

Angels In America Online

This is a memoir presented in an anthological - like format; in other words, a collection of short stories, on the life of the author. It starts when he was growing up in the Philippine countryside of Ilocos Sur province. Just like a normal kid, he played with his friends, did crazy things, went to school and moved to Manila, for his college education. He got married while in fifth year college, but still graduated on time. This book relates his struggles, failures, as well as successes, including his coming to America. Searching for the American Dream was no picnic either, but with perseverance, he achieved some of them in modest ways. Foreigners planning to immigrate to the great ol' USA could get glimpses, on what it takes, to come and live in America.

"Marvelous . . . A vital book about how to make political art that offers lasting solace in times of great trouble, and wisdom to audiences in the years that follow."- Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR A STONEWALL BOOK AWARDS HONOR BOOK The oral history of Angels in America, as told by the artists who created it and the audiences forever changed by it--a moving account of the AIDS era, essential queer history, and an exuberant backstage tale. When Tony Kushner's Angels in America hit Broadway in 1993, it won the Pulitzer Prize, swept the Tonys, launched a score of major careers, and changed the way gay lives were represented in popular culture. Mike Nichols's 2003 HBO adaptation starring Meryl Streep, Al Pacino, and Mary-Louise Parker was itself a tour de force, winning Golden Globes and eleven Emmys, and introducing the play to an even wider public. This generation-defining classic continues to shock, move, and inspire viewers worldwide. Now, on the 25th anniversary of that Broadway premiere, Isaac Butler and Dan Kois offer the definitive account of Angels in America in the most fitting way possible: through oral history, the vibrant conversation and debate of actors (including Streep, Parker, Nathan Lane, and Jeffrey Wright), directors, producers, crew, and Kushner himself. Their intimate storytelling reveals the on- and offstage turmoil of the play's birth--a hard-won miracle beset by artistic roadblocks, technical disasters, and disputes both legal and creative. And historians and critics help to situate the play in the arc of American culture, from the staunch activism of the AIDS crisis through civil rights triumphs to our current era, whose politics are a dark echo of the Reagan '80s. Expanded from a popular Slate cover story and built from nearly 250 interviews, *The World Only Spins Forward* is both a rollicking theater saga and an uplifting testament to one of the great works of American art of the past century, from its gritty San Francisco premiere to its starry, much-anticipated Broadway revival in 2018.

Douglas Connelly examines what the Bible says about angels, focusing on their ministry among God's people from ancient days to the present.

In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nations capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of Power Quest, The Ascendancy of Antichrist in America, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But Power Quest: The Ascendancy of Antichrist in America is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual history that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

queer [adj]: 1 differing from what is usual or ordinary; odd; singular; strange 2 slightly ill; 3 mentally unbalanced 4 counterfeit; not genuine 5 homosexual: in general usage, still chiefly a slang term of contempt or derision, but lately used by some as a descriptive term without negative connotations --Webster's Dictionary queer [adj]: used to describe a 1 body of theory 2 field of critical inquiry 3 way of proudly identifying a group of people 4 way of seeing the world 5 sense of difference from the norm -- David Shneer and Caryn Aviv, Queer in America, Now and Then Contrasting queer life today and in years past, this landmark book brings together autobiographies, poetry, film studies, maps, documents, laws, and other texts to explore the meaning and practice of the word queer. By this Shneer and Aviv mean: queer as both a form of social violence and a call to political activism; queer as played by Robin Williams and Sharon Stone and as lived by Matthew Shepard and Brandon Teena; queer in the courthouses of Washington D.C. and on the streets of hometown America. Contextualizing these contemporary stories with ones from the past, and understanding them through the analytic tools of feminist social criticism and history, the authors show what it means to be queer in America.

God will speak to us, protect us, provide for us through Angelic Visitations. Over 280 times from Genesis to Revelation

the Bible talks about Angelic Visitations. A lot of the prophets of old had Angelic Visitations. Doc Yeager will share with you some of the Amazing Angelic visitations that he has personally experienced.

Do you think you are safe when browsing online? Thousands of people are scammed everyday resulting in either their account getting hacked or a huge monetary loss. Your computer might be home to deadly malware keeping track of everything you do. Believe it or not, you are at risk even when you are not connected to internet. How do you ensure that you are not a potential victim in this web of scams? This book will take you through that journey where you will see for yourself the different ways of getting trapped and also how to stay protected from them. After reading this book, you will be confident while using a computer or internet without any worries of getting into any trouble. Visit <http://hownottogethacked.info> for an ebook version of this publication.

