*On the Art of Reading* Arthur Quiller-Couch, 2024-01-31T16:04:18Z On the Art of Reading is a collection of lectures delivered by Arthur Quiller-Couch, a literary critic and professor at Cambridge, between 1916 and 1918. In these lectures, Quiller-Couch argues for the study of the masterpieces of English literature—Shakespeare, Milton, and so on. He opines that the most effective way of appreciating literature is to experience it as “What Is,” which is to say feeling as if one has become part of the story. Much of the lectures is devoted to studying ways in which teachers can engender that feeling in pupils—with Quiller-Couch going so far as to say that even small children can be taught to appreciate seemingly-complex literature like *The Tempest* or classical poetry like Homer. Quiller-Couch also spends time discussing his then-controversial opinion that the English translation of the Bible, as well as many Greek classics, are masterpieces of English literature that deserve careful study not just for their religious or philosophical importance, but for their beautiful prose style. These lectures form a companion to his earlier collection of lectures, *On the Art of Writing*, which explore similar themes of the place of writing and literature in the intellectual firmament. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**A Raisin in the Sun** Lorraine Hansberry, 2011-11-02 Never before, in the entire history of the American theater, has so

much of the truth of Black people's lives been seen on the stage, observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem *Harlem*, which warns that a dream deferred might dry up/like a raisin in the sun. The events of every passing year add resonance to *A Raisin in the Sun*, said *The New York Times*. It is as if history is conspiring to make the play a classic.

**Common Drama Study Guide** Five Senses Education Pty, Limited, Sophocles, Jeff Sinclair, Barbara Fuller, Larry Grumley, 1999-01-01

Oedipus Rex Or Oedipus the King: (annotated) (Worldwide Classics) Sophocles, 2019-03-13 Oedipus, King of Thebes, sends his brother-in-law, Creon, to ask advice of the oracle at Delphi, concerning a plague ravaging Thebes. Creon returns to report that the plague is the result of religious pollution, since the murderer of their former king, Laius, has never been caught. Oedipus vows to find the murderer and curses him for causing the plague. Oedipus summons the blind prophet Tiresias for help. When Tiresias arrives he claims to know the answers to Oedipus's questions, but refuses to speak, instead telling him to abandon his search. Oedipus is enraged by Tiresias' refusal, and verbally accuses him of complicity in Laius' murder. Outraged, Tiresias tells the king that Oedipus himself is the murderer (You yourself are the criminal you seek). Oedipus cannot see how this could be, and concludes that the prophet must have been paid off by Creon in an attempt to undermine him. The two argue vehemently, as Oedipus mocks Tiresias' lack of sight, and Tiresias in turn tells Oedipus that he himself is blind. Eventually Tiresias leaves, muttering darkly that when the murderer is discovered he shall be a native citizen of Thebes, brother and father to his own children, and son and husband to his own mother.

*Antigone Project* Caridad Svich, Chiori Miyagawa, Sabrina Peck, Tanya Barfield, Karen Hartman, 2009 ANTIGONE PROJECT is a play in five parts by Tanya Barfield, Karen Hartman, Chiori Miyagawa, 2009 Pulitzer Prize winner Lynn Nottage, and Caridad Svich that reconsiders the story of Antigone from a variety of rich and radical perspectives. With a preface by dramatist Lisa Schlesinger and an introduction by classics scholar Marianne McDonald, this is a unique addition to contemporary drama.

**EUROPEAN CLASSICAL LITERATURE** Dr. Sunita Kumari, Buy Latest EUROPEAN CLASSICAL LITERATURE Book in Hindi Language for BA 2nd Semester Bihar State By Thakur publication.

**Antigone's Claim** Judith Butler, 2002-05-23 The celebrated author of *Gender Trouble* here redefines Antigone's legacy, recovering her revolutionary significance and liberating it for a progressive feminism and sexual politics. Butler's new interpretation does nothing less than reconceptualize the incest taboo in relation to kinship—and open up the concept of

kinship to cultural change. Antigone, the renowned insurgent from Sophocles's Oedipus, has long been a feminist icon of defiance. But what has remained unclear is whether she escapes from the forms of power that she opposes. Antigone proves to be a more ambivalent figure for feminism than has been acknowledged, since the form of defiance she exemplifies also leads to her death. Butler argues that Antigone represents a form of feminist and sexual agency that is fraught with risk. Moreover, Antigone shows how the constraints of normative kinship unfairly decide what will and will not be a livable life. Butler explores the meaning of Antigone, wondering what forms of kinship might have allowed her to live. Along the way, she considers the works of such philosophers as Hegel, Lacan, and Irigaray. How, she asks, would psychoanalysis have been different if it had taken Antigone—the post-oedipal subject—rather than Oedipus as its point of departure? If the incest taboo is reconceived so that it does not mandate heterosexuality as its solution, what forms of sexual alliance and new kinship might be acknowledged as a result? The book relates the courageous deeds of Antigone to the claims made by those whose relations are still not honored as those of proper kinship, showing how a culture of normative heterosexuality obstructs our capacity to see what sexual freedom and political agency could be.

*Antigone*, 1903

*Close Relations* Paul Monaghan, 2020-05-15 The “spatial turn” of the 1990s has inspired many academics to re-evaluate the importance of space and time within their own disciplines and to engage in productive dialogue with other disciplines whose spatial focus intersects with their own. This book applies insights and approaches generated by the “spatial turn” to Greek and Roman theatre. The title evokes the “close relations” that exist between the many aspects and notions of space-time and their complex interweaving, between the disciplinary and interdisciplinary approaches that are needed to understand complex spatial phenomena, between notions of space in general and those of theatrical space, and between Greek and Roman theatre as it existed in antiquity and as it has been “received,” interpreted, and transformed throughout history ever since.

*Plays of Sophocles: Oedipus The King; Oedipus At Colonus; Antigone* Sophocles, 2021-01-01 To Laius, King of Thebes, an oracle foretold that the child born to him by his queen Jocasta would slay his father and wed his mother. So when in time a son was born the infant's feet were riveted together and he was left to die on Mount Cithaeron. But a shepherd found the babe and tended him, and delivered him to another shepherd who took him to his master, the King of Corinth. Polybus being childless adopted the boy, who grew up believing that he was indeed the King's son. Afterwards doubting his parentage he inquired of the Delphic god and heard himself the word declared before to Laius. -Preface
