But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. Or just an ordinary small boy, though a little ratty in his habits? Only three people believe this version of the story. And it may take a royal

intervention—and a bit of magic—to convince the rest of the world. CONQUER COMPREHENSION WORKBOOK 3 is designed for students to practise and work on answering the different types of comprehension questions found in the multiple-choice and open-ended formats. The passages are carefully graded into three levels: Basic, Intermediate, Advanced. The main objective of the Basic level is to lay the foundation to build up a student's confidence in tackling comprehension. In the Intermediate level, the passages encourage higher-level thinking and understanding. The Advanced level challenges a student to think beyond the ideas presented in the passages. The wide variety of themes and genres also serve to widen a student's exposure to the different text types which are currently taught in schools. The different questioning techniques aim to develop a student's comprehension and inference skills. Thinking questions are incorporated to allow a student to exercise his opinions and make his conclusions. A glossary is included after every exercise to help students comprehend the passage better. It also increases a student's vocabulary and will aid in other writing, reading and comprehension exercises. These varied and

useful exercises should give a student greater confidence when doing comprehension tests.

"Engaging...a lively, informative compendium of facts, theories, and musings."-Michiko Kakutani, New York Times  
Behold the rat, dirty and disgusting! Robert Sullivan turns the lowly rat into the star of this most perversely intriguing, remarkable, and unexpectedly elegant New York Times bestseller. Love them or loathe them, rats are here to stay-they are city dwellers as much as (or more than) we are, surviving on the effluvia of our society. In *Rats*, the critically acclaimed bestseller, Robert Sullivan spends a year investigating a rat-infested alley just a few blocks away from Wall Street. Sullivan gets to know not just the beast but its friends and foes: the exterminators, the sanitation workers, the agitators and activists who have played their part in the centuries-old war between human

city dweller and wild city rat. Sullivan looks deep into the largely unrecorded history of the city and its masses-its herds-of-rats-like mob. Funny, wise, sometimes disgusting but always compulsively readable, *Rats* earns its unlikely place alongside the great classics of nature writing. With an all-new Afterword by the author

The long-awaited prequel to the bestseller *FOURTH GRADE RATS* George, aka "Suds," has just entered third grade, and he's heard the rhyme about "first grade babies/second grade cats/third grade angels/fourth grade rats," but what does this mean for his school year? It means that his teacher, Mrs. Simms, will hold a competition every month to see which student deserves to be awarded "the halo" - which student is best-behaved, kindest to others, and, in short, perfect. Suds is determined to be the first to earn the halo, but he's finding the challenge of always being good to be more stressful than he had anticipated. Does he have to be good even outside of school? (Does he have to be nice to his annoying little sister?) And if Mrs. Simms doesn't actually see him doing a good deed, does it even count? A warm, funny return to elementary school from master storyteller Spinelli.

A fast, fun, friendship read from the Newbery-award winning author of *Maniac Magee*. Fourth graders are tough. They aren't afraid of spiders. They say no to their moms. They push first graders off the swings. And they never, ever cry. Suds knows that now that he's in fourth grade, he's supposed to be a rat. But whenever he tries to act like one, something goes wrong. Can Suds's friend Joey teach him to toughen up...or will Suds remain a fourth grade wimp?
