Business Ethics Business and Professional Ethics Cengage Learning

Business Ethics: An Indian Perspective provides a comprehensive coverage of the theories of business ethics and emphasizes the importance of ethical principles in overcoming moral dilemmas in the business world. Using a large number of India-centric case studies and examples, this book helps readers develop the reasoning and analytical skills needed to apply ethical concepts to business.

Business Ethics: An Indian Perspective introduces ethical concepts that are relevant to resolving moral issues in business. It sensitizes readers on ethical principles and develops reasoning and analytical skills needed to apply ethical concepts to business decisions. The book is interspersed with a lot of case studies, more specifically Indian scenarios making it relevant for Indian students. The chapter topics cover ethical theories underlying business, application of ethics in day-to-day business, ethics and the environment and ethics in consumer protection. It also features ethical issues in various managerial functions such as finance, human resource and marketing. A separate chapter on the IT sector specifically addresses the ethical dilemmas of today's upcoming industry.

Featuring succinct case summaries, THE LEGAL ENVIRONMENT TODAY, SUMMARIZED CASE EDITION, 8E, equips students with the working knowledge of business-related laws recommended by the Association to Advance Collegiate Schools of Business while strengthening the reasoning skills they need to interpret and apply them. Using summarized cases from 2013 and 2014 legal decisions, the text challenges students to analyze and resolve legal issues facing today's businesses. Hypothetical situations and exercises, ethical discussions, and international considerations illustrate how business law applies to students' everyday lives and their future careers. In addition to an overall emphasis on how the digital landscape is affecting business law, the text covers the latest on corporate responsibility, financial and credit card reforms, health-care laws, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Climate change. Telematic surveillance. The gig economy. Transgender rights at work. Food security. Native advertising. Now you can take a closer look at the hot topics impacting business law and ethics today as you examine real applications in the thought-provoking LAW AND ETHICS IN THE BUSINESS ENVIRONMENT, 9E. This edition dives into current controversies and makes classroom discussion with your instructor and peers come alive. Content prompts you to carefully consider recent, important court cases, while readings challenge you to think critically about contemporary legal and ethical dilemmas. Interactive assignments, such as role play, mock trials, and negotiation exercises, sharpen your ability to tackle tough problems and communicate effectively.

With an emphasis on psychoanalytic theory, *Business, Ethics and Society: Key Concepts, Current Debates and Contemporary Innovations* provides a clear, concise introduction to the field of business ethics, while addressing contemporary issues and debates around the impacts of artificial intelligence, social media, the gig economy and populist politics on business and society. The book features mini-case studies from a variety of contexts and companies, including Gillette, Nike, Dove, British Airways and Microsoft, as well as thought-provoking questions throughout. Also included are: - Learning objectives - Chapter summaries - Recommended reading *Business, Ethics and Society: Key Concepts, Current Debates and Contemporary Innovations* serves as an ideal introductory text for students of undergraduate business ethics-related courses. Lecturers can access a range of online resources for use in their teaching, including an instructor's manual, PowerPoint slides and SAGE Business Cases.

Business ethics as a discipline leans on cases but flourishes by thorough analysis and reflection. The present volume offers both. After three introductory chapters into business ethics eight recent European cases, mainly stemming from The Netherlands and Belgium and all of them with a clear moral impact, are extensively described and analysed. Among them are the Lernout and Hauspie speech technology disaster, Heineken's struggle with the promotion girls selling beer in Cambodia, cartels in the Dutch construction industry, the pharmaceutical industry and the Aids crisis, and Unilever allegedly making use of child labour in the cotton industry in India. Each case is followed by two expert comments, from the fields of general ethics, but also of law, economics, management and organisation theory, sociology and social psychology. Cases and comments together offer an unique entrance in varieties of moral reasoning and in the personal and institutional dimensions to be taken into account when facing a corporate case saturated with moral ambiguities. This book will be of interest to researchers as well as teachers of undergraduate and graduate courses in Business Ethics, Business in Society, Management and Organisation Theory and Strategic Management. It will also be useful for business practitioners eager to find moral guidance in their specific field.

