Our culture drives us to crave many things: wealth, popularity, success, finding a spouse, having a child, or staying healthy. None of these things are inherently bad, but none of these will satisfy our greatest craving: to be loved by our Savior. This book shows the reader that God is determined to reach us; that He will settle for nothing less than to be connected to us. He reaches out to give us a life that has more depth, fullness, substance and meaning than we could ever imagine. Her Serene Highness, Princess Grace of Monaco, the legendary Hollywood screen siren, Grace Kelly is an American icon whose beauty is unrivalled, and whose oft-imitated aristocratic style and cool elegance has never been eclipsed. Wendy Leigh- after three years' research - has gained unprecedented access to over one hundred sources who have never talked about Grace before, including nine of her until now undisclosed romances - among them an English aristocrat, an American tennis player, and a Hollywood legend - and also including her priest friend, Father Peter Jacobs, and Bernard Combemal, the former head of the S.B.M, the consortium that runs Monaco. Wendy Leigh provides revealing new details about Grace's life, including her premarital romantic swan song which took place during her voyage to Monaco, the hitherto untold story of her troubling

relationship with bridesmaid, Carolyn Reybold and the moving story of Grace's lifelong relationship with actor, David Niven. Wendy Leigh paints a compelling portrait of Grace, the ambitious young actress, Grace, the dutiful princess who transformed the principality of Monaco into a jet-set haven, Grace, the kind-hearted philanthropist, Grace, the loving mother, and Grace, the patriotic American. Wendy Leigh's book has not been written for those readers who wish to view Grace as a saint, but for those who - like Leigh herself - believes that she was a strong and wonderful woman.

Grace is at the center of Christian experience and, indeed, sums it up in a single word. The doctrines of Christianity do not exist as a set of unrelated propositions. They are closely interrelated and give witness to a single reality - the gracious reality of God. This single reality provides the unifying principle through which all Christian doctrines are interconnected. Grace in Experience and Theology explores the many aspects of this unifying principle called grace.

Twenty years ago, Jerry Sittser lost his daughter, wife, and mother in a car accident. He chronicled that tragic experience in *A Grace Disguised*, a book that has become a classic on the topic of grief and loss. Now he asks: How do we live meaningfully, even fruitfully, in this world and at the same time long for heaven? How do we respond to the paradox of being a new creature in Christ even though

we don't always feel or act like one? How can we trust God is involved in our story when our circumstances seem to say he isn't? While *A Grace Disguised* explored how the soul grows through loss, *A Grace Revealed* brings the story of Sittser's family full circle, revealing God's redeeming work in the midst of circumstances that could easily have destroyed them. As Sittser reminds us, our lives tell a good story after all. *A Grace Revealed* will help us understand and trust that God is writing a beautiful story in our own lives.

Looking back at a tragic event that occurred during his thirteenth year, Frank Drum explores how a complicated web of secrets, adultery, and betrayal shattered his Methodist family and their small 1961 Minnesota community.

Here are all Grace Paley's classic stories in one volume. From her first book *THE LITTLE DISTURBANCES OF MAN* (1959), to *ENORMOUS CHANGES AT THE LAST MINUTE* (1974) and *LATER THE SAME DAY* (1985), Grace Paley's quirky, boisterous characters and rich use of language have won her readers' hearts and secured her place as one of America's most accomplished short story writers. Her stories are united by her signature interweaving of personal and political truths, her extraordinary capacity for empathy and her pointed depiction of the small and large events that make up daily life.

Shares the story of the revolutionary Marxist and Catholic Grace Holmes Carlson

and her life-long dedication to challenging social and economic inequality On December 8, 1941, Grace Holmes Carlson, the only female defendant among eighteen Trotskyists convicted under the Smith Act, was sentenced to sixteen months in federal prison for advocating the violent overthrow of the government. After serving a year in Alderson prison, Carlson returned to her work as an organizer for the Socialist Workers Party (SWP) and ran for vice president of the United States under its banner in 1948. Then, in 1952, she abruptly left the SWP and returned to the Catholic Church. With the support of the Sisters of St. Joseph, who had educated her as a child, Carlson began a new life as a professor of psychology at St. Mary's Junior College in Minneapolis where she advocated for social justice, now as a Catholic Marxist. *The Fierce Life of Grace Holmes Carlson: Catholic, Socialist, Feminist* is a historical biography that examines the story of this complicated woman in the context of her times with a specific focus on her experiences as a member of the working class, as a Catholic, and as a woman. Her story illuminates the workings of class identity within the context of various influences over the course of a lifespan. It contributes to recent historical scholarship exploring the importance of faith in workers' lives and politics. And it uncovers both the possibilities and limitations for working-class and revolutionary Marxist women in the period between the first