A girl on modern Earth and a boy from another world are thrown into a fight for their lives, only to discover they may both be connected to events in the distant past more epic than either can imagine. Welcome to the 5-book Star Angel pentalogy. --- Book 5: Jess has uncovered a stunning reality. A truth that's been there all along, revealed. It's a discovery that shakes her to the core. But she's on the move, no time to pause, still so far from her objective, and the next stop on this long road may be right back where she started. For there's a reason she ended up where she did, and it has little to do with chance, everything to do with her own, hidden determinism; a buried impulse, shaping events beyond her current awareness, all of it leading to the realization of an even greater legacy. The conclusion to a quest spanning so much more than the short time she thought she'd been on it. And so two journeys are about to come to a close. One that began with the arrival of Zac; intense, filled with epic events. Another that began a thousand years before, equally epic, the inception of it all. Two incredible journeys, both racing toward the same world-shattering conclusion. Both journeys hers.

**Holds over 200+ addresses!! Great value. Designed for people who want to keep track of all their address is one place. It's always good to have a written record of everything, rather than keeping all of your records on the computer. Royalties will be donated to HIV/AIDS organizations. A free-standing 8-panel full-color

card.

Escal-Vigor (1899) is a novel by Georges Eekhoud. Recognized as a groundbreaking work of LGBTQ literature, Escal-Vigor was praised by some of Belgium's leading critics upon publication, but also led to a trial in which Eekhoud was accused of obscenity. Acquitted, he managed to retain his reputation as a leading writer in Belgium and continued publishing novels and stories, often on homosexuality, until his death in 1927. "Henry, whose nature was passionate and philosophy audacious, told himself, not without reason, that through his affinities, he would feel himself at home amid these beautifully barbarous surroundings, where natural instincts reigned." Having lived freely around Europe, Henry Kehlmark returns to his family's ancestral home, ready to settle down in the role of Dykgrave, or Count. Soon, however, his cosmopolitan ways draw the attention of the local villagers, who mistrust Henry and question his intentions. When the Count strikes up a romantic relationship with the burgomaster's son, an impressionable youth, he risks violent reprisal as a homosexual living in proximity to a traditional, insular people. For once in his life, however, Henry feels like he can be himself, living truthfully and without fear, able to separate himself from the pressures that dogged so many of his loved ones, now deceased. When word of their relationship gets out, however, Henry discovers the limits of provincial hospitality. With a beautifully designed cover and professionally typeset manuscript, this edition of Georges Eekhoud's Escal-Vigor is a classic work of Belgian literature reimaged for modern readers.

People have been making predictions about how and when the world is going to end for ages. The End is a fun pop culture read about the top 50 movies, books, songs, and artworks—from the movie Shaun of the Dead to the song It's the End of the World as We Know It—about the apocalypse. Each item includes: - A synopsis of the apocalyptic work - Information about the apocalyptic theory behind it (from alien invasion to meteors, nuclear war, and natural disasters) - An explanation about why this work is important in pop culture Love doomsday talk and the art made about it? Check out this fun and entertaining read!

Since the publication of John Boswell's Christianity, Social Tolerance, and Homosexuality, historians have accepted the view that the early Middle Ages tolerated and even fostered same-sex relations and that intolerance of homosexuality developed only late in the medieval period. In this extraordinary study, Allen J. Frantzen challenges this long-held belief, showing that the early medieval Church did not tolerate same-sex acts, and, furthermore, that men and women during this time who preferred homosexual relations pursued their desires in spite of official sanctions. The early medieval period was, Frantzen argues, an age before people recognized the existence - or the possibility - of the "closet."

The titles in the boxed set are Angels in America: Millenium Approaches and Angels in America: Perestroika.

Thank You, My Angel's three-book series is based on some of Susan Davis's deepest, darkest times of her young life. During her late teenage years through her young twenties, she was a victim of domestic abuse and violence. Her life was horrific; she lived in fear in every moment of each day. There was no escape. On a cold winter's night, she met an angel. The angel became her salvation. Because of life's twists and turns, Susan finally found her way back to writing this story. Susan enjoys writing for Trip Advisor and joined the team in December of 2014. She is actively in sharing her reviews and comments world-wide including

shows, restaurants, amusements and vacation destinations. She proudly owns a Highlighted badge reaching a readership of 20,000. Susan is on Level Five for Contributions and Level Nine for Attraction Expert. Her ninth grade English teacher gave the class a creative writing assignment on a subject of their choice. Susan wrote a modern-day love story based on the classic, "Romeo and Juliet". It was then she was told of her gift of writing and she's had that writing bug ever since. Susan's greatest accomplishments were overcoming the life of domestic abuse and violence; re-learning self-worth, self-confidence, self-respect and also learning she is a good person who deserves a good life. She is thrilled to share that on June 1, 1988 her dream came true. Susan married the love of her life.