Learn to make strong business decisions with a better understanding of business ethics, sustainability, and stakeholder management from a strong managerial perspective. **BUSINESS AND SOCIETY: ETHICS, SUSTAINABILITY, AND STAKEHOLDER MANAGEMENT**, Ninth Edition, demonstrates how the most successful business decision makers balance and protect the interests of various stakeholders, including investors, employees, the community, and the environment--particularly as business recovers from a perilous financial period. The authors effectively balance strong coverage of ethics and the stakeholder model with an increased focus on one of business's most recent, urgent mandates: sustainability. Coverage highlights the connection between business and the natural, social, and financial environments, illustrating how all three must be maintained in balance to sustain current and future generations. New actual business cases, real applications, and today's latest business examples present you with specific business challenges that test your values and require you to focus your reasoning skills for ongoing success in today's workplace. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With a vibrant four-color design, the market-leading **BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES**, Ninth Edition, delivers an accessible, applied text that thoroughly covers the complex environment in which managers confront ethical decision making. Using a proven managerial framework, the authors address the overall concepts, processes, and best practices associated with successful business ethics programs--helping students see how ethics can be integrated into key strategic business decisions. The new edition has been completely revised and updated to include coverage of new legislation affecting business ethics, the most up-to-date examples, and the best practices of high-profile organizations. It also includes 20 original cases that are either new or updated. Packed with cases, exercises, simulations, and practice tests, **BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES**, Ninth Edition gives students an abundance of opportunities to master text material through hands-on application. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book is an attempt to understand the challenges of globalization and governance in the public sector. Written from the perspectives of both developed and developing countries, it uses governance and public administration interchangeably to argue that the tasks of implementation require the cooperation of both the public and private sectors, especially in a rapidly globalizing landscape. It then utilizes statistical analyses to investigate the challenges of globalization in managing human resources, ethics and accountability, sustainability, e-governances, and leadership in the public sector.

Comprehensive, authoritative, and reader-friendly, market-leader **BUSINESS LAW: TEXT AND CASES - Commercial Law for Accountants** delivers an ideal blend of classic black letter law and cutting-edge contemporary issues and cases. Today, **BUSINESS LAW - Commercial Law for Accountants**, 14E continues to set the standard for excellence. The book's strong reader orientation makes the law accessible, interesting, and relevant. Intriguing cases, timely content, and effective learning features are thoroughly updated to represent the latest developments in business law. Cases range from precedent-setting landmarks to important recent decisions. Ethical, global, e-commerce, digital, and corporate themes are integrated throughout this edition with new features, such as new Digital Update that shows how digital progress is affecting the law. Numbered examples, Case in Points, sample answers, new reader-friendly Concept Summary Designs and helpful exhibits all work together to ensure reader comprehension. Based on the longtime market-leader **BUSINESS LAW: TEXT AND CASES** by Clarkson/Miller/Cross, this paperback text offers an affordable solution for those looking for a concise one-semester text that offers in-depth treatment of today's business law topics. Designed for the contemporary one-semester course, **BUSINESS LAW: TEXT AND CASES--AN ACCELERATED COURSE** provides the rigor and seriousness of a classic black-letter law text with a brief nineteen-chapter table of contents. The text combines the benefits of a black-letter law approach with a strong student orientation, making the law accessible, interesting, and relevant for readers. An excellent assortment of included cases range from precedent-setting landmarks to important recent decisions, and ethical, global, e-commerce, digital, and corporate themes are integrated throughout this edition. In addition, numerous critical-thinking exercises challenge students to apply what they have learned to real-world issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In recent years, many disciplines have become interested in the scientific study of morality. However, a conceptual framework for this work is still lacking. In *The Moral Background*, Gabriel Abend develops just such a framework and uses it to investigate the history of business ethics in the United States from the 1850s to the 1930s. According to Abend, morality consists of three levels: moral and immoral behavior, or the behavioral level; moral understandings and norms, or the normative level; and the moral background, which includes what moral concepts exist in a society, what moral methods can be used, what reasons can be given, and what objects can be morally evaluated at all. This background underlies the behavioral and normative levels; it supports, facilitates, and enables them. Through this perspective, Abend historically examines the work of numerous business ethicists and organizations—such as Protestant ministers, business associations, and business schools—and identifies two types of moral background. "Standards of Practice" is characterized by its scientific worldview, moral relativism, and emphasis on individuals' actions and decisions. The "Christian Merchant" type is characterized by its Christian worldview, moral objectivism, and conception of a person's life as a unity. *The Moral Background* offers both an original account of the history of business ethics and a novel framework for understanding and investigating morality in general.

