Drawing from the liberal arts and natural sciences and emphasizing psychology's historical dimensions, this gold-standard text shows students how and why psychology is relevant in their lives and to the other disciplines they are studying. The Seventh Edition introduces a new four-part structure that highlights the central issues that motivate psychological research and previews them through thought-provoking

introductory essays. Throughout, the part reorganization is reinforced by carefully refined questions and themes, providing a coherent and exciting view of psychology today.

When it comes to operating a small business, it doesn't matter how good the idea is if the accounting behind the operations isn't solid. Now readers have a resource that covers the accounting tools and strategies that will help them run a successful company. They'll gain a strong foundation in basic accounting and then progress to accounting strategies for service businesses. They'll also learn about basic accounting procedures and find ways to utilize accounting techniques for a merchandising business.

The accounting cycle is best learned by doing. Thus, the goal of this accounting simulation is to provide the student with a hands-on approach to learning the accounting cycle--from analyzing and journalizing transactions and events to financial statement preparation and end-of-period closing. If completed manually, this simulation may take 10 - 14 hours to complete. Alternatively, the student may use computerized accounting packages such as Simply Accounting by Sage, QuickBooks®, MYOB®, etc. This 2-volume set constitutes the proceedings of the 7th International Conference on e-Learning, e-Education, and Online Training, eLEOT 2021, held in Xinxiang, China, in June 2021. The 104 full papers presented were carefully reviewed and selected from 218 submissions. The papers are structured into two subject areas: New Trends of Teaching: Evaluation, Reform and Practice, and Intelligent Learning and Education. They focus on most recent and innovative trends and new technologies of online education which grows quickly and becomes the educational trend today. The theme of eLEOT 2021 was "The Educational Revolution: Opportunities and Challenges brought by COVID-19".

Strictly according to the latest syllabus prescribed by Bihar School Examination Board (BSEB), Patna and developed by State Council for Educational Research & Training (SCERT) following CBSE curriculum based on NCERT guidelines.
