#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

Based on the letters between the author and Otto Frank, the father of Anne Frank, the story of a twenty-year correspondence reveals the man who became a surrogate father to numerous children all over the world.

The *Diary of Anne Frank* is a seminal piece of twentieth century literature. It recounts the tragic and moving story of a young Jewish teenager faced with the horrors of Nazism. In it, Anne establishes a bond with her readers that transcends both time and space, making them her friends and confidants. Readers feel a connection with each dream she had, each fear she endured, and each struggle she confronted. Her diary ended, but her story did not. *The Lost Diary of Anne Frank* picks up where her original journal left off, taking the reader on a credible journey through the tragic final months of her life, faithfully adhering to her own, very personal, diary format in the process. In *The Lost Diary of Anne Frank*, Anne receives mysterious help from many quarters. A strange lady on the other side of the fence haunts her dreams. Her sister falls in love with a Nazi guard. Her mom, once vilified, becomes a hero. Anne struggles with the existence of God and His presence or absence in all of her ordeals. She contrasts the depravity of man with what she sees as mankind's evident virtues. Her longing to experience sensual pleasures is numbed by forced over-exposure. She finds that in the Nazi efforts to extinguish the humanity of their victims, a chorus of unity evolves among the captives. Anne's vaulted dreams for fame and notice are ultimately traded in for the true longings of life, love, and peace. *The Lost Diary of Anne Frank* follows her story to the chilling end. life cut short.

Discusses such topics as the diary as literature, the history of the Frank family, the plight of Holland's Jews, rescuers of Holocaust children, and Anne's childhood

Thirteen year old Anne Frank, with her parents and sister and four other people, went into hiding in the sealed-off building in 1942, when the Nazi invaders intensified their persecution of Jews. For two years they remained safe. In August 1944 they were betrayed. Anne's diary was found, and it reveals her life and her spirit.

In this new accessible philosophy of friendship, Mark Vernon links the resources of the philosophical tradition with numerous illustrations from modern culture to ask what friendship is, how it relates to sex, work, politics and spirituality. Unusually, he argues that Plato and Nietzsche, as much as Aristotle and Aelred, should be put centre stage.

Their penetrating and occasionally tough insights are invaluable if friendship is to be a full, not merely sentimental, way of life for today.

A New York Times bestseller A USA Today bestseller The long-hidden diary of a young Polish woman's life during the Holocaust, translated for the first time into English Renia Spiegel was born in 1924 to an upper-middle class Jewish family living in southeastern Poland, near what was at that time the border with Romania. At the start of 1939 Renia began a diary. "I just want a friend. I want somebody to talk to about my everyday worries and joys. Somebody who would feel what I feel, who would believe me, who would never reveal my secrets. A human being can never be such a friend and that's why I have decided to look for a confidant in the form of a diary." And so begins an extraordinary document of an adolescent girl's hopes and dreams. By the fall of 1939, Renia and her younger sister Elizabeth (née Ariana) were staying with their grandparents in Przemysl, a city in the south, just as the German and Soviet armies invaded Poland. Cut off from their mother, who was in Warsaw, Renia and her family were plunged into war. Like Anne Frank, Renia's diary became a record of her daily life as the Nazis spread throughout Europe. Renia writes of her mundane school life, her daily drama with best friends, falling in love with her boyfriend Zygmund, as well as the agony of missing her mother, separated by bombs and invading armies. Renia had aspirations to be a writer, and the diary is filled with her poignant and thoughtful poetry. When she was forced into the city's ghetto with the other Jews, Zygmund is able to smuggle her out to hide with his parents, taking Renia out of the ghetto, but not, ultimately to safety. The diary ends in July 1942, completed by Zygmund, after Renia is murdered by the Gestapo. Renia's Diary has been translated from the original Polish, and includes a preface, afterword, and notes by her surviving sister, Elizabeth Bellak. An extraordinary historical document, Renia Spiegel survives through the beauty of her words and the efforts of those who loved her and preserved her legacy.

The Diary of a Young Girl, also known as *The Diary of Anne Frank*, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with her occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known

survivor, just after the war was over. The diary has since been published in more than 60 languages.