BLACKWING ANGEL (A Fallen Angels Paranormal Romance Series: Book One) Meta hauls souls to Hell. Sol thinks sneezing during prayer is a sin. But Meta finds herself falling for him just as Satan tempts her with power and acceptance she's never known. In a world where forbidden desires are paid for with your soul, young Meta must decide if she's willing to turn from the alluring darkness and give her heart to an angelic man who was never meant to be hers. Immerse yourself in this young adult paranormal romance fiction rich with engaging characters and surprising twists and turns from bestselling author, Heather Choate. Check out what others are saying about Blackwing Angel: "I absolutely fell in love with Meta!! She was a complex character to get to know. I loved how she didn't instantly fall in love with Sol, the most pure angel of heaven. At first she did despise him, but she eventually grew to love him. This book had a lot of twists and turns and just when you thought it was going to end BAM another obstacle keeps you glued to the book. I recommend this book to any who are fascinated with angels, good or bad." -Brit "This book was very entertaining and kept me wanting more and more until the end. The author, Heather Choate, does a remarkable job keeping you on the edge of your seat while following Meta on her journey. This book also has some surprising twists that really caught me off guard and for me really set this book apart from some of the others I have been reading of late! I highly recommend this book. You will find that the author has a knack for writing a captivating story but also does so in a very intriguing fashion. Excellent!" -Merry May "I read this book in one day, I just couldn't put it down! I was drawn into it on the very first page, and the draw never waned. The characters are well developed, entertaining and believable; I loved the flow in the book. I find it hard to keep my interest in most books but this one did it without me realizing it was going on. And for that alone I highly recommend this book." -Stuart Powell Get your copy of Blackwing Angel today!

"ANGELS IN AMERICA has proved to be a watershed drama, the most lyrical and ambitious augury of an era since Tennessee Williams's *The Glass Menagerie*." John Lahr, *The New Yorker* "The most influential American play of the last two decades." Patrick Healy, *The New York Times* "Daring and dazzling! The most ambitious American play of our time: an epic that ranges from earth to heaven; focuses on politics, sex and religion; transports us to Washington, the Kremlin, the South Bronx, Salt Lake City and Antarctica; deals with Jews, Mormons, WASPs, blacks; switches between realism and fantasy, from the tragedy of AIDS to the camp comedy of drag queens to the death or at least absconding of God."

Jack Kroll, Newsweek "The greatest American play of the waning years of the twentieth century." Chris Jones, Chicago Tribune

A hockey romance love story challenging the creation of love itself. Is love something manifested through experience, wants, needs, desire and luck? Or is love just "there?" Perhaps the seed of love is planted by the spiritual energies of the universe after which fateful life experience dictates. True love manifested dependent on circumstance. Uncontrollable, creating anxiety with the thought. Cathy Wilson delivers again with a spectacular story in fiction hockey romance. A tale of two lives so inertly different interconnecting through a passion for hockey. Marcus, a young man you normally wouldn't notice. Rather plain looking, not many friends, more like acquaintances, definitely a different breed. A people pleaser you could say. Used often by acquaintances and discarded afterwards. Marcus grounds himself playing hockey, the only time he can shut his "thoughts" off. Falls head over heels for a wonderful woman at a vulnerable time in her life. Trista, a single young mother of three struggling to make ends meet. Desperate to give her kids the world but unable to accept the support she needs to do so. Strong willed, determined, trusting, forgiving, with a carefree spirit and unguarded heart. They meet . . . Her gut says no. Her head says yes. A decision that will change her life forever. Deep dark secrets uncovered, wrongs trying to be made right. Should Trista follow her inert instincts, vulnerable head or confused head? Hockey romance at it's best!

