

Aqa Law For As Second Edition

The Extending Knowledge and Skills series is a fresh approach to A Level Psychology, designed for greater demands of the new AQA specification and assessment, and especially written to stretch and challenge students aiming for higher grades. Dealing with the AQA's Paper 3: Forensic Psychology, this book is deliberately laid out with the assessment objectives in mind, from AO1: Knowledge and understanding material, followed by AO2: Application material, to AO3: Evaluation and analysis material. Providing the most in-depth, accessible coverage available of individual topics in Paper 3, the text is packed full of pedagogical features, including: Question Time features to ensure that the reader is consistently challenged throughout the book. New research sections clearly distinguished within each chapter to ensure readers have access to the most cutting-edge material. A clear focus on the assessment objectives for the Paper topic to ensure readers know when and where to apply knowledge. The use of example answers with examiner style comments to provide greater insight into how to/how not to answer exam questions. An engaging, relevant and challenging text which broadens student understanding beyond that of the average textbook, this is the essential companion for any student taking the AQA A Level Paper 3 in Psychology.

What does pleasure have to do with morality? What role, if any, should intuition have in the formation of moral theory? If something is 'simulated', can it be immoral? This accessible and wide-ranging textbook explores these questions and many more. Key ideas in the fields of normative ethics, metaethics and applied ethics are explained rigorously and systematically, with a vivid writing style that enlivens the topics with energy and wit. Individual theories are discussed in detail in the first part of the book, before these positions are applied to a wide range of contemporary situations including business ethics, sexual ethics, and the acceptability of eating animals. A wealth of real-life examples, set out with depth and care, illuminate the complexities of different ethical approaches while conveying their modern-day relevance. This concise and highly engaging resource is tailored to the Ethics components of AQA Philosophy and OCR Religious Studies, with a clear and practical layout that includes end-of-chapter summaries, key terms, and common mistakes to avoid. It should also be of practical use for those teaching Philosophy as part of the International Baccalaureate. Ethics for A-Level is of particular value to students and teachers, but Fisher and Dimmock's precise and scholarly approach will appeal to anyone seeking a rigorous and lively introduction to the challenging subject of ethics. Tailored to the Ethics components of AQA Philosophy and OCR Religious Studies.

Exam board: OCR Level: A-level Subject: Law First teaching: September 2017 First exams: Summer 2019 This student book will be selected for OCR endorsement process. Expand and challenge your knowledge and understanding of Physics with this updated, all-in-one textbook for Years 1 and 2 that builds mathematical skills and provides practical assessment guidance. Written for the AQA A-level Physics specification, this revised textbook will: - Offer support for the mathematical requirements of the course with worked examples of calculations and a dedicated 'Maths in physics' chapter. - Measure progress and assess learning throughout the course with 'Test yourself' and 'Stretch and challenge' questions. - Support all 12 required practicals with applications, worked examples and activities included in each chapter. - Develop understanding with free online access to 'Test yourself' answers and 'Practice' question answers*.

Key Facts is the essential revision series for anyone studying law, including LLB, ILEX and post-graduate conversion courses. The Key Facts series provides the simplest and most effective way for you to absorb and retain the essential facts needed to pass your exams effortlessly. Key features include: * Diagrams at the start of chapters to summarise the key points * Structured heading levels to allow for clear recall of the main facts * Charts and tables to break down more complex information New to these editions is an improved text design making the books easier to read and the facts easier to retain. Key Facts books are supported by the website www.UnlockingTheLaw.co.uk where you will find extensive revision materials including MCQs and Key Q&As.

