We'd like to help.

Experts in public relations, marketing, and communications have created the most comprehensive textbook specifically for Canadian students and instructors. Logically organized to lead students from principles to their application—and generously supplemented with examples and case studies—the book features chapters on theory, history, law, ethics, research methods, planning, writing, marketing, advertising, media, and government relations, as well as digital, internal, and crisis communications. Chapters open with learning objectives and conclude with lists of key terms, review and discussion questions, activities, and recommended resources. *Fundamentals of Public Relations and Marketing Communications in Canada* will be essential in post-secondary classes and will serve as a valuable reference for established professionals and international communicators working in Canada. Contributors: Colin Babiuk, Sandra L. Braun, Wendy Campbell, John E.C. Cooper, Marsha D'Angelo, Ange Frymire Fleming, Mark Hunter LaVigne, Danielle Lemon, Allison G. MacKenzie, Sheridan McVean, Charles Pitts, David Scholz, Jeff Scott, Charmane Sing, Amy Thurlow, Carolyne Van Der Meer, Ashleigh VanHouten, Cynthia Wrate, and Anthony R. Yue. Sponsor: Hill + Knowlton Strategies Patient and public involvement in health and social care has become a key element of government policy, and the need to listen and act on the views of patients and the public is an increasingly integral part of the planning and delivery of healthcare. This new edition has been completely revised and updated, providing practical information on the new responsibilities under clinical governance and Health Improvement Programmes, including useful website links and contact details. It offers clear and straightforward practical advice and provides an introduction to the new structures and processes being set up to enable patients and the public to be more influential in designing and delivering healthcare services. This book is essential reading for all healthcare professionals including doctors, nurses and therapists, and those with management responsibilities, as well as policy shapers and patient organisations.

This readable and conceptual approach to public policy carefully balances theory and practice to provide students at all levels with a solid grounding in policy analysis. Authors Randy S. Clemons and Mark K. McBeth explore the impact of mixed methodologies on policy analysis, supported by interesting and useful teaching cases. Offering a balanced view of public policy, the text addresses the political basis of policy making and analysis and covers the limitations, practical problems, and ethical implications of different techniques and methodologies. Models and tools are provided to help students develop the analytical skills necessary for policy analysis, while engaging boxes and anecdotes relate concepts to specific examples. In addition to new coverage, this edition has been revised to make the book even more accessible to undergraduates without weakening its usefulness to graduate students.

Completely revised for the new computerized CPA Exam Published annually, this comprehensive, four-volume study guide for the Certified Public Accountants (CPA) Exam arms readers with detailed outlines and study guidelines, plus skill-building problems and solutions that help them to identify, focus, and master the specific topics that need the most work. This work skeptically explores the notion that the internet will soon obviate any need for traditional print-based academic libraries. It makes a case for the library's staying power in the face of technological advancements (television, microfilm, and CD-ROM's were all once predicted as the contemporary library's heir-apparent), and devotes individual chapters to the pitfalls and prevarications of popular search engines, e-books, and the mass digitization of traditional print material.

Estate and Retirement Planning Answer Book (2009 Edition) provides expanded coverage of financial and estate planning strategies for implementing individualized solutions for the special problems associated with retaining accumulated wealth for retirement and estate planning purposes. With its comprehensive two-part approach to the complex issues that link retirement planning and estate planning, Estate and Retirement Planning Answer Book (2009 Edition), includes coverage of such topics as the final minimum distribution rules for individual retirement accounts and qualified plan distributions, the use of insurance as a qualified plan asset, and changes in the law to reflect the latest legislation.

Covering the five key areas of financial planning, this guide emphasizes its technical, tax, and regulatory aspects. The areas of discussion include investments, employee benefits and retirement plan assets, insurance, income tax and estate planning, and regulatory issues.

NCERT Textbooks play the most vital role in developing student's understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class XI following the NCERT Textbook for Business Studies. The present book has been divided into two parts containing 12 Chapters covering the syllabi of Business Studies for Class XI. Part A covers Nature & Purpose of Business, Forms of Business Organisation, Private, Public & Global Enterprises, Business Services, Emerging Modes of Business and Social Responsibilities of Business & Business Ethics whereas Part B covers Formation of a Company, Sources of Business Finance, Small Business, Internal Trade, International Business-I and International Business-II. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class XI Business Studies Examination. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Business Studies for Class XI and contains simplified text material in the form of class room notes and answers to all the questions in lucid language, it for sure will help the Class XI students in an effective way for Business Studies.

The anthrax incidents following the 9/11 terrorist attacks put the spotlight on the nation's public health agencies, placing it under an unprecedented scrutiny that added new dimensions to the complex issues considered in this report. The Future of the Public's Health in the 21st Century reaffirms the vision of Healthy People 2010, and outlines a systems approach to assuring the nation's health in practice, research, and policy. This approach focuses on joining the unique resources and perspectives of diverse sectors and entities and challenges these groups to work in a concerted, strategic way to promote and protect the public's health. Focusing on diverse partnerships as the framework for public health, the book discusses: The need for a shift from an individual to a population-based approach in practice, research, policy, and community engagement. The status of the governmental public health infrastructure and what needs to be improved, including its interface with the health care delivery system. The roles nongovernment actors, such as academia, business, local communities and the media can play in creating a healthy nation. Providing an accessible analysis, this book will be important to public health policy-makers and practitioners, business and community leaders, health advocates, educators and journalists.

Designed for beginning MPA students and practitioners, this highly practical text focuses on the interpretation and use of research findings, not just number-crunching. It covers the entire research process, from initial questions to final report, in clear, jargon-free language, and includes numerous examples and exercises that provide opportunities for concrete applications of the concepts.
