Teaching in Post-14 Education & Training provides a skilfully balanced mix of essential theory and practical guidance to support you if you are studying an 'education and training' qualification. It covers fundamental background information such as key philosophies and concepts, current policy and practice, key thinkers and ideas, and includes a useful chronology. More importantly it also provides the tools to help you approach the classroom with confidence, covering fundamental issues such as teaching and learning, assessment, resources, and course design. Through its pedagogical features the book also offers you opportunities to pause and reflect, as well as practical exercises, templates and examples of student work. Key features of this new edition include:

- Links to the latest Professional Standards for Teachers and Trainers
- Updating of the legislative and policy context
- Supporting learning with technology
- Planning for equality and diversity
- Embedding language and literacy

This is the definitive textbook on teaching, learning and assessment for those training to work in the post-14 sector.

Make AQA GCSE History more accessible, enjoyable and manageable. Based on his own experience of teaching the specification, renowned author Dale Banham knows how to cover the content with the right pace and depth, while also equipping students with the knowledge and 'complex thinking' skills required for exam success. Using the latest research on memory and visible learning, this textbook will help to raise attainment for students of all abilities.

- Engage students with accessible routes into challenging topics.
- Encourage students to take responsibility for their learning.

Tasks are structured around five 'steps to success', teaching students how to Research, Summarise, Connect, Apply and Review the content.

- Make learning stick.
- Build top-grade skills.
- Improve exam results.

Practice questions, revision tips and guidance based on the examiners' reports are embedded throughout the book, alongside purposeful homework activities for each week.

- Cover the content in one term.
- A double-page spread for each lesson and a clear pathway through each unit focuses students on what they really need to know, leaving one final term for revision.
