious volume will be indispensable for anybody who wishes to be well informed about the historical backgrounds and development of esoteric currents from antiquity to the present." — Wouter J. Hanegraaff, University of Amsterdam

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

2013 Reprint of 1935 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Learn to use practical Rosicrucian principles to help solve your everyday problem both at home and in business dealings. This book gives you specific examples of how to attain health, happiness, and success. Avoid the delays and disappointments that stand between you and your goals by recognizing the right and wrong ways to use metaphysical and mystical principles. Spencer was a founder of the Ancient and Mystic Order Rosae Crucis (AMORC), a modern revival Rosicrucian order headquartered at San Jose, California. Lewis was born in Frenchtown, New Jersey, November 25, 1883, of Welsh ancestry. In 1904 Lewis founded and served as president of the New York Institute for Psychical Research. The institute specialized in occult studies with emphasis on Rosicrucian teachings. The AMORC was organized in several stages over the next years, and by 1917 held its first national convention in Pittsburgh, at which Lewis established his plan to develop correspondence courses. AMORC taught philosophical and mystical practices in order to develop the latent faculties of man, and it sold literature by mail order. Lewis himself authored the basic set of correspondence lessons and a number of the books published by AMORC.

This antiquarian volume contains Harvey Spencer Lewis's complete guide to life and business based on Rosicrucian principles. Lewis's teachings have been employed by innumerable businesses and business men and women to great success - and with the publication of this book, anyone can be a part of this prosperity. The book instructs the reader in what they should do, and equally, what they should not do - as well as when and how they should proceed in their business affairs. The chapters of this book include: 'The Problem of Mastership', 'Man a Free Agent', 'Cosmic Rhythm and the Cycles of Life', 'The Periods of Earthly Cycles', 'The Simple Periods of Human Life', 'The Yearly Cycle of Human Life with Descriptions of Cycle No. 2', etcetera. This book is being republished now in an affordable, modern edition, complete with a specially commissioned new biography of the author.

Between the 1880s and 1980s, British excavations at locations across Egypt resulted in the discovery of hundreds of thousands of ancient objects that were subsequently sent to some 350 institutions worldwide. These finds included unique discoveries at iconic sites such as the tombs of ancient Egypt's first rulers at Abydos, Akhenaten and Nefertiti's city of Tell el-Amarna and rich Roman Era burials in the Fayum.

Scattered Finds explores the politics, personalities and social histories that linked fieldwork in Egypt with the varied organizations around the world that received finds. Case studies range from Victorian municipal museums and women's suffrage campaigns in the UK, to the development of some of the USA's largest institutions, and from university museums in Japan to new institutions in post-independence Ghana. By juxtaposing a diversity of sites for the reception of Egyptian cultural heritage over the period of a century, Alice Stevenson presents new ideas about the development of archaeology, museums and the construction of Egyptian heritage. She also addresses the legacy of these practices, raises questions about the nature of the authority over such heritage today, and argues for a stronger ethical commitment to its stewardship. Praise for Scattered Finds 'Scattered Finds is a remarkable achievement. In charting how British excavations in Egypt dispersed artefacts around the globe, at an unprecedented scale, Alice Stevenson shows us how ancient objects created knowledge about the past while firmly anchored in the present. No one who reads this timely book will be able to look at an Egyptian antiquity in the same way again.' Professor Christina Riggs, UEA

The Rosicrucian Fraternity announced their existence some four centuries ago. Since then there has been much speculation about the brotherhood regarding their secrets, their history, and their existence. Time has spawned numerous imitators, voluble detractors, and earnest defenders of the Fraternity. The only certainty lies in the early manuscripts and publications; these works are presented together in this volume. Herein are all of the crucial Rosicrucian documents. The Fama Fraternitatis proclaims the existence of the brotherhood to the world and calls for sincere Christian reformation. The Confessio Fraternitatis gives more details on their history and teachings. The Chemical Wedding is considered by some to be a key alchemical work by the brotherhood. When the Fama was first printed, it was accompanied by the by Trajano Boccalini. Each of these works is presented in an early English translation, along with the original prefaces. Also included is Thomas Vaughn's lengthy preface to the first English publication of Fama and Confession This edition includes introductions to every Rosiucrucian work, useful footnotes, historical information, and latin, german and greek translations from noted Rosicrucian scholar Benedict J. Williamson. Williamson has compared numerous translations of the various works to produce the most authoritative and accurate version to date of these forgotten historical treasures.

The author, a former high ranking Rosicrucian and prolific author on the subject for many years, reveals the true history of the Rosicrucian order. Many popular accounts put forth the idea that it was started in Germany in the seventeenth century by Christian Rosenkreuz, but Lewis shows how and why the order and its origins goes much further back into the past than this story relates. According to the author, there was simply a revival taking place in the seventeenth century that has continued on until today. Explore some of the world's most ancient mystical secrets, what they really mean, and why they were preserved for centuries by the Rosicrucians.

AMORC UnmaskedThe Hidden Mind Control Techniques of the Rosicrucian Order : the Cult of H. Spencer Lewis, Ralph M. Lewis, and Christian Bernard Finally Exposed!Wheatmark, Inc.

This book contains a comprehensive account of the history and philosophy of the largest and most succesful Rosicrucian organization of the 20th century, A.M.O.R.C. [Ancient Mystical Order Rosae Crucis]. The book mainly focuses on the period 1915-1990, the period from its foundation up to the so-called "1990 Rosicrucian Reorganization" when the original Order schismed. The final chapter of this book is dedicated to the post-1990 period of the American Rosicrucian Order [1991-2019].

This is a new release of the original 1929 edition.

The Prisoner of San Jose, a memoir by Pierre S. Freeman, exposes the ancient mystical order of Rosae Crucis, also known as AMORC, located in San Jose. AMORC recruited Freeman, a young engineering student in Haiti, and exposed him to twenty-four years of sustained indoctrination and mind control. Having no family or friends able to substantially help him, no exit psychologist, deprogrammer, or interventionist to guide him, Freeman methodically studied the cult experience, analyzing the mind control and hypnotic procedures that were affecting his life. The Prisoner of San Jose is about how Freeman deprograms himself and recovers the mental and emotional stability he lost twenty-four years earlier. Most importantly, the story is about hope, and how Freeman is finally able to reclaim the liberty of his own personality.
