

Android Tablets For Dummies 3rd Edition

"Android is the operating system on a wide range of tablets, and it is one of the major players in this market. This determines the tablet's user interface and also a lot of its functionality. The latest version of Android is 7.0 Nougat and improves upon what is already the most widely used operating system for tablets. Android Tablets for Seniors in easy steps, 3rd Edition Looks at the range of devices available and their specifications and functionality. Explains the Android operating system and how to use it on your tablet in terms of navigating around, performing all of your favorite tasks, getting online and turning your tablet into a mobile library and entertainment center. Focuses on the latest version of Android, 7.0 Nougat, and shows the enhancements that have been made over previous versions, such as multi-view windows for viewing two apps at the same time, Quick Switch between apps, high-performance 3D graphics, a Doze feature for saving battery power, a new range of settings for customizing Android, replying to notifications without having to open a different app and enhanced safety and security features." --

Have big dreams? Kick start them with JavaScript! If we've learned one thing from the Millennial generation, it's that no one is too young to make history online. JavaScript For Kids For Dummies introduces pre-teens and early teens alike to the world of JavaScript, which is an integral programming language that drives the functionality of websites and apps. This informative, yet engaging text guides you through the basics of coding with JavaScript, and is an essential resource if you want to expand your technology skills while following easy, step-by-step instructions. Through small, goal-oriented projects, you learn key coding concepts, while actually creating apps, games, and more. This hands-on experience, coupled with the presentation of ideas in a simple style, allows you to both learn and retain JavaScript fundamentals. JavaScript has been heralded as 'the programming language of the web,' and many kids are interested in learning how to use it; however, most schools don't offer coding classes at this level, and most families can't afford the high cost of coding classes through a summer camp. But this can't stop you from developing your JavaScript coding skills! This fun text is all you need to get started on your JavaScript journey.

publicized far and wide, and you can no longer deny it—you're fully ready to experience the health benefits of this lifestyle. *Plant-Based Diet For Dummies* has been created to help even the most stubborn carnivores adapt to and even learn to find joy in a plant-based diet.

Besides providing useful tips, delicious recipes, and meal ideas, this lively resource discusses all you have to gain from adopting healthier eating habits, including a decreased risk for cancer, a lower risk of heart disease and stroke, a lower cholesterol count and blood pressure, and a lower risk, and prevention, of diabetes. A meat-free lifestyle has many benefits for your body, and author Marni Wasserman takes you on a journey of discovery into the exciting world of fruits, vegetables, and other nutrient-rich foods. A plant-based diet, while similar to vegetarian and vegan diets, is different in that it allows an individual to experience the benefits of vegetarianism without focusing on the politics of a meat-free lifestyle.

This book takes the mystery out of adopting better food habits and making better meal choices. It shows you how to stock your kitchen, cook fantastic meals, and discover the wealth of delicious ingredients at your fingertips.

Discusses how to improve energy, lower cholesterol, and protect the body's cells, all through better diet options

Includes more than 40 mouthwatering recipes and sample menu plans
Gives specific advice and instructions for athletes, those battling illnesses,

expectant parents, seniors, and children
Covers which plant foods are good sources of fat, protein, complex carbohydrates, and fiber
Get healthy, lose weight, and feel great on a plant-based diet.
