The Merry Spinster Daniel M. Lavery,2018-03-13 From Mallory Ortberg comes a collection of darkly mischievous stories based on classic fairy tales. Adapted from the beloved Children's Stories Made Horrific series, The Merry Spinster takes up the trademark wit that endeared Ortberg to readers of both The Toast and the best-selling debut Texts From Jane Eyre. The feature has become among the most popular on the site, with each entry bringing in tens of thousands of views, as the stories proved a perfect vehicle for Ortberg's eye for deconstruction and destabilization. Sinister and inviting, familiar and alien all at the same time, The Merry Spinster updates traditional children's stories and fairy tales with elements of psychological horror, emotional clarity, and a keen sense of feminist mischief. Readers of The Toast will instantly recognize Ortberg's boisterous good humor and uber-nerd swagger: those new to Ortberg's oeuvre will delight in this collection's unique spin on fiction, where something a bit mischievous and unsettling is always at work just beneath the surface. Unflinching and faithful to its beloved source material, The Merry Spinster also illuminates the unsuspected, and frequently, alarming emotional complexities at play in the stories we tell ourselves, and each other, as we tuck ourselves in for the night. Bed time will never be the same.

One Night Scandal Christie Kelley,2011 From the author of Scandal of the Season comes this latest historical romance in which matchmaker and Spinster Club member Sophie Reynard faces male temptation and must decide what she truly desires. Original.

The Master's Violin Myrtle Reed, 1904 Myrtle Reed's classic novel is not simply a romantic story, but a celebration of life, love and the exquisiteness of music. The story involves a virtuoso violin player living in Lancaster, whose house is kept by his spinster sister. In a different neighborhood of town, an elderly lady who adopted and raised a young girl is surprised when her relatives- a widow and her son - arrive unannounced and wish to stay. The son, being musically talented, aspires to take up tutorage with the famous violinist of Lancaster. Thus begins an awkward situation that serves as a gauntlet for the passionate story which follows. Notably for a book of this genre, *The Master's Violin* contains many musings on the nature and value of family, music, parenthood, friendship and life. The reflective and thoughtful narration, along with the poignant descriptions of the master's performances, makes this a unique and memorable story. The author was among the most famous and appreciated novelists of her time. Unusually for a romance author, Reed also published a series of successful cookbooks. Though her fame declined in the years following her death in 1911 at the age of only 36, her books have maintained an appreciative audience into the 21st century.