Angels amongst Us is a collection of Intriguing Stories of an Angel and a Preacher creating Miracles. Surely you came this book store to find inspirational, entertaining reading. Then you have selected the right book for uplifting, captivating events that you may have wondered about, but resisted reaching to pick up a book about miracles. Now you can do this in the comfort of your favorite reading spot, in front of a warm fire with a hot drink, while the author immerses you in wonderful moments of mystery and sanctity as you follow the worldwide adventures of Steffen, a dedicated man, seemingly on never-ending missions.

#1 NEW YORK TIMES BESTSELLER • Pulitzer Prize–winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the "better angels of our nature" have repeatedly

won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln's better angels have found a way to prevail. Praise for *The Soul of America* “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, *The Soul of America* is Jon Meacham's declaration of his faith in America.”—Newsday “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.”—USA Today

The perfect reality is just a thought away, but it comes at a chilling price. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a spilt of a second and unwanted elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? *Netopia* follows the heroes of the network in the days before its establishment, through its launch, relationships and love, and the unexpected change it wreaks on the enthusiastic users who had no idea what awaited them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? *Netopia* is beyond science fiction: it is a

groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans. the novel speaks to the connected and to the disconnected, to the great minds and the Neverminds. Netopia is a gleaming hope and a dark warning. So, where is your mind? Scroll up to grab your copy now.

The Ultimate Spinach Recipe Guide Spinach and leafy green vegetables like it are among the most nutritious of low calorie foods. Featuring advice from real HR professionals, headhunters, and team managers, this essential job-hunting companion will let you know exactly what you need to do to increase your chances, from social media presence to writing a great CV. While shedding light on the many myths and outdated "rules" that may actually bog you down in today's job-seeking experience, *I'll Get That Job!* serves as a source of motivation and encouragement for modern job hunters. After all, with hard work and the right mind-set, it really is possible for you to get that job you've always wanted-and become the most successful version of yourself along the way!

Conversations with Angels 2 are true stories of miracles experienced by the Author Slavica Bogdanov. Slavica Bogdanov has been guided by Archangel Michael, her guardian Angel. She has been inspired to write these stories so that, you too,

can feel inspired and know that Angels are there with you along your path. She has received messages of love and forgiveness she shares with you so that you can also start a conversation with your own Angels. Slavica Bogdanov has published many books. She is a success life coach and a professional speaker. She has been enlightened by her guardian Angel Michael and feels strongly the need to share the light so you can experience the same happiness in your lives. Even in the darkness moments, your spirit can feel uplifted. Anything is truly possible. You have the right to a magical life. <http://www.slavicabogdanov.com>

America in the mid-1980s. In the midst of the AIDS crisis and a conservative Reagan administration, New Yorkers grapple with life and death, love and sex, heaven and hell. This edition, published alongside the major revival at the National Theatre in 2017, contains both plays, Part One: Millennium Approaches, and Part Two: Perestroika.

Here is a simple, easy-to-read, delightfully illustrated book for young children! The author presents, in a very easily comprehensible way, the basic Spiritual truths, explaining who we are, where we have come from, why we are here and the part God plays in all our lives. It is our responsibility as adults and particularly as parents, to ensure that our young children come to an understanding of the truths about Spiritual matters at as early an age as possible. This book is meant to develop a child's imagination, awakening tender young minds to the beauty that lies all around us and to connect with that beauty in an inspiring and meaningful way. It also explains, in simple terms, realities about creation and the subtle higher energy vibrational levels, which exist in close proximity all around us. The exercises and experiments will delight and amaze, as well as nurture your child's creativity, introducing, in a fascinating way, the truths that are fundamental to our understanding of our existence here on Planet Earth. Your child will learn that life is meant to be fun and to be enjoyed. But there are rules, as in any game! This book explains these Spiritual Universal Laws, helping your child to see this world as the wonderful, amazing, beautiful place it really is, and to live a life of fulfillment, joy and abundance. What more could you ever hope for?

Rita's father had been fond of saying, "If you want to make the Holy Angels laugh, just tell them your plans." Now, the widowed Dr. Margarita Zornova's grown sons and medical practice partner have conspired to force Rita to take her first real vacation in thirteen years, starting by sending to her 40th High School reunion, continuing by enticing her into a cruise with two of her sons, their wives, and her elderly mother. Did anyone hear that laughter?

