Cortical visual impairment (CVI), the leading cause of visual impairment in children today, is caused by damage to visual centers of the brain. Unfortunately, CVI is very often misdiagnosed or undiagnosed because many doctors, therapists and educators simply do not know about it. What we want you to know, first and foremost, is that there is hope! Children with CVI can learn to see, their vision can get better! As parents of a child with CVI, we know how daunting it can be to raise a child with visual impairment. LITTLE BEAR SEES is the first book about CVI written by parents for parents. As you read LITTLE BEAR SEES, you will meet other families facing the many challenges that come with a diagnosis of CVI. This book was written for parents, but it our sincere hope that it will be shared with doctors, therapists, family, friends and all those whose lives are touched by a child with CVI. Together we can raise awareness and improve the lives of children with cortical visual impairment. In LITTLE BEAR SEES you will learn: Exactly what CVI is What common characteristics to look for to determine if your child has CVI How the eyes and brain work together to facilitate vision Strategies and ideas for helping your child learn to see from the leading experts in cortical visual impairment Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his

disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

As Bear walks in the forest, with pencil in hand, he meets several grumpy forest dwellers and knows just what to do for them.

Little Bear meets Emily, a human girl, and her doll. 'Once again Little Bear proves himself to be as wistful and tender a little creature as exists in the child's library.' -- K.

Little Bear has woken up early from his winter sleep. But there's no one to play with until he meets Sparkly, a little snowman, who shows him how much fun winter can be. They promise to be friends forever. But as the warmth of spring sets in, Sparkly must go away to where the snow never melts. Will Little Bear ever see his special friend again?

Three lovely stories for children of all ages, two of which feature a naughty little bear and the other a magic Land Rover.

Bear is very, very, very MAD! Will he ever feel better? Find out in this sweet and silly picture book about toddler tantrums that little ones—and their caretakers—are sure to relate to. Bear had to leave the park early for his nap. Then he fell and got an owie on the way home. And then he had to leave his favorite boots and stick outside. Bear feels like nothing is fair, and that makes him VERY, VERY, VERY MAD! Can he find a way to

move through his emotions and get back to feeling better? Maybe...but not before having a major meltdown!

In this sweet, lyrical picture book, perfect for bedtime, a playful cub prepares for hibernation, saving just enough time for Mama to share a story before they must settle down. Autumn is ending and a chilly breeze is drifting in, which can mean only one thing-- it's time to hibernate over the long winter. But before Small Bear does, she'd like for Mama to tell her some stories. Mama agrees, with one condition: all the preparation must get done-- no dilly, no dally. So Small Bear tries to be good, venturing off to find sprigs for her winter bed, splishing and splashing in the stream, and climbing up, up, up into the tall forest trees in search of acorns. When she finally returns home, Small Bear snuggles down with Mama in their den. Did she make it back in time? "You did," Mama answers, and pulls her in close. And then Mama tells the most wonderful tale of a little bear--just like Small Bear--who, while enjoying the world around her, saved just enough time for stories.

One day, a young bear stumbles upon something he has never seen before in the forest. As time passes, he teaches himself how to play the strange instrument, and eventually the beautiful sounds are heard by a father and son who are picnicking in the woods. The bear goes with them on an incredible journey to New York, where his piano playing makes him a huge star. He has fame, fortune and all the music in the world, but he misses the friends and family he has left behind. This best-selling tale of exploration

For fans of Penguin Problems and A Birthday for Bear, the story of a whiny rabbit pushing a patient bear to the end of his tether and learning a lesson in looking on the bright side. Do you ever feel like everything is terrible? Like nothing is ever right and you just want to hide under your pillow? Well Rabbit does, and he's not shy about sharing it. He whines, he complains, he moans, he grumps... until Bear has had enough and decides it's time for Rabbit to learn to appreciate what he has. Using nothing but the lowly common earthworm as an example, he teaches Rabbit a lesson about taking things for granted. Something the worm knows all about... Written in charming verse and featuring a delightfully domestic bear and a very surly rabbit, There, There is a fantastic tongue-in-cheek riff on the idea that "it could be worse..."

This sweet children's picture book presents a moving story, set in a fragile Arctic world threatened by global warming. A little polar bear wakes up alone after a furious storm. With his mother nowhere in sight, he makes friends with a mysterious little girl and various animal companions. All of the friends come together in the magnificent polar sky. In the end the little bear sits peacefully, enjoying a winter day lit up by beautiful northern lights. Featuring exceptional illustrations from talented Vietnamese illustrator Khoa Le, The Lonely Polar Bear offers an accessible way to introduce children to climate change issues.

How can children begin to understand death and cope with bereavement? And how can we, as adults, support and engage with children as they encounter this complex subject? Exploring how children and adolescents can engage with all aspects of death, dying and bereavement, this comprehensive guide looks at how children comprehend the death of a pet or someone close to them, their own dying, bereavement and grieving. It covers how you should discuss death with children, with a particular emphasis on the importance of listening to the child and adapting your approach based on their responses. The book offers guidance on how your own experiences of loss can provide you with models for your interactions with children on the subject of death.
