Listening to the Holy Spirit is a book ordained by God given to me through a vision in a dream in July of 2011. In this dream, I was being interviewed about this book. This is also where I got the title. Later, The Holy Spirit told me that once I finished reading the New Testament of the Bible, I would be ready to write the book. Shortly after that, He (the Holy Spirit), gave me the subtitle for the book, "Understanding the TRUE Power of God". I completed reading the New Testament in October of 2011. In November of 2011, He gave me the entire book in my mind. In December of 2011, the book was completed. The following is that book. I hope this book speaks, inspires, and motivates you to pursue and understand the true Power of God through your personal walk with Him in life. Thank you and God Bless, Sylvester Veal Jr

What was it that gave the early Christians their dynamism?

God has never stopped performing signs and wonders for those who believe, and He never will. What we are seeing in the dawning days of the new millennium, however, is something altogether new and different. God is suddenly sending a visible glory, a golden glory, as gold dust or glory dust, upon His people. This golden glory is appearing on Christians of every denominational background. It comes to us as we pray and as we worship, but it is also falling upon us as we go about our daily activities. This golden glory is being manifested to those who seek it, and also to some who don't. It is a sovereign act of God to show His presence and His power in these last days. It is a wake-up call for the nations, a visible sign to the whole world, this rain of God's Golden Glory.

Dancing With Angels One shares ten years worth of real-life, modern-day supernatural encounters and experiences. Author Kevin Basconi describes numerous heavenly places and various angelic beings and activities in the heavenly realms that are affecting your life on a daily basis. You will be amazed by these true events as you read this fast-paced, surprising testimonial. You will travel to six continents and many nations during the author's journey about his and others' amazing angelic encounters and visitations of Jesus. Your life can be transformed as you learn how: Angels work to answer your prayers and meet your daily needs. To prepare your heart to access the realm of angels. To activate your ability to see and discover techniques to work with angels. Angels are involved in miracles, healings, and the approaching global outpourings of God's Spirit. Jesus modeled angelic ministry and continues to employ angels today. How work in heaven and also how heavenly places appear. Dancing With Angels One: How You Can Work With the Angels in Your Life is the first in a trilogy of books called The Reality of Angelic Ministry Today which are devoted to help people understand how to co-labor with God's angels and partnering with angelic ministry today. Unlike many other theological books teaching bible studies about angels Dancing With Angels gives you dozens of fascinating first hand testimonies of modern-day angelic encounters. This book explains how ordinary people are "opening the heavens" over their lives and interacting with angels. The ability to see and work with angels is available to everyone not just "chosen vessels". God will empower you to accomplish extraordinary things in your life as you embrace angelic ministry.

This is the remarkable story of Benny Hinn—a man known to millions as one of the great healing evangelists of our time. Many who have attended his crusades, watched his daily television ministry, or have seen him on programs such as Larry King Live have asked, "Who is this man? And how did he rise to such a place of prominence?" You'll travel to Jaffa, Israel, and learn of the events that shaped the life of Benedictus, the oldest son in a family of eight children of Greek and Armenian heritage. And you will read of the deep conflicts in the Hinn household when, after the family immigrated to Canada, Benny had a dramatic, life-changing spiritual experience. The journey from a small church in Oshawa, Ontario, to the largest stadiums and arenas in the world is filled with love, laughter, and tears. It is also a story of miracles. He Touched Me, the autobiography of Benny Hinn, will inspire you. It reveals what can happen when one person becomes totally yielded to the holy Spirit.

Inspiring True Stories of God's Intervention in Lives Today These inspiring real-life stories explore what happens when people encounter spiritual forces, and how their lives are undeniably changed. This dramatic collection includes accounts of contact with angels, near-death experiences, powerful prayer testimonies, and unexplainable miracles. Every story displays the victory of Christ and his kingdom over difficult circumstances and opposing forces. The outcomes include increased faith, a sense of the loving providence of God, a realigning of priorities, and a greater desire to share the gospel. In turn, the reader's faith will be strengthened knowing that if God can steer individuals through these unknown territories, he certainly will care for their everyday lives.