Society was not prepared in 1981 for the appearance of a new infectious disease, but we have since learned that emerging and reemerging diseases will continue to challenge humanity. AIDS at 30 is the first history of HIV/AIDS written for a general audience that emphasizes the medical response to the epidemic. Award-winning medical historian Victoria A. Harden approaches the AIDS virus from philosophical and intellectual perspectives in the history of medical science,

discussing the process of scientific discovery, scientific evidence, and how laboratories found the cause of AIDS and developed therapeutic interventions. Similarly, her book places AIDS as the first infectious disease to be recognized simultaneously worldwide as a single phenomenon. After years of believing that vaccines and antibiotics would keep deadly epidemics away, researchers, doctors, patients, and the public were forced to abandon the arrogant assumption that they had conquered infectious diseases. By presenting an accessible discussion of the history of HIV/AIDS and analyzing how aspects of society advanced or hindered the response to the disease, AIDS at 30 illustrates for both medical professionals and general readers how medicine identifies and evaluates new infectious diseases quickly and what political and cultural factors limit the medical community's response.

Surveys the writings of the author of the Pulitzer Prize-winning drama 'Angels in America' and co-author of the Oscar-nominated screenplay for the film 'Munich'. This book guides readers through Kushner's influences and creations to map the importance of his work in postmodern literary and cultural landscapes.

Angels in America

This book offers a wealth of resources, critical overviews and detailed analysis of Ivo van Hove's internationally acclaimed work as the foremost director of theatre, opera and musicals in our time. Stunning production photos capture the power of van Hove's directorial vision, his innovative use of theatrical spaces, and the arresting stage images that have made his productions so popular among audiences worldwide over the last 30 years. Van Hove's own contribution to the book, which includes a foreword, interview and his director's notes for some of his most popular shows, makes this book a unique resource for students, scholars and for his fans across the different art forms in which he works. An informative introduction provides an overview of van Hove's unique approach to directing, while five sections, individually curated by experts in the respective fields of Shakespeare, classical theatre, modern theatre, opera, musicals, film, and international festival curatorship, offer readers a combination of critical insight and short excerpts by van Hove's

collaborators, the actors in the ensemble companies van Hove works with in Amsterdam and New York, and by arts critics and reviewers.

Seminar paper from the year 2005 in the subject American Studies - Literature, grade: 1,0, University of Münster, 23 entries in the bibliography, language: English, abstract: Tony Kushner's Angels in America is a very complex drama dealing with many different themes. This seminar paper analyses the theme of social reconstruction. As I will expound, hybridity is the form of society aimed at by the characters of this play who strive for social change. In order to demonstrate the concept of a hybrid society, I analyse the characters who represent this idea with regard to their ethnic group membership and their position in society. On this basis, their views and interests become more evident and easier to understand. After that I analyse and interpret their role in the play in order to point out the consequences for the concept of social reconstruction towards a hybrid society. First, the terms ethnicity and hybridity, which are essential for the analysis, are explained briefly. The next part of this paper presents two characters from different ethnic groups (Prior and Belize) striving for social change. On the basis of their position in society and their role in this play I then expound the concept of hybridity in the drama before analysing the relationship between Prior and Belize with regard to this idea. In chapter 4, other indications demonstrating if and how a social reconstruction is achieved are pointed out. The result of this analysis is summarized in the conclusion. The chapter providing background information is mainly based on articles in reference books. Chapter 3 and 4 are built up on the analysis of Angels in America itself, whereas essays dealing with ethnicity and the concept of social reconstruction in this play serve as support for my work.

Outlines the important social, political, economic, cultural, and technological events that happened in the United States from 1990 to 1999.

Life, liberty, and the pursuit of happiness are prescribed ideals in America of 2050. The Moral Authority, the nation's newest branch of government, has virtually eliminated crime, poverty, and most social ills, but it also rules the land with a tyrannical fist, championing ignorance and brandishing fear. Mark Bryan is a gay man whose existence brands him an outlaw; Isaac Montoya is a charming stranger, who entices Mark to defy moral law; and Samuel Pleasant runs the Moral Authority and plans to punish moral offenders and a rebellious uprising-no matter the cost. Will liberty and justice return for all?

The premier American playwright of this decade speaks out about art, sexuality, and social justice

An alphabetical listing of plays that have been banned throughout history with a short synopsis and reason for banning as well as profiles of the playwrights and other resource material.

In the primary arc, a rich young woman is abused, humiliated and abandoned by her new husband, Jacob Fuller, whom

she married against the wishes of her father. The young Fuller resents her father's rejection and dismissal of him as a ne'er-do-well and resolves to exact his revenge by mistreating his new bride.

A revised and complete edition of this modern classic, featuring a new foreword from author Tony Kushner.