and second wave feminist movements. The long arc of Carlson's life (1906–1992) ultimately reveals significant continuities in her political consciousness that transcended the shifts in her particular partisan commitments, most notably her life-long dedication to challenging the root causes of social and economic inequality. In that struggle, Carlson ultimately proved herself to be a truly fierce woman.

In *Enormous Changes at the Last Minute*, originally published in 1974, Grace Paley "makes the novel as a form seem virtually redundant" (Angela Carter, *London Review of Books*). Her stories here capture "the itch of the city, love between parents and children" and "the cutting edge of combat" (Lis Harris, *The New York Times Book Review*). In this collection of seventeen stories, she creates a "solid and vital fictional world, cross-referenced and dense with life" (Walter Clemons, *Newsweek*).

"Sarah Kaufman offers an old-fashioned cure for a modern-day ailment. The remedy for our culture of coarseness is grace...This is an elegant, compelling, and, yes, graceful book." —Daniel H. Pink, author of *Drive* In this joyful exploration of grace's many forms, Pulitzer Prize-winning critic Sarah L. Kaufman celebrates a too-often-forgotten philosophy of living that promotes human connection and fulfillment. Drawing on the arts, sports, the humanities, and everyday life—as well as the latest findings in neuroscience and health research—Kaufman illuminates how our bodies and our brains are designed for grace. She promotes a holistic appreciation and practice of grace, as the joining of body, mind, and spirit, and as a way to nurture ourselves and others.

"For as long as I can remember, life has been measured in seconds. The fewer, the better." Most people equate success with having more, but Sanya's quest was always for less. She started running track as a little girl in Jamaica and began competing when she was only seven. At 31 she's had a career's worth of conditioning to run a 400-meter race in 50 seconds, hopefully 49, or even better, 48. When she started training with her coach, Clyde Hart, they divided her race into four phases: push, pace, position, poise, and with the inherent prayer. For years Sanya worked to hone every phase in practice so that when it came time to race, her body would respond as her mind instinctively transitioned from one phase to the next. As she got older and embraced a life that measures more than just a number on the time clock, she has

realized the genius of this strategy for not just racing the 400 meters, but for living her best life. Sanya shares triumphant as well as heartbreaking stories as she reveals her journey to becoming a world-class runner. From her childhood in Jamaica to Athens, Beijing and London Olympics, readers will find themselves inspired by the unique insights she's gained through her victories and losses, including her devastating injury during the 2016 Olympic Trials forcing career retirement just weeks before Rio. Sanya demonstrates how even this devastating loss brought her closer to the ultimate goal of becoming all God created her to be. "Sometimes you think you are chasing a gold medal, but that's not what you are chasing. You're racing to become the best version of yourself."

journalist Jennifer Berry Hawes. On June 17, 2015, twelve members of the historically black Emanuel AME Church in Charleston, South Carolina welcomed a young white man to their evening Bible study. He arrived with a pistol, 88 bullets, and hopes of starting a race war. Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation. Two days later, some relatives of the dead stood at Roof's hearing and said, "I forgive you." That grace offered the country a hopeful ending to an awful story. But for the survivors and victims' families, the journey had just begun. In *Grace Will Lead Us Home*, Pulitzer Prize-winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath. With unprecedented access to the grieving families and other key figures, Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre's wake. The two adult survivors of the shooting begin to make sense of their lives again. Rifts form between some of the victims' families and the church. A group of relatives fights to end gun violence, capturing the attention of President Obama. And a city in the Deep South must confront its racist past. This is the story of how, beyond the headlines, a community of people begins to heal. An unforgettable and deeply human portrait of grief, faith, and forgiveness, *Grace Will Lead Us Home* is destined to be a classic in the finest tradition of journalism.
