

Answers To Mental Arithmetic Book 3

This photocopiable resource for Key Stage 2 is divided into two main parts. The first covers the important areas of mental maths, such as the four rules, fractions, decimals, money and time, and the second part presents associated topics to enable pupils to employ mental skills in contexts such as shape and measures. The work is at two levels of difficulty: National Curriculum Level 3, and Levels 4-5.

This series is designed to help teachers prepare for the National Tests at the end of each year and leading up to the final test at the end of KS2. Each book contains ten photocopiable mental maths tests, reflecting the look and feel of the real tests.

Accompanying the books is an audio CD which contains all ten tests timed to the exact specifications of the actual test with set times for pupils to answer the questions. All that the teacher needs to do is turn on the CD player! Answers to all the tests are provided too.

Features the complete set of answers to the exercises in Mathematics Year 5, as well as a selection of photocopiable worksheets to save you time and enable you to identify areas requiring further attention. The book includes diagrams and workings where necessary, to ensure pupils understand how to present their answers, as well as photocopiable worksheets at the back of the book. Also available from Galore Park www.galorepark.co.uk: - Mathematics Year 5 - Mathematics Year 6 - Mathematics Year
