UNEXPECTED UNDEAD BREAK-UP Nothing sucks the romance out of world travel like a boyfriend who may or may not have broken up with you in a hotel room in Brussels. Jane Jameson's sexy sire Gabriel has always been unpredictable, but the seductive, anonymous notes that await him at each stop of their international vacation, coupled with his evasive behavior over the past few months, finally push Jane onto the next flight home to Half Moon Hollow -- alone, upset, and unsure whether Gabriel just ended their relationship without actually telling her. Now the children's-librarian-turned-vampire is reviving with plenty of Faux Type O, some TLC from her colorful friends and family, and her plans for a Brave New Jane. Step One: Get her newly renovated occult bookstore off the ground. Step Two: Support her best friend, Zeb, and his werewolf bride as they prepare for the impending birth of their baby...or litter. Step Three: Figure out who's been sending her threatening letters, and how her hostile pen pal is tied to Gabriel. Because for this nice girl, surviving a broken heart is suddenly becoming a matter of life and undeath....

(A standalone Heartbreaker Bay novel) Meet cute... Run for the hills—temporarily. That's Colbie Albright's plan when she flees New York for San Francisco. Wrangling her crazy family by day and writing a bestselling YA fantasy series by night has taken its toll. In short, Colbie's so over it that she's under it. She's also under the waters of a historic San Francisco fountain within an hour of arrival. Fortunately, the guy who fishes Colbie out has her looking forward to Christmas among strangers. But she's pretty sure Spencer Baldwin won't be a stranger for long. Make merry... Spence's commitment to hiding from the Ghosts of Relationships Past means he doesn't have to worry about the powerful—okay, crazy hot—chemistry he's got with Colbie. Just because she can laugh at anything, especially herself... just because she's gorgeous and a great listener...just because she “gets” Spence immediately doesn't mean he won't be able to let Colbie go. Does it? ...and hope for a miracle. Now the clock's ticking for Colbie and Spence: Two weeks to cut loose. Two weeks to fall hard. Two weeks to figure out how to make this Christmas last a lifetime.

And emergency-room doctor Matt Walker braved gale force winds and rising floodwater to rescue scientist Molly Stanton. And impossible to resist! And sheltering together from the storm, Molly needed Matt to make love to her. It was the only way for her to know she was still alive...and that she'd stay

that way.

The second is for some good sex. And the third is to belong. Really belong somewhere. Anywhere. The next day Katie reads an ad about a small, far-away mountain town named Wishful, and an expedition company that needs a bookkeeper. Could it be a dream come true? When Katie arrives in the quirky little town, she finds the Getaway Inn . . . and Cameron Wilder. Cam's lived a thousand lifetimes in his thirty years, and there's so much he wants to show Katie. Most of all that there's no way to escape karma. “Jill Shalvis sweeps you away.”—Cherry Adair
