The remarkable true story of a young girl named Edith and the French village of Moissac that helped her and many other children during the Holocaust. The town's mayor and citizens concealed the presence of hundreds of Jewish children who lived in a safe house, risking their own safety by hiding the children from the Nazis in plain site, saving them from being captured and detained and most certainly saving their lives.

The German translator of Anne Frank's diary traces the discovery by Frank's aunt's daughter-in-law of numerous family correspondences and keepsakes and what they revealed about the Frank family and the forces that shaped the famous young diarist. Reprint.

A Holocaust survivor's own story, told specially for young readers. This is the remarkable true story of a young Jewish girl and her brother caught in a world turned upside down by the Nazis during the Second World War. Eva Schloss describes her happy early childhood in Vienna with her kind and loving parents and her older brother Heinz, whom she adored. But when the Nazis marched into Austria everything changed. Eva's family fled to Belgium, then to Amsterdam where, with the help of the Dutch Resistance, they spent the next two years in hiding - Eva and her mother in one house, and her father and brother in another. But in the end they were all betrayed and deported to Auschwitz concentration camp in Poland. Despite the horrors of the camp, Eva's positive attitude and stubborn personality (which had often got her into trouble) saw her through one of the most tragic events in history but sadly her father and brother perished just weeks before the liberation. Eva and her mother travelled back to the house in Amsterdam where Heinz and his father had hidden and discovered over thirty beautiful paintings by her brother. Heinz hadn't wasted any of his talents during his captivity. For Eva, here was a tangible, everlasting memory of her beloved older brother, and a reminder of her father's promise that all the good things you accomplish will make a difference. Heinz's paintings have been on display in exhibitions in the USA and are now a part of a permanent exhibition in Amsterdam's war museum. Eva Schloss is the posthumous step-sister of Anne Frank, after mother, Fritzi, was remarried to Otto Frank, the only surviving member of his immediate family.

It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of

As she endured the first waves of the Nazi invasion, she began to document her experiences in a diary. Of the 15,000 children brought to Terezín and deported to Auschwitz, there were only one hundred survivors. Helga was one of them. Miraculously, she was able to recover her diary from its hiding place after the war. These pages reveal Helga's powerful story through her own words and illustrations. "Gillham is a powerful storyteller, and Annelies is marbled with spare eloquence that captures the absurdity of life after the camps. . . . A novel that reminds the world to remember Anne Frank is most welcome." —USA Today "A haunting what-if." —Georgia Hunter, New York Times bestselling author of *We Were the Lucky Ones* "Not only a poignant reminder of all that was lost during the war, but a vivid, searching exploration of what it meant to exist in the aftermath." —Jessica Shattuck, New York Times bestselling author of *The Women in the Castle* From the author of *City of Women*, a powerful new novel that asks the question: What if Anne Frank survived the Holocaust? Anne Frank is a cultural icon whose diary painted a vivid picture of the Holocaust and made her an image of humanity in one of history's darkest moments. But she was also a person—a precocious young girl with a rich inner life and tremendous skill as a writer. In this masterful new novel, David R. Gillham explores with breathtaking empathy the woman—and the writer—she might have become.

These eight new stories from the celebrated novelist and short-story writer Nathan Englander display a gifted young author grappling with the great questions of modern life, with a command of language and the imagination that place Englander at the very forefront of contemporary American fiction. The title story, inspired by Raymond Carver's masterpiece, is a provocative portrait of two marriages in which the Holocaust is played out as a devastating parlor game. In the outlandishly dark "Camp Sundown" vigilante justice is undertaken by a group of geriatric campers in a bucolic summer enclave. "Free Fruit for Young Widows" is a small, sharp study in evil, lovingly told by a father to a son. "Sister Hills" chronicles the history of Israel's settlements from the eve of the Yom Kippur War through the present, a political fable constructed around the tale of two mothers who strike a terrible bargain to save a child. Marking a return to two of Englander's classic themes, "Peep Show" and "How We Avenged the Blums" wrestle with sexual longing and ingenuity in the face of adversity and peril. And "Everything I Know About My Family on My Mother's Side" is suffused with an intimacy and tenderness that break new ground for a writer who seems constantly to be expanding the parameters of what he can achieve in the short form. Beautiful and courageous, funny and achingly sad, Englander's work is a revelation.

The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience. **WALL STREET JOURNAL BESTSELLER** From Michael Dell, renowned founder and chief executive of one of America's largest technology companies, the inside story of the battles that defined him as a leader In 1984, soon-to-be college dropout Michael Dell hid signs of his fledgling PC business in the bathroom of his University of Texas dorm room. Almost 30 years later, at the pinnacle of his success as founder and leader of Dell Technologies, he found himself embroiled in a battle for his company's survival. What he'd do next could ensure its legacy—or destroy it completely. *Play Nice But Win* is a riveting account of the three battles waged for Dell Technologies: one to launch it, one to keep it, and one to transform it. For the first time, Dell reveals the highs and lows of the company's evolution amidst a rapidly changing industry—and his own, as he matured into the CEO it needed. With humor and humility, he recalls the mentors who showed him how to turn his passion into a business; the competitors who became friends, foes, or both; and the sharks that circled, looking for weakness. What emerges is the long-term vision underpinning his success: that technology is ultimately about people and their potential. More than an honest portrait of a leader at a crossroads, *Play Nice But Win* is a survival story proving that while anyone with technological insight and entrepreneurial zeal might build something great—it takes a leader to build something that lasts.

The "unwritten" final chapter of Anne Frank: The Diary of a Young Girl tells the story of the time between Anne Frank's arrest and her death through the testimony of six Jewish women who survived the hell from which Anne Frank never returned.

The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with the Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

A New York Times Best Illustrated Children's Book A New York Public Library Best Book for Kids, 2016 Told from the perspective of the tree outside Anne Frank's window—and illustrated by a Caldecott Honor artist—this book introduces her story in a gentle and incredibly powerful way to a young audience. The tree in the courtyard was a horse chestnut. Her leaves were green stars; her flowers foaming cones of white and pink. Seagulls flocked to her shade. She spread roots and reached skyward in peace. The tree watched a little girl, who played and laughed and wrote in a diary. When strangers invaded the city and warplanes roared overhead, the tree watched the girl peek out of the curtained window of the annex. It watched as she and her family were taken away—and when her father returned after the war, alone. The tree died the summer Anne Frank would have turned eighty-one, but its seeds and saplings have been planted around the world as a symbol of peace. Its story, and Anne's story, are beautifully told and illustrated in this powerful picture book.
