Although the Brothers Hildebrandt are best known to the public as the illustrators of J.R.R. Tolkien's world of Middle-earth, they have created an array of unique paintings for the work many science fiction and fantasy writers. Here in forty color reproductions and numerous black and white illustrations, is the best of their work.

A PUBLISHERS WEEKLY BESTSELLER *Motherhood is hard*. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

"Off the rack gives me hives." -- Cordelia, "Out of Mind, Out of Sight" The Scoobies are used to being personally affected when demonic nasties come to Sunnydale. And they're used to strange things happening at Sunnydale High -- after all, the place is built over the Hellmouth. But they've sealed the Hellmouth, so they don't think anything's out of the ordinary when items to be sold at the first annual band fund-raising rummage sale are stored in the school basement...which, one might recall, is directly above that Hellmouth. Once the rummage sale begins, it's clear the stuff for sale is far from ordinary. People seem to be strangely affected by the items they're buying -- things from undemonic homes, donated by undemonic people. So the reactions these items are producing are, to say the least, unexpected. Willow's acting weird. So's Xander. And even Buffy's mom bought something.... The situation quickly spins out of control, and the school has to be quarantined...leaving Buffy and Giles to sort things out before whatever demon this is sells them down the river. After a turbulent time, DCI Ryan's life is finally returning to normal and he's looking forward to spending an uneventful Easter bank holiday weekend with his fiancée. Then, on Good Friday morning he is called out to a crime scene at one of the largest cemeteries in Newcastle. The body of a redheaded woman has been found buried in a shallow grave and the killer has given her wings, like an angel. Soon, another woman is found at a different cemetery, followed quickly by another. Panic spreads like wildfire as a new serial killer is born, and Ryan's band of detectives must work around the clock to unmask him before he can strike again.

AS SEEN ON CHANNEL 4'S HIT TV SERIES *ESCAPE TO THE CHATEAU* 'The Vintage Tea Party helps you plan not only stunning recipes for all sorts of delicious treats but also gives you countless styling tips for the perfect occasion.' - *Glamour (SA)* 'Bring out the bone china for this book from vintage guru Angel Adoree...' - *the Independent Angel* Strawbridge cordially invites you to accompany her on a journey to create your perfect vintage tea party! The Vintage Patisserie is a haven of all things glamour, vintage and retro. As well as providing sumptuous elegant recipes to cover every time of the day, Angel's *The Vintage Tea Party Book* covers the full breadth of those little touches that make the perfect vintage party: Invitations, attire, decorations, props and more. The book is broken into: **BRUNCH** What do you mean, morning is no time for a party?! High Breakfast is the height of civilization and, here, I share my most refined brunch dishes, for a morning tea party fit for a Queen. Don your headscarf and on with the preparations! **AFTERNOON** Is your pinkie finger raised at the ready? There's nothing more British than Afternoon Tea. This chapter is a treasure trove of tea-time delights, from classics to decadent treats, and I show how to make a Union Flag for the ultimate traditional tea party. **EVENING** The evening tea party is all about glamour, giggles and good friends. On these pages, I share my most impressive recipes, for maximum impact on the eye and taste buds, to give the special people in your life the treat they deserve. **STYLE** You've organized the perfect vintage do, now it's time for the perfect vintage hairdo, and the perfect vintage dress, and for getting your make-up - and your man - looking just stunning. You'll be the most glamorous hostess in town!

The sequel to the internationally bestselling historical thriller *THE ALIENIST*, now a major Netflix series, starring Luke Evans, Dakota Fanning and Daniel Brühl. A year after the events that took place in the bestselling *THE ALIENIST*, the cast of characters are again brought together to investigate a crime committed in the heady days of New York in the 1890s, this time narrated by the orphan Stevie Taggart. A young child, the daughter of Spanish diplomats, disappears. It seems she has been abducted but no ransom note is received and the detectives Isaacson quickly discover that a nurse, Elspeth Hunter, is probably the kidnapper. They also discover that Hunter has been a little too closely connected with the death of three other infants. But what are her motives? She married a fortune, and although she is connected to some fairly rough villains this crime does not fit their modus operandi. Is it something as 'simple' as psychological disturbance due to her own inability to bear children, or something more sinister unguessed at?

**NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES •** “A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—*Entertainment Weekly* “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—*The Detroit News* When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the *New York Times* bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—*The Washington Post* Book World “Mesmerizing.”—*Detroit Free Press* “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—*The Buffalo News* “Engrossing.”—*Newsweek* “Gripping, atmospheric . . . intelligent and entertaining.”—*USA Today* “A high-spirited, charged-up and unfailingly smart thriller.”—*Los Angeles Times* “Keeps readers turning pages well past their bedtime.”—*San Francisco Chronicle*

The #1 International Bestseller & *New York Times* Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally-bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov’s experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the

Holocaust, The Tattooist of Auschwitz is also a testament to the endurance of love and humanity under the darkest possible conditions. The First Book of Enoch was lost for centuries to the western world although it was kept by the Ethiopian church. In 1773 the Scottish explorer James Bruce heard that the Book of Enoch may have been in Ethiopia so traveled there and procured three copies. In 1821 Richard Laurence, a professor of Hebrew at Oxford, produced the first English translation. Fragments of ten Enoch manuscripts were found among the Dead Sea Scrolls. It is quoted by New Testament Book of Jude. This book contains all sections of The First Book of Enoch: The Book of the Watchers The Book of Parables of Enoch The Astronomical Book The Book of Dream Visions The Epistle of Enoch It is of particular interest to anyone with an interest in angels and demons, or Bible history in general. The Books of Enoch: The Complete Set also contains 2 Enoch (also known as The Slavonic Enoch, or The Secrets of Enoch) and contains the Extended Version; and 3 Enoch (also known as The Hebrew Book of Enoch.)

Only one person has ever sailed vertically around the world - Adrian Flanagan. Sailing horizontally is difficult enough, crossing thousands of miles of ocean only to get near land at the Capes and battle treacherous currents. However, hundreds of sailors have still managed it. Adrian became obsessed with the idea of sailing vertically around the world as a boy, before he even knew whether it was possible. Thirty years later he managed it. This is his own account of his remarkable adventure. It was an epic challenge, sailing through the perilous waters around Cape Horn and across the remote, hostile stretch of the Russian Arctic. He survived being washed overboard, capsizing, a close encounter with pirates, and also managed to treat not one but two dislocated wrists - all of this alone, a thousand miles or more from anyone who could help him complete his quest. It wasn't all high drama, however. Adrian experienced moments of awe-inspiring beauty - being accompanied by a pod of whales, and swimming with dolphins. This is a timeless and unique story, pacily written with a sense of humour, but which captures the zeal and determination required to accomplish something nobody else has ever done before.

Angels 7 X 7 Mini Wall Calendar 2019: 16 Month Calendar

The Bible predicts the future, but scholars widely disagree on what the Bible says! How can the average person sort out fact from fiction? Daniel 12:10 boldly states that the wise will understand prophetic chronology in the last days. Have those days already begun? Retired hi-tech inventor and author Herbert R. Stollorz discovered that the dates of many key events predicted in the books of Daniel and Revelation fall between the years 2008 and 2018. Two of the keys that unlocked this mystery are the Hebrew Alphabet Number System and the Jewish feast and fast days. One of those fast days, Tammuz 17, commemorates the fall of Jerusalem prior to the destruction of God's Temple in that ancient city. The Instant New York Times Bestseller! James is a street musician struggling to make ends meet. Bob is a stray cat looking for somewhere warm to sleep. When James and Bob meet, they forge a never-to-be-forgotten friendship that has been charming readers from Thailand to Turkey. A Street Cat Named Bob is an international sensation, landing on the bestseller list in England for 52 consecutive weeks and selling in 26 countries around the world. Now, James and Bob are ready to share their true story with the U.S. in this tale unlike any you've ever read of a cat who possesses some kind of magic. When street musician James Bowen found an injured cat curled up in the hallway of his apartment building, he had no idea how much his life was about to change. James was living hand to mouth on the streets of London, barely making enough money to feed himself, and the last thing he needed was a pet. Yet James couldn't resist helping the strikingly intelligent but very sick animal, whom he named Bob. He slowly nursed Bob back to health and then sent the cat on his way, imagining that he would never see him again. But Bob had other ideas. Perfect for fans of Marley & Me: Life and Love with the World's Worst Dog and Dewey: The Small-Town Library Cat That Changed the World, this instant classic about the power of love between man and animal has taken the world by storm and is guaranteed to be a huge hit with American fans as well.

What this urban art from looks like in America's anti-city.

