THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis

In June 1942, Anne Frank received a red-and-white-checked diary for her thirteenth birthday, just weeks before she and her family went into hiding in an Amsterdam attic to escape the Nazis. For two years, with ever-increasing maturity, Anne crafted a memoir that has become one of the most compelling documents of modern history. But Anne Frank's diary, argues Francine Prose, is as much a work of art as it is a historical record. Through close reading, she marvels at the teenage Frank's skillfully natural narrative voice, at her finely tuned dialogue and ability to turn living people into characters. *Anne Frank: The Book, The Life, The Afterlife* tells the extraordinary story of the book that became a force in the world. Along the way, Prose definitively establishes that Anne Frank was not an accidental author or a casual teenage chronicler but a writer of prodigious talent and ambition.

Instant lesson plans, with teacher notes on differentiation, and engaging copiable activities for pupils. Book 4 concentrates on popular topics for ages 7 to 9, matching the QCA Scheme of Work for History and meeting NC requirements. More topics for 7 to 9 year olds are covered in Book 3.

In her amazing diary, Anne Frank revealed the challenges and dreams common for any young girl. But Hitler brought her childhood to an end and forced her and her family into hiding. *Who Was Anne Frank?* looks closely at Anne's life before the secret annex, what life was like in hiding, and the legacy of her diary. Black-and-white illustrations including maps and diagrams provide historical and visual reference in an easy-to-read biography written in a way that is appropriate and accessible for younger readers.

Tracing Anne Frank's life from an early childhood in an assimilated family to her adolescence in German-occupied Amsterdam, Melissa Müller's biography, originally published in 1998, follows her life right up until her desperate end in Bergen Belsen. This updated edition includes the five missing pages from Anne Frank's diary, a number of new photographs, and brings to light many fascinating facts surrounding the Franks. As well as an epilogue from Miep Gies, who hid them for two years, it features new theories surrounding their betrayal, revelations about the pressure put on their helpers by the Nazi party and the startling discovery that the family applied for visas to the US. This authoritative account of Anne Frank's short but extraordinary life has been meticulously revised over seven years.

The child's diary that awakened the conscience of the world *When Zlata's Diary* was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to *The Diary of Anne Frank*, both for the freshness of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor's cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and instruct readers a world away.

A collection of the author's lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.

The Teacher Resource Books are the ideal companion to the pupils' resources and provide your key to the successful implementation of Nelson English.

The Diary of a Young Girl, also known as *The Diary of Anne Frank*, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with her occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.