The author of this book asserts that an absence of ethical leadership and unethical practices were the reasons for major global business scandals such as Enron, Satyam, Lehman Brothers,

and WorldCom. This book analyses the causes for these unethical activities and interprets important verses from The Bhagavad Gita to show business executives and leaders how to lead ethically for the greater good of all stakeholders and society. As a remedy to avoid future scandals, the author points to several ethical directions, and the principle of Dharma, mentioned in The Bhagavad Gita by Lord Krishna, a major deity in Hinduism, who is considered Dharm?tman (one who imbibes the Dharma). Written in conversation style using an executive education scenario, this book examines real world cases in various sectors like education, medical, non-government organizations (NGOs) and retail using the directions of the Dharm?tman.

Current, succinct, and student-friendly, ESSENTIALS OF THE LEGAL ENVIRONMENT, 5E delivers complete one-semester coverage of business law and its environment in a straightforward, nontechnical style. Cases are summarized by the authors and integrated throughout chapters. Miller explains legal issues and court decisions with minimal legal jargon while keeping readers engaged with the material. Hands-on applications help students strengthen their critical thinking skills as well as think through ethical dilemmas before they confront them in the workplace. The book also explores how traditional law has been applied to issues involving the Internet and how the laws of other nations deal with topics discussed in the text. In addition to Cases and Case Problems featuring issues from legal disputes in 2013 and 2014, the fifth edition includes an all-new chapter on Internet Law, Social Media, and Privacy, new Managerial Strategy features, new Preventing Legal Disputes features, and more. Government interference in free enterprise is growing. Should they intercede in business ethics and corporate responsibility; and if so, to what extent? The Morality of Business: A Profession for Human Wealthcare goes beyond the utilitarian case in discussing the various elements of business ethics, social policy, job security, outsourcing, government regulation, stakeholder theory, advertising and property rights.

In the wake of ethical scandals and close ethical scrutiny throughout business and the accounting professional today, Brooks/Dunn's BUSINESS & PROFESSIONAL ETHICS, 9E provides the ethical insights and strategies you need for corporate and professional success. Learn why ethical behavior is so important and how to recognize potential pitfalls that involve much more than memorizing rules. You master the skills to develop a corporate culture of integrity that maintains stakeholder support and enables directors and auditors to complete their jobs. You also learn how to use ethical strategies to make decisions, as this edition examines the latest information on governance scandals, legal liability and professional accounting and auditing issues. More than 130 cases and readings highlight new and classic cases of fraud, bankruptcy and unprofessional practices to help you better understand appropriate codes of conduct and sound ethical reasoning while strengthening your persuasive and leadership skills for success.

Based on the first half of the longtime market-leader BUSINESS LAW: TEXT AND CASES by Clarkson/Miller/Cross, this paperback text offers an affordable solution for the first course in a business law series, often a requirement for business majors. It delivers an ideal blend of classic black letter law and contemporary summarized cases. The text's strong student orientation makes the law accessible, interesting, and relevant, with cases that represent the latest developments. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This work provides a critical look at business practice in the early 21st century and suggests changes that are both practical and normatively superior. Several chapters present a reflection on business ethics from a societal or macro-organizational point of view. It makes a case for the economic and moral superiority of the sustainability capitalism of the European Union over the finance-based model of the United States. Most major themes in business ethics are covered and some new ones are introduced, including the topic of the right way to teach business ethics. The general approach adopted in this volume is Kantian. Alternative approaches are critically evaluated.

