In her groundbreaking book Stop Being the String Along, Barbara Rose states: "Give me ten minutes and I can tell you if you are destined to being a string along or THE ONE for the rest of your life!" Rose does this by identifying the "string along warning signs." We all have string along messages thrown onto us that have been imprinted within our subconscious minds. It is in identifying them, and bringing them out into our conscious awareness that turns a string along into THE ONE. You can know every trick in the book about catching

someone, subtly coercing them, and playing a host of games to get what you want, but if you are subconsciously being the string along you will never succeed in a relationship, and even if you do get married, it will most likely not last! The great news is that now you can easily uncover the old string along programming and create authentic, thriving relationship success. If you are not doing as well in your relationship as you would like, you will have to uproot your subconscious string along messages. Unfortunately your current string along messages will tend to stay with you for the rest of your life, unless you identify and revise them, and that's exactly what you will do with the help of this extraordinary book. According to Barbara Rose, it's simple. If you think like THE ONE thinks and do what THE ONE does, chances are you'll be THE ONE too! After examining the lives of thousands of individuals across five thousand years, Carmel Niland saw patterns in behavior, character traits, and life purpose that allowed her to connect each individual to specific Ascended Masters. Guided by renowned mystics, she realized that, just as we carry physical DNA that shapes us across generations, we also carry an energetic code or spiritual DNA that links us back to the very source of our origins—a divine ancestry linking us directly back to God. Drawing on recorded history as well as thoroughly researched and verified channeled history, Niland explains that we all hold the God essence in us as archetypal energies. These energies are represented by 12 Ascended Masters who hold the 12 strands of our spiritual DNA. Each lifetime is chosen by us depending on what we need to learn. Thus, every person on this earth, no matter how ordinary or extraordinary, is an aspect of one of these Ascended Masters. The author explores the role, energies, and essence of the 12 Ascended Masters who hold our spiritual DNA by examining various personalities in history that have been instrumental in shaping the world we live in. Focusing on the masters Mother Mary and St. Germain, she depicts their archetypal energies in positive as well as shadow aspects of their incarnations and reveals how they stand at the beginning of the ancestral line to God. Niland offers charts to help you trace your own spiritual DNA through the reincarnations of the Ascended Masters and thus discover your own direct connection to the Divine. She also reveals the role of some of history's most important figures as reincarnations of the Ascended Masters, among them Queen Nefertiti, Buddha's mother Maya, Homer, Julius Caesar, Lao Tse, Merlin, Cleopatra, and Dante. Revolutionizing the Western view of reincarnation, this book allows you to understand your spiritual and genetic connection to God and to realize that we are all one large family divinely connected across gender, race, and time.
