Anne of Green Gables is a 1908 novel by Canadian author Lucy Maud Montgomery (published as L. M. Montgomery). Written for all ages, it has been considered a children's novel since the mid-twentieth century. It recounts the adventures of Anne Shirley, an 11-year-old orphan girl who is mistakenly sent to Matthew and Marilla Cuthbert, a middle-aged brother and sister who had intended to adopt a boy to help them on their farm in the fictional town of Avonlea on Prince Edward Island. The novel recounts how Anne makes her way with the Cuthberts, in school, and within the town. Since its publication, Anne of Green Gables has sold more than 50 million copies and has been translated into at least 36 languages. Montgomery wrote numerous sequels, and since her death, another sequel has been published, as well as an authorized prequel. The original book is taught to students around the world

Anne of Green Gables, My Daughter, and Me is a witty romp through the classic novel; a visit to the magical shores of Prince Edward Island; and a poignant personal tale of love, faith, and loss. And it all started with a simple question: What's an orphan? The words from her adopted daughter, Phoebe, during a bedtime reading of Anne of Green Gables stopped Lorilee Craker in her tracks. How could Lorilee, who grew up not knowing her own birth parents, answer Phoebe's question when she had wrestled all her life with feeling orphaned--and learned too well that not every story has a happy ending? So Lorilee set off on a quest to find answers in the pages of the very book that started it all, determined to discover--and teach her daughter--what home, family, and belonging really mean. Deftly braiding three lost girls' stories together, Anne of Green Gables, My Daughter, and Me is a beautiful memoir that speaks straight to the heart of the orphan in us all and shows us the way home at last.

An authorized prequel to L.M. Montgomery's classic series about the irrepressible red-haired orphan follows Anne's early years before her adoption by the Cuthberts.

It was a warm, golden-cloudy, lovable afternoon. In the big living-room at Ingleside Susan Baker sat down with a certain grim satisfaction hovering about her like an aura; it was four o'clock and Susan, who had been working incessantly since six that morning, felt that she had fairly earned an hour of repose and gossip. Susan just then was perfectly happy; everything had gone almost uncannily well in the kitchen that day. Dr. Jekyll had not been Mr. Hyde and so had not grated on her nerves; from where she sat she could see the pride of her heart-the bed of peonies of her own planting and culture, blooming as no other peony plot in Glen St. Mary ever did or could bloom, with peonies crimson, peonies silvery pink, peonies white as drifts of winter snow.
