Guide to Working and Healing with Divinities and Deities. Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money,

Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."

Belinda Womack was a believer in Angels until the age of 12, when she decided she wanted to become a scientist. Years later, working in a biology lab, she found herself in the presence of the Archangel Gabriel and realized her calling as a spiritual conduit for Angelic healing and support. In this book she shares lessons, practices, and daily guidance from the 12 Archangels to help us listen to and heal our wounded inner child, release our fears, and enact deep subconscious transformation. Each word, transmitted directly from the 12 Archangels, carries their love, so that when read, the love is absorbed into the reader's mind and supports the release of our deepest wounds and fears. The tools and exercises shift your vibration so results are both felt and experienced immediately. Each message awakens your innate spiritual power to rebuild destroyed self-esteem, lifting you higher in vibration and allowing life to be filled with the power of your own divinity. The book includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination, as well as specific messages from the 12 Archangels designed for quick access to practical guidance when Angelic support is needed in daily life. "Do you have a book about angels for someone who's a complete beginner?" Doreen Virtue frequently hears this question at her workshops, and usually points them to her book Healing with the Angels. Yet, even that book is a bit advanced for newcomers. One morning she clearly saw and heard the title Angels 101, and Doreen knew that the angels wanted her to write a very basic and elementary book. Angels 101 is a nondenominational overview of who the angels are; their role in various spiritual texts and religions; the ways that angels help us and how to call upon them; information on guardian angels, archangels, and departed loved ones; and frequently asked questions about the angels. No matter where you are on a spiritual or religious path, this book is sure to deepen your understanding and love of the angels—and it makes the perfect gift for someone new to these concepts!

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

When a group of powerful fairies contacted Doreen Virtue, her life became an enchanting story of healings, manifestation, and true love. You'll also learn, along with Doreen, about the fairies' incredible powers of

manifestation. Doreen shares what the dolphins, mermaids, dragonflies, and other members of the elemental kingdom taught her. You'll see that the fairies have the ability to help you create and attract miracles, and this book can teach you how to work with them to empower and heal your entire life!
