We live in an increasingly "virtual" world in which it can be tempting to skip making that true, human connection with someone in pain. Even though our thoughts might be with them, we lack the confidence to reach out, worrying that we will say or do the "wrong" thing. In this practical, step-by-step guide to what she calls "the art of comforting," Val Walker draws on numerous interviews with "Master Comforters" to guide readers in

gently and gracefully breaking through the walls that those who are suffering often erect around themselves. Interviewees include inspiring individuals such as Alicia Rasin, who, as a victim's advocate for the city of Richmond, Virginia, has devoted her life to comforting grieving families devastated by homicide, gang violence, and other traumatic experiences; or Patricia Ellen, who, as a grief counselor and outreach director at the Center for Grieving Children in Portland, Maine, appears on site to support and comfort children, staff, and parents when a school is facing a death, violence, or other crises. All of us will, at one time or the other, be called upon to offer warmth and support to another human being who is suffering-this book will show you how to answer the call with an open heart.

Uses interviews with such notables as Paul McCartney, Mick Jagger, Ice T, and Richard Thompson to explore the celebration of death and destruction through popular music and includes a list of the forty greatest death records of all time.

Even the Police's stalker anthem "Every Breath You Take" is a popular choice at weddings and funerals. In Touch Me, I'm Sick, Tom Reynolds offers hilarious riffs on 52 love songs that have gone off the rails into the realm of the tawdry, the overwhelming, the obsessive, the self-absorbed, and the completely weird. Including songs by artists as diverse as Melissa Etheridge, Michael Jackson, Paul Anka, Sinéad O'Connor, and Slipknot, he also pillories a handful of the 1,700 different songs called "Butterfly." Praise for Tom Reynolds' I Hate Myself and Want to Die: "A tremendous idea . . . Reynolds ameliorates the pain of having put his ear up close to some of the most inconsiderate despair anthems of our time by having enormous fun deconstructing them." —The Sunday Times "Full of premium trivia and pinpoint pomposity-pricking, Reynolds has made comedy gold from the full base metal of misery." —NME "An entertaining and well-researched set of cautionary tales music fans will enjoy. Popular music owes greatly to the spirit of rebellion. In all of its diversified, experimental, modern-day micro-genres, music's roots were first watered by good old-fashioned social dissension- its incendiary heights pushed heavenward by radicals and rogue revolutionaries. And perhaps none are more influential and non-conformist than women. Always first in line to give convention a sound thrashing, women in music have penned sonic masterpieces, championed sweeping social movements, and breathed life into sounds yet unimagined.

Today's guitar-wielding heroines continue to blaze the trail, tapping reservoirs and soundscapes still unknown to their male counterparts- hell hath no fury like a woman with an amplifier. Women Icons of Popular Music puts the limelight on 24 legendary artists who challenged the status quo and dramatically expanded the possibilities of women in the highly competitive music world. Using critical acclaim and artistic integrity as benchmarks of success, this can't-put-down resource features rich biographical and musical analyses of a diverse array of musicians from country, pop, rock, R&B, soul, indie, and hip-hop. It goes beyond the shorter, less detailed biographical information found in many women in rock compendiums by giving readers a more in-depth understanding of these artists as individuals, as well as providing a larger context-social, musical, political, and personal-for their success and legacy. Among the featured: BLPatsy Cline BLDiana Ross BLAetha Franklin BLJoan Baez BLJanis Joplin BLJoni
