Jill Shalvis

My Kind of Wonderful Jill Shalvis,2015-12-22 From the New York Times bestselling author Jill Shalvis comes an emotional women's fiction read about a woman determined to take advantage of her second chance and live life to the fullest. Bailey Moore is finally getting to live on her own terms. After a fierce battle with cancer, she's ready to do all the things she never dared to before, like sail the Greek Islands and explore Europe's castles. Her first new adventure brings her to Cedar Ridge Resort, a ski lodge in the Colorado Rockies. Bailey quickly discovers that following her No Regrets List won't be easy. It doesn't offer instructions for how to deal with a suffocating mother or an ex-fiancé who doesn't want to let her go. Her list also doesn't include falling for the lodge's swoon-worthy head of ski patrol, Hud Kincaid, and his boisterous, kindhearted family. As much as she longs to travel the world, Bailey soon realizes it will be hard to leave the small town of Cedar Ridge and the people in it. And when her past comes calling, she'll have to summon more courage than ever before to live the life she truly wants.

[A Little Bit of Luck](#) Jill Shalvis,2022-11-29 Get swept off your feet in the small town of Lucky Harbor with love stories from the fan-favorite series by New York Times bestselling author Jill Shalvis. It Had to Be You Ali Winters is not having a good day. Her boyfriend left her, everyone in town thinks she's a thief, and now she's about to be kicked out of her home. Her only shot at keeping a roof over her head and clearing her name is to beg for help from Luke Hanover, the new-in-town police detective who's as sexy as he is stern....As Luke helps Ali put her world back together, he reveals the broken pieces of his own life that finally seem to be falling into place. Is this the start of a sizzling fling? Or are Luke and Ali on the brink of something big in a little town called Lucky Harbor? Always on My Mind After dropping out of pastry school and messing up her big break on a reality cooking show, Leah Sullivan needs to accomplish something in her life. But when she returns home to Lucky Harbor, she finds herself distracted by her best friend, Jack Harper. In an effort to cheer up Jack's ailing mother, Dee, Leah tells a little fib--that she and Jack are more than just friends. Soon pretending to be hot-and-heavy with this hunky firefighter feels too real to handle as Jack and Leah break every one of their just friends rules. Will these two friends turn their pretend relationship into something permanent? Or do best friends know too much about each other to risk falling in love?

Out Of This World Jill Shalvis,2013-10-09 A young woman inherits an Alaskan B&B that's a portal to an alternate universe in this sexy paranormal romance by the New York Times bestselling author. Three weeks ago I, Rachel Bond, inherited a bed-and-breakfast. In Alaska. Just this morning I was in my warm bed in LA but now here I am, up north—and this is, like, nosebleed north—sorting it all out. So: PROS: 1. Bears and wolves and moose can't be any worse than LA guys. 2. You've heard of "starving artists?" I'm about to faint. So it's probably time for a change. 3. My good friend Kellan—you'll like him, unlike me, he's cool under pressure—suddenly has this animal sexiness I've never even seen before. CONS: 1. ALASKA. 2. The house chef can't cook, and the guide can't read a map. 3. Kellan's sudden hotness is getting very hard to ignore. 4. I just got hit by lightning. And I'm not sure if this is a pro or a con just yet, but since that lightning bolt, I can see through everything. As in completely transparent. That was before things started to get really weird . . . "Jill Shalvis is a total original! It doesn't get any better." —Suzanne Forster "Shalvis breaks new ground with this sexy paranormal romance . . . told from both his and her perspectives." —Booklist

If she'd known how hot he is, she never would have protested. Rule # 2—No kissing on the first date. Sam can't resist Jack. And before the night is over, she wants to do a lot more than just kiss him. For someone like Sam, who runs from all commitment, that fact should be enough to make her refuse the second date. It's not. Rule # 3—No falling in love. Sam is determined to keep this fling on sizzle with no strings attached. But Jack starts hinting about something more, and suddenly she's being seduced in the most tempting way... Originally published in 2004

Animal Magnetism, Or Mesmerism and Its Phenomena (Classic Reprint) William Gregory, 2017-05-23 Excerpt from *Animal Magnetism, or Mesmerism and Its Phenomena* Among the aids to such study as I have indicated is an acquaintance with those states and conditions of the human spirit which Mesmerism reveals. Among the standard works on

that subject, this volume of the late Dr. William Gregory, Professor of Chemistry in the University of Edinburgh, has always held its place. The present edition is identical with the second, which differed from the first only in the omission of some matter which has now, happily, become irrelevant and unnecessary. The first three chapters of the original edition have been omitted, because it is now no longer needful to defend the reality of the mesmeric phenomena with which Professor Gregory deals under the name of Animal Magnetism. That title, which most investigators have now agreed to abandon, is retained in deference to the author's choice, and because the work is well known under its present name.