COMPLETELY NEW FOR THE AQA 2017 SPECIFICATIONS Written by an experienced teacher and senior examiner, this book covers all you need to know about human rights law. There are plenty of tasks, self-test questions and examination practice with answers at www.drsr.org. Separate books cover other areas and are competitively priced. For both students and teachers this means you won't have to carry too much around and can just take what you need to the classroom. AQA would only give approval to one publisher so this book does not carry an official badge of approval. However the AQA Portfolio Curriculum team kindly gave advice on content and assessment to help me ensure it covers the specifications correctly and makes the required links to the other topics. Key

features include tasks, evaluation pointers, examination tips and summary diagrams. There are lots of up-to-date examples to bring the subject to life and to show how human rights law can be used to illustrate the non-substantive law (the nature of law and the legal system). This book can be used as a self-study guide as well as in the classroom. It is written in a lively, clear and accessible way and is designed to help students of all learning styles to understand the subject. Although written for A level it is a useful introduction to the law needed for higher-level courses such as the Chartered Institute of Legal Executives course and various Law degree courses. Other books by Sally Russell The 'law explained' series offers a more in-depth coverage of individual areas of law with additional tasks, examples and examination practice. This means you can pick those topics for which you need more guidance (all the answers to tasks are included in the booklets). As for other titles, these change quite regularly and new books may be available by the time you read this. For the most up to date list of what is available please check my author's page on Amazon or visit my website at www.drsrc.org. All my books are available in both Kindle and paperback format. Exam Board: AQA Level: AS/A-level Subject: German First Teaching: September 2016 First Exam: June 2017 Our Student Book has been approved by AQA. Written for sixth form and college students, AS Law covers the content of AS Law for AQA and OCR students in a lively and reader-friendly style. Topics are broken down into manageable parts, with clear headings and are illustrated throughout with photographs, diagrams, boxes and illustrations. Each chapter includes: an introduction outlining learning objectives relating to the subject specifications 'developing the subject' sections explaining a particularly important or difficult

point in more detail, designed to challenge more able students a list of useful websites enabling students to access primary law materials intended to support chapter-by-chapter reading 'it's a fact!' sections highlighting interesting and contemporary applications of the legal principle under discussion dedicated sections providing detailed examination of key cases, within the context of the chapter discussion hints and tips for revision topics and strategies helping students to prepare for the types of questions that are most likely to come up in exams. The book contains a wealth of opportunities to test and apply knowledge, with revision quizzes, quick tests and sample questions and answers within each chapter and there are additional opportunities for self-testing and revision available via the Companion Website. This third edition has been revised and updated to take into account the new 2008 AQA specifications and contains a new chapter on contract liabilities, as well as expanded material on sentencing and court procedures. It also addresses recent legal developments such as the establishment of the Ministry of Justice, changes in the legal profession and the constitution, and the reform of the House of Lords. AS Law provides a stimulating and exciting approach to the subject, profiling famous legal figures and examining law in films, fiction, non-fiction and on the internet whilst offering comprehensive coverage of the AQA and OCR subject specifications fulfilling all syllabus requirements.

Sociology for AQA Volume 1 is the new edition of Ken Browne's invaluable and widely used textbook, designed for AQA's new Sociology AS level and Year 1 A level (for first teaching from September 2015). The book combines sociological rigour and accessibility in a way unrivalled by any other book at this level. As always, the book fully covers the AQA specifications, using these as a springboard to develop readers' sociological skills and understanding. The fifth edition includes: up-to-date discussions of a wide range of recent sociological data and debates practice questions on every specification topic a special chapter on the compulsory 'Education with Methods in Context' requirement of the specifications full-colour photographs, diagrams and cartoons, to bring ideas to life and fire students' imaginations a dedicated website at www.politybooks.com/browne, with resources for teachers and additional material designed to help students revise or research themes in the book. Key sociological terms are systematically highlighted throughout the text and are included in a comprehensive glossary, with questions and activities incorporated throughout to develop and test students' understanding further. Pitched at the right level for the new AQA Sociology specifications, the book provides the tools necessary to help students, whatever their needs, interests and abilities. Together with the accompanying Sociology for AQA Volume 2, this is an invaluable resource for success in sociology.
