Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has

come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

In Ephesians 6:11, the Apostle Paul calls on all believers to put on the whole armor of God. We have many battles yet to fight but we do not fight to achieve victory; we fight from the victory already achieved on the cross. There are certain enemies whom God delivers you from, but there are other enemies He empowers you to have dominion over. Deliverance is what God does in you; dominion is what He does through you. You can stop being tired of going from deliverance to deliverance. You can escape the disappointment in the spiritual wilderness that follows what you believed to have been your freedom. You can stop the enemy from coming back again and again with the same strategy, and put him "down for the count" at last. You have been given all the weapons and spiritual armor you need - as you read this book, you will be equipped to use them. Get ready to Fight Back. Pastor Vlad leads you to Biblical truths in the

Scriptures, and through many of his numerous experiences. His inspirational stories will enable you to keep your feet walking daily on the pathway of dominion in every area of your life. It is time - - to put an end to battles that were passed onto you by others - to learn to use and master the spiritual weapons you have at your disposal - to overcome dark spiritual wildernesses and to renew your mind so that you can see the transformation in your personal life. It is time to Fight Back! Foreword by John Ramirez "I thank God for Pastor Vladimir Savchuk for having the heart and courage to expose the enemy through this powerful book called Fight Back. This book has many facets of being victorious and an overcomer. Fight Back is an amazing book that will help so many people understand the wiles and schemes of the enemy. It will also set many people free from fear and many other attacks to live a victorious life. One of the things that stood out is this amazing statement: 'Bondage makes you a slave; battle makes you a soldier.' It's time to be a soldier for Christ, and this book will be a good tool to add to your spiritual warfare collection." Evangelist John Ramirez, Author of Out of the Devil's Cauldron, Unmasking the Devil, and Armed and Dangerous. The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many

Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. *Understanding Spiritual Warfare* explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some,

physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

Power Over the Enemy Dr. Richard Ing shares his extensive worldwide experience with unseen and powerful enemies. He exposes how to defeat the deceptions used by Satan whose plan is to destroy your spirit, soul and body. He also shows how to be equipped for spiritual battle and how to: Bring powerful angels to assist you Identify the enemy's strategies Break through strongholds Receive divine protection Minister to the oppressed By exercising the authority that God has given you, you will discover that you have more power than Satan. Then, you can effectively block his evil attacks and achieve victory.

The Bible is clear that we face three different types of opposition while attempting to successfully navigate life as Ambassadors for Christ. Our opposition is identified in Scripture as "the world" (1 John 2:15-17), "the flesh" (Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual

warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne-- pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.

Destroy the Works of the Enemy will liberate those who struggle with oppression and depression. This book will teach readers how to exercise their authority as Christians over all the works of the enemy.

based upon years of experience and research and was written in consultation with orthodox, highly credentialed theologians, biblical scholars, clinicians, and attorneys. It is written from an evangelical Anglican perspective, but it will also be useful for other traditions. The manual describes various kinds of demonic attacks and discusses the reasons to involve medical and mental health professionals. Providing practical guidance for the deliverance ministry, it includes diagnostic procedures, insight into the makeup and training of a ministry team, the appropriate use of liturgies, pastoral care for victims and deliverance ministers, and legal considerations. The book devotes special attention to exorcisms, emphasizing the importance of a teamwork approach and the necessity of thorough preparedness, including an awareness of different strategies which demons may use to thwart exorcists. Rounding out the manual is a series of accessible, biblical, step-by-step instructions to assist ministers in helping others find freedom in Christ from demonic attacks. A Minister's Manual for Spiritual Warfare is a must-have for any Christian minister involved in deliverance ministry.

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you:

- Differentiate between myths and truths about spiritual warfare
- Recognize the everyday battles taking place around you
- Learn what demons really are and what they actually do
- Understand the rules for engaging the enemy
- Achieve victory in daily battles with the help of the Holy Spirit

wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary

The Bible is unequivocal: We live in a universe of unmistakable adversaries; our very lives are a fight. However such a large number of Christians lose a larger number of fights than they win and bear their stroll with God instead of appreciate it since they don't perceive the adversary when they see it. All the more critically, they have no clue about how to react. While society reveals to us we can respond just, in all actuality a desire, an expectation, and a petition are not the best reactions to assaults from the individuals who remain among us and the

Through his instructing on the best way to perceive and resolve assaults from the world, we discover that we are more than champions in Christ.

Many Christians have chosen to turn a deaf ear and blind eye to the subject of spiritual warfare, deliverance, and demons. It is important to equip yourself with the proper ammunition in order to stand against Satan and those who follow him. We must realize that Satan doesn't just hide behind every bush and under every rock. Sometimes he finds a resting place within our churches. He may sing a pretty lullaby to the church and prevent Christians from hearing the true Word of God. Demons have been at this game for a long time and unfortunately they know more scripture than most Christians. We must put on the full armor of God and realize this is war – not against flesh and blood, but against the rulers of darkness in high places (Eph. 6:12). Jesus Christ is where our power comes

Everything You Need to Know About Demons, What They Are, How They Operate, Demonic Possession, Demonic Oppression, and How to Cast Out Demons and Obtain Deliverance for Yourself and for Your Loved Ones. When it comes to the subject of demons, Christians fall into two equal and opposite extremes. The first extreme is believing that demons don't exist or that they don't have any power at all. While the second extreme is believing too much in them and attributing every problem in life to them. We need a balance between these two extremes, and this book provides the right balance needed to deal with demons, overcome them, and live a victorious life. In this Bible study, you will learn what demons are, their origins, their names, operations, and how to deal with them. You will learn that while demons are real and can cause serious trouble, we are not to be afraid of them because God has placed us in a more

warfare centers on the "weapons" the Church gives us: the Sacraments, the word of God, prayer, and sacramentals. Essential Spiritual Warfare Prayers for Protection and Deliverance gives you the tools to combat the influence of evil in your life and to live in peace, close to Jesus and Mary.

PRAISE is a powerful weapon in deliverance and spiritual warfare. As you praise the Lord, things begin to happen in the unseen realm. In the Old Testament, the people of God didn't have the name of Jesus as a weapon, but they did have praise. When Saul was troubled by an evil spirit, the only thing they knew to help him was to call David. What happened when David began to play on his harp and sing praise to his God? The evil spirit departed from King Saul. You can see why praise was so important to those Old Testament saints. You can see why they developed such a lifestyle of praise. We are told to resist the devil and make him flee, and praise is an often overlooked and underused weapon to accomplish this. I want you to understand what your praise does in the spirit realm. A demon cannot exist in that atmosphere - he simply cannot function. Evil spirits have tormented us enough; through praise we get to turn the tables and torment them. Spiritual Warfare is a powerful subject that is needed in today's world. Prayer is the Christian's link to God, and with it lives are changed for eternity!