This is a new (2011) easy-to-read translation by ancient languages scholar Dr. A. Nyland and is NOT one of the many century-old public domain translations NOR is it a reworded public domain version. The Book of Jubilees contains information additional to Genesis and early Exodus, and is the account from creation to the early times of Moses. The Book of Jubilees claims to be told to Moses by angels when he was on Mount Sinai. One of the Dead Sea Scrolls, The Damascus Document, states that the Book of Jubilees reveals divine secrets "to which Israel has turned a blind eye." The Essenes, a Jewish sect who lived from the 2nd c. BCE to the 1st c. ACE, coveted the Book of Jubilees and kept it in their library. Jubilees are seven "year-weeks," a year-week being a period of seven years, so a jubilee is 49 years. The Book of Jubilees is also known as The Little Genesis or The Apocalypse of Moses. This is an easy-to-read translation of The Book of Jubilees translated into contemporary English yet at the same time has full scholarly references.

Conrad de Llorente, Inquisitor: A Soul Eternally Damned After centuries tormented by guilt, Conrad's work saving the innocent finally won him a measure of peace and at least some of the Redemption he craves Now, respected by his peers, he lives in Bangkok and carries on his work protecting those unjustly condemned and who have nowhere else to turn. It is here that he faces his greatest ever challenge, a young woman who survived a horrifying attack as a child and has now become a career criminal. Conrad faces a new and unprecedented challenge. Knowing that Angel was betrayed by her family and believing his Church was responsible for the path her life has taken, he feels obliged to try and save her soul. Yet, how does he go about saving somebody who does not want to be saved and redeeming a soul that spurns redemption? Driven by the principle of "hating the sin but loving the sinner" Conrad accepts this new challenge and is determined to save Angel's soul- if necessary at cost of his own.

Benjamin Bear is so impatient for Christmas to come. To help the time pass more quickly, his mother tells him that every day when he opens a door on his Advent calendar she'll tell him a story--"twenty-four stories all about another little bear and his long, arduous journey to Bethlehem. The little bear, led by a glittering star, meets many others on his travels across hot deserts, snowy mountains, and through dark, lonely nights. His adventures, filled with acts of heroism and kindness and many small miracles, show him the path to the Christ Child. And by journey's end Benjamin Bear--"and all youngsters who share the stories and their simple morals along with him--"will understand and celebrate the true spirit of Christmas.

A young woman struggles with her past and a future thrust upon her with threats coming from the past and now the present. Does she have the strength to withstand and grow? From #1 New York Times bestselling author and literary phenomenon V.C. Andrews (Flowers in the Attic, My Sweet Audrina). In her grandmother's fine, labyrinthine Boston house, Heaven Leigh Casteel dreams of a wonderful new life of new friends, the best schools, beautiful clothes, and most important, love. She is determined to make the Casteel name respectable, find her long-lost brothers and sisters, and have a family again. But even in the world of the wealthy, there are strange forebodings, secrets best forgotten. And as Heaven reaches out for love, she is slowly ensnared in a sinister web of cruel deceptions and hidden passions.

Written in the voice of Mikey, a fourth-grader who believes that eating crunchy things will get your neurons to fire, The Lost Celt follows Mikey's adventures after a chance encounter with what he thinks is a time-traveling Celtic warrior. With the help of his best friend Kyler, and clues from his military history book, Mikey tracks down the stranger, and in the process learns about the power and obligations of friendship. Full of heart, The Lost Celt throws a gentle light on some of the issues facing our veterans and their families, but it's the humor and infectious camaraderie throughout this book that makes it so memorable.

This eye-opening collection of texts sheds light on the esoteric knowledge of Gnosticism, revealing intimate conversations between Jesus and his Disciples In 1945, several gospels, hidden since the first century, were found in the Egyptian Desert at Nag Hammadi. This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics—a movement which emerged during the formative period of Christianity. 'Gnosis', from the Greek, broadly meaning 'hidden spiritual knowledge', was associated with renouncing the material world, and focusing on attaining the life of the Holy Spirit. Many Christian sects are derived from the esoteric knowledge of Gnosticism. The gospels selected here by Alan Jacobs reveal intimate conversations between Jesus and his Disciples. The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower, while the Gospel of Thomas consists of mini-parables of deep inward and symbolic meaning—many of which are not found in the New Testament. The wisdom in this inspiring collection of texts is wholly relevant to our lives today, addressing the questions of good and evil, sin and suffering, and the path to salvation.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