Delve into the core of ethics today in your course with the latest practical, applied coverage found in Ferrell/Fraedrich/Ferrell's BUSINESS ETHICS 2009 UPDATE. Whether you use this book as a supplement or primary text in your undergraduate or graduate course, the accessible, up-to-date approach provides unmatched insights into the complex environment in which contemporary managers make ethical decisions. The book's solid managerial framework and new updates highlight the latest developments in ethics and how they relate to overall ethics concepts, processes, and best practices used throughout successful business ethics programs. Your students see how ethics can play a critical role in key strategic business decisions. Captivating new cases and engaging examples reflect today's most recent business developments and crises. Rather than focusing on intellectual reasoning alone or a philosophical discussion of ideas, the book's proven learning features help students prepare and practice confronting the types of actual ethical dilemmas they will face in today's business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A complete and distinct business management book by author Ramesh B Rudani, contains everything that the learning and teaching community expects, with a full coverage of all management functions and other relevant topics, presented in a systematic and user-friendly manner. The book covers all distinct sections – Introduction to Management, Planning, Organising, Staffing, Directing and Controlling. Emerging issues in management and case studies have been included to provide a wide coverage around the subject. The book follows a rich pedagogy, with a perfect balance between the management theory and actual practices. It is a useful resource for students, faculties, practicing managers and all readers with an abiding passion for the subject in general. Key Features: Short, crisp, and structured text for easy retention. The book has undergone extensive revision with the addition of new definitions and quotes, modified figures, additional contents on new topics, etc. have been introduced without disturbing the number of Sections and Chapters. New Topics like, 'The BCG Matrix' and 'Case Study Theory' are major inclusions. Cases have been updated as and where necessary.

The Business Ethics Workshop by James Brusseu focuses on reality and engagement. Students respond to examples and contemporary cases that touch on their own anxieties, desires and aspirations, and this textbook drives that without sacrificing intellectual gravity. It incites student interest and gets to the core of ethical issues.

Business Ethics: Best Practices for Designing and Managing Ethical Organizations, Second Edition focuses on how to create organizations of high integrity and superior performance. Author

Denis Collins shows how to design organizations that reinforce ethical behavior and reduce ethical risks using his unique Optimal Ethics Systems Model that outlines how to hire and train ethical employees, make ethical decisions, and create a trusting, productive work environment. Taking a practical approach, this text is packed with tips, strategies, and real-world case studies that profile a wide variety of businesses, industries, and issues. New to This Edition: Premium Ethical Dilemma videos located in the Interactive eBook challenge students to practice their ethical reasoning and ethical decision-making skills. New case studies tackle complex ethical issues through real-world companies such as the NFL, Wells Fargo, Exxon Mobil, and Volkswagen. New chapter-opening ethical dilemmas based on real situations allow students to grapple with the grey areas of business ethics. Optimal Ethics System Check-Up surveys summarize the best practices discussed in the chapter to allow students to assess, benchmark, and continuously improve their own organization. Ethics in the News activities profile real-world events such as United Airlines' removal of a passenger on an overbooked flight to challenge students to think critically about how they would respond in a particular situation. Up for Debate features highlight contentious issues that students encounter in real life (such as Facebook privacy).

Gain a better understanding of common threads and patterns of ethical challenges with cases and readings drawn from pop culture, business, and history. BUSINESS ETHICS: CASE STUDIES AND SELECTED READINGS, 9E provides relevant issues, such as getting out of student loans-- the consequences and societal costs as well as benefit to graduates. Probing questions and content force you to look beyond emotions and opinions to evaluate the costs of ethical decisions, such as Edward Snowden's actions and whether they harmed or helped society. Cases provide historical perspective as you learn how individuals slip into behavior that lead to ethical and legal breaches. Real examples of business decisions gone awry in this market-leading collection of readings present patterns of behaviors and choices that often result in the destruction of businesses and personal lives. Perspective and insights provide a knowledge base for readers to recognize and resolve ethical issues.

BUSINESS LAW TODAY: STANDARD EDITION, 11E combines the legal credibility, authoritativeness, and comprehensiveness of a traditional business law book with strong visual appeal and reader-friendly features. This book's engaging, high-interest presentation is complemented by the essential detail and information necessary to completely explain business law topics. BUSINESS LAW TODAY: STANDARD EDITION offers in a credible business law source that you will want to read. The book explicitly meets the AACSB curriculum requirements. This edition covers contemporary topics that impact today's business world, such as the financial crisis and its impact on business law, identity theft, immigration law, and diversity issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Readers discover the excitement of cutting-edge business law as BUSINESS LAW TODAY: COMPREHENSIVE, 11E immerses learners in a wide selection of intriguing new cases and thorough coverage that reflects the latest developments in the field. This successful edition makes the study of business law appealing and relevant without sacrificing the legal credibility and comprehensive coverage. Each chapter's visually engaging, time-tested learning tools illustrate how law is applied to real-world business problems. Excerpted cases in the language of the court familiarize readers with legal language while emphasizing the relevance of case decisions. Readers see how landmark cases, statutes, and other laws significantly impact the way businesses today operate both within the United States and across the globe.