Show Excerpt d of trouble that might entertain their loathsome minds. "Well, Shadowrat, I don't want you here. Get thee hence." The imp's face could never have been pleasant to look at, but the wide leer that appeared upon it in defiant response to her command was unexpected, and Mariel was momentarily unsettled. How dare it look at her so! Angered, and not wishing to suffer the ugly thing's presence one moment longer than she must, she drew her sword and took a threatening step towards the imp. Her weapon, a marvelous instrument of righteous retribution, burst into flames as soon as it was drawn from its scabbard. The imp cringed before the burning flames and gibbered with fear. Clearly, it had not expected so drastic a reaction, but Mariel was feeling jumpy tonight. "Begone, ill spirit," she commanded, pointing the fiery blade at its throat. But even as she spoke, she realized she had made a careless mistake. She was too close! The imp's arms lengthened as it reached out for her, and b

25 Truths about Demons and Spiritual Warfare will help readers to uncover demonic influence in areas others might overlook or miss, with twenty-five specific truths that will lead them to a newfound spiritual freedom. The Bible makes it clear: we are in a battle, and we do not wrestle against flesh and blood. There is a real devil and real demons engaged in a very real war—with us. But we don't have to fear the enemy. His kingdom is built on shifting shadows—lies that can only stop us if we believe them. This book will expose how demons operate, how they gain access to our lives, and how we can defeat them.

Miami narcotics detective Leah Daniel never expected to become the sacrificial victim in an ancient Mayan blood ritual intended to bring a demon from the underworld, or to be rescued by Jaguar Strike, a handsome warrior-priest king, who claims that he has recognized her from his visions, in the first volume in a new paranormal romance series.

This remarkable book is more than the dramatic account of how a red-haired, freckle-faced girl from Concordia, Missouri, became "the most prominent woman evangelist who ever lived." It is also the story of how God used her life and teaching to influence Benny Hinn. By tracing her fifty extraordinary years of ministry, Benny Hinn offers revealing insights into the spiritual life of one of God's choice servants as she took the saving and healing message of Jesus Christ to her generation – often in the midst of personal struggles and disappointing heartbreaks.

Nearly two decades ago Hank Hanegraaff's award-winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas." According to Scripture, our struggle is not against "flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places", Ephesians 6:12. In this ground-breaking book, you will come face to face with the two most opposing spiritual forces operating in our world: angels and demons. These are not figments of our imagination, but are alive and real at this very moment. Discover seven specific facts we need to know about spiritual beings. Fight with the assurance that the war was won at Calvary and ultimate victory is on the way!

Do you know that a man's life upon the earth is warfare? We are at war whether we choose to be at war or not. The Bible says that your life is warfare. You must fight the good fight and win the war. This new book on warfare is a must read for all leaders.

"Serving the Word is an exciting and unprecedented look at literalism as a modern belief system, and analyzes its place in two seemingly contrasting fields; Christianity and law. In a work that moves from wealthy Angelenos embracing starkly literal readings of the bible to Supreme Court Justice Antonin Scalia insisting on the narrowest interpretation of legal texts. Makes a persuasive claim that the attraction to literal certainty that we associate with fringe fanaticism is in fact deeply embedded in American culture". -- Jacket.

An exciting, natural sequel to Good Morning, Holy Spirit.

Author and minister Asfaw Berhane shares his supernatural experiences, including visitations from Jesus and angelic beings, that gave him a revelation into heaven and hell. He not only shares his personal testimony but discusses the supernatural topics of dreams, visions, and the Tribulation. Throughout the book, Scripture references are given to support the visions and visitations. This is not a scare tactic but rather solid teaching on heaven and hell that will inspire readers toward righteousness and the pursuit of a tangible relationship with Christ. The purpose of the message is to show heaven is a reality and that living purely is not an option but a must.

This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, Angels and Demons in Art will delight readers with an interest in art or religious symbolism.
